Fall River Mass, July 31st 1865

Adjutant General,
of the State of Maine,
Augusta,
Me.

Dear Sir: Will you please inform me if there is evidence in your office of the death of James A. Horton Sergt, Co. "H," 20th Regt Maine Vols. His father understands that he died at City point Va. on the 3rd Oct. 1864 from wounds rec^d on the 30th Sept. 1864. He has made application for the pay and bounty due him; - And the 2^d Auditor says there is no evidence on the rolls of the Co. & Regt. and none in the office of the Adj^{nt} Genl. of the Army showing the death of this soldier. Any information you will be pleased to impart will be a special favor.

Respy Yours
W. F. Winslow
