YOUR HELP IS NEEDED

That the local Red Cross is doing a wonderful work will be realized from the articles sent in the three boxes recently, one was sent the first of the month and contained the following article:—

63 Comfort Pillows.
30 Fracture Pillows.
96 Abdominal bandages.
84 T. bandages.
82 4in. Tail bandages.
48 Triangular or Sling bandages.
96 3 in. Muslin roller bandages.
54 4 in. " " "
66 3 in. Crinoline roller bandages.
6 4 in. " " "
6 3 in. flannel " " "

A second box was sent to Capt. A. C. Merriman of the 27th. Co. Portland, Maine C. A. C. now at Camp Devens, Ayer. There were: 103 Sweaters.
80 Pairs of Socks.
27 Mufflers.
25 Pairs of Wrists.
2 Helments.
2 Sweaters were included to be given to Wells boys who had been drafted.

A third box sent to the Boston Red Cross contained: 24 sweaters, 12 mufflers and a handsome afghan.

The summer people have done much to assist in the work and now that they have gone more workers are badly needed and sewing machines are much wanted in order to accomplish the large amount of work which the chapter is hoping to do. If you have even a little spare time or a machine which is not in use why not donate your services and your machine to this worthy cause.

FOUR MINUTE MEN

A Four Minute Men campaign, which is being carried on the country over, has been started in Kennebunk. This is a plan by which selected men will give four minute addresses in the moving picture theaters on subjects of national importance for the purpose of assisting the government in the work of national defense during the war. The first local speaker at the Acme was Rev. R. P. Doremus pastor of the Unitarian church who in the brief time allotted gave some splendid ideas. The second speaker was Mr. John Watson and he as usual had something worth while to offer. Rev. Mr. Grant of the Congregational church spoke Saturday evening and his remarks were right to the point as is characteristic with the Rev. Gentlemen. Judge H. H. Bourne was the appointed speaker but as he was unable to be present Mr. Grant substituted. This Wednesday evening Mr. Joseph Cole was to be the speaker but as he is at Camp Devens, Ayer, Mass., Rev. Robert P. Doremus will again give a brief talk and it is expected Mr. Cole will speak on Saturday evening.

Y. W. C. A. NOTES

The first fall meeting of the Y. W. C. A. will be next Monday evening. Fun will begin promptly at 7.30. Come ready to join one of the classes which will start during the evening. The special feature will be telling how the dollar for the Y. W. C. A. was earned.

Send Magazines to Soldiers.

The administration must be given credit for evolving one good scheme for getting reading matter to the soldiers and sailors. When you are through with a magazine, you may put a one-cent stamp on it and hand to any postal employee, and it will go for the use of the soldiers and sailors of the United States. No wrapping, no address, just a one cent stamp. You can't afford to let your magazines lie around and clutter up the house, when they may do so much good at so small a cost to you.

Mrs. Mary C. Goodwin, and Rev. and Mrs. Perley C. Grant attended the Ninety-fifth Annual Meeting of the York County Association of the Congregational Church last Tuesday and Wednesday. Mr. Grant read a paper on the subject: "Our Pilgrim Heritage."

LETTERS FROM OUR BOYS FROM BOSTON AND CAMP DEVENS, AYER

Boston, Mass.,
Sept., 24th, 1917.

Dear Enterprise,—

Just at this time I am trying to think what to write, I can't remember just where I left off last time.

Last week we received a scarf, a pair of socks, and wristers from the Red Cross, and with the sweaters we received some two weeks ago we are pretty well equipped to face the winter. Of course this doesn't mean that we defy the winter, but we do expect to meet it a little bit easier, than we would if we hadn't our things. We appreciate the fact that it was a little bit of labor on someones part, and yet, I don't know as you would call it labor at that, as you cannot go on the street without meeting some one knitting. As I don't know very much about knitting it doesn't seem as though it was hard labor, from what I've seen, it seems as though it might be a pleasure. A pleasure in one way that is to think that you were knitting for a soldier, if you were, and if you wasn't, why! that would be a matter of opinion, of the one concerned. But anyway, we want to thank the Red Cross and every one concerned for the fine things we have received, and hope they will never have cause to regret the time, labor and expense for the things they gave to the Kennebunk Boys in the Engineer Corps.

About every fellow from home is contented. I don't think I can mention one that is sorry he ever left the "Old" Company fellows. It stands to reason that most of us would rather have stayed with the Coast Artillery Co., but we stand a stand a pretty good chance of going abroad and I don't think you would find two fellows that would shift now if they could get in their old company. This doesn't mean that any of us want to go, but we'd hate to be left behind if our company did go. I know I would.

We are away from home now and if we ever do leave it won't be so hard to go as it would, were we to leave Kennebunk. The way I look at it is, the people of Kennebunk mind it more than we do. If it doesn't bother them any more than it does me, it doesn't bother them at all.

I am having more trouble writing this letter, I don't know what the matter I can't seem to think of anything, maybe I'm sleepy, because I think it's past my bedtime. I guess it must be almost 8 p. m. but as it is quite cold out to-night I don't care if I don't get in before 5 or 10 minutes after eight, I can make it up to-morrow.

I don't know whether I ever wrote and told you the schedule we work under. This is a little of it. Get up in the morning at 5.50 A. M. a little exercise, Mess (Breakfast) 7 A. M. Mess, (Dinner) 12.30 Mess, (Supper) 5.30, I hope you won't get the idea that all we do is eat, after reading this, as we have something to do between meals.

Sunday was a fine day, but none of the Co. could get out, but there was a crowd of visitors on the reservation, and the gates were lined with those that couldn't get in for some reason.

Sunday night we wasn't supposed to go out but, we had orders we could, so we did.

Be sure and get next week's paper if you are interested in these letters as I will have a lot to write about, that will interest you very much. I won't promise that however as things change so much I might change my mind but will try and not disappoint you.

Yours very truly,
Bugler Knight.

Later:—
This is my last letter for awhile as the next you receive will be from abroad.

We broke camp this afternoon you've probably heard of it by now from the news-papers, so as I'm in

a hurry will let you know that we leave to-night (Monday) and don't know where we are going to embark.

We would be awfully pleased to hear from any of the people so don't be afraid to write to any of the Kennebunk fellows with the 101st. Engineers as they will be delighted to hear from home. This is our address. Name to whom sent
Co. B, 101st. U. S. Engineers,
American Exped. Forces.

That's all you need to write. You may not get a letter for the paper next week but you will get one as soon as I can write one, I mean as soon as I get where I can mail one.

Hoping you will take this with the best of feelings and don't worry as that's the last thing we think about.

Remember us to the Old Company Boys.

Will close with best of regards and wishes.

Bugler Knight.

Camp Devens, Ayer, Mass.
Sunday, Sept. 23, 1917.

Dear Editor:—

I do not know as there will be any correspondence sent in from our camp this week so I am going to try and keep you and the other friends of ours posted a little on the happenings. Every thing has been busy this week, new men from all over New England have been coming steadily, but our boys, what is left here, had it easy this week, only guard duty to do. Of course that is a little work, but not hard. We are all feeling well except one or two have a little cold but nothing to speak of.

We have changed our barracks and are now in No. 634 only a short way from our old barracks, but the way to find us if you should come up is by the (No. 634).

We have had quite a few visitors this week and to-day, there were three boys from home who motored from Dorchester, Mass., they were Ansel Benson, Eddie Fiske and Dixie Benson, and it seemed good to see them; Mrs. Ansel Benson was also with the party a welcome guest she was, for she brought two bags of molasses ginger cakes, the kind we had at home and a big apple Pie for Ed. Wormwood, too much for one, so we all had a share and thanked Mrs. Benson and hope we shall see her often. She has promised us we shall.

Our regular dinner to-day consisted of Roast beef, boiled potatoes in the jacket, green peas, rice pudding, bread and butter, coffee or tea. It is going to be pretty cold here to night the coldest yet.

Hoping these few lines will meet with approval I will sign for now, A Friend at Ayer, and of the Enterprise.

BOY SCOUT NOTES

This week's meeting was held in the Y. W. C. A. building as that organization has kindly loaned it to the troops for meetings this winter. Twenty-eight members were present.

Scout Master Cole has purchased a new Troop Record book in which to keep all accounts and records.

A foot-ball squad is to be formed soon. A vote was taken and it was unanimous.

The certificates for War Service Emblems arrived this week. These are to be awarded to all scouts who obtained ten orders for Liberty Loan Bonds. The badges are not yet completed and word was received this week by Scout Master Cole that they were awaiting a decision by the Secretary of the Treasury.

A letter from National Headquarters was read which stated that the hike to Kennebunk Pond could not be counted in the first-class tests because the scouts all went together, the requirements being for them all to go separately or with one other scout.

Scout Scribe.

AMONG THE BEST

The passer-by notices that the Ocean National Bank has been enlarged and improved by painting the doors, window casings etc. but we doubt if many of our readers realize the way the bank is forging to the front and that when its equipment is fully completed it will stand comparison with any in the State.

The big safety vault will fill a long felt want as it will be burglar proof and contains many apartments which will be rented for small sums to those wishing a place of safety in which to keep valuables.

Another improvement will be the installing of a machine which will do away with the individual bank book entirely. It is expected this machine, which is now ordered will be placed in the bank in the course of a few weeks. The financial condition of our bank was never better than at the present time as was shown by the last report. The officers, directors, and cashier are all men of character and business ability and they are sparing no expense to give the people of Kennebunk and vicinity a bank of which they will feel proud and at the same time realize that their motto has been "Safety first."

UNITARIAN

Service at 10.30 a. m. The subject of the sermon this morning will be "Religion as a Sentiment,—Thou Shalt Love the Lord thy God."

Sunday School at 11.45.

While continents are convulsed with war, while as a people we are struggling against ruthless foes without and against treachery within, while we are considering ways and means for winning the victory against autocratic aggression and the machinations of traitors, shall we take time to consider the things of the spirit, shall we pause for religion? How else shall we be able to withstand in the evil day, and having done all to stand? Let everyone of us be at the church of his choice every Sunday during this crisis.

METHODIST CHURCH

The large increase in attendance at the services of last Sunday, was very encouraging, as an outlook, for the work of fall, and winter.

The service of song in the evening, consisting of solos, duets, and a quartet, in addition to the regular praise service, and lasting about forty minutes, was very much enjoyed, and the audience rose en masse when asked if they would like such a service once a month.

It is planned to popularize the Sunday evening services of the future by adding some new feature each night, and at the same time, not to in any degree lower the spiritual tone of the meeting. Very soon the pastor will begin a series of sermons, to be illustrated with large, beautifully colored stereopticon pictures. The pastor has a fine stereopticon, of the dissolving pattern. Watch for notices of these sermons. They have been very popular in other places.

"The Privilege of the Enquiring and Doubting Mind" will be the subject of the sermon, next Sunday morning. It is expected that Porter's Orchestra will furnish music for Sunday evening.

NEIGHBORHOOD HOUSE

Services at the Neighborhood House will be held next Sunday. Sunday School will commence at 2.50 p. m. There will be a special speaker and special music consisting of solos, and a quartet. Let everybody attend. Announcements will be made at this time.

Physicians prescriptions carefully compounded by Fiske the druggist on the corner. Adv.

CONGREGATIONAL CHURCH

Next Sunday morning the pastor will preach at 10.30 on the subject: "Christian Righteousness." In the evening at 7.30 Rev. Charles Havlutt of Portland, Secretary of the Maine State Conference, will speak.

The Sunday School will meet at the close of the morning service with classes for all.

On Wednesday evening the pastor will speak briefly on the subject: "Our Credentials." This will be a service of praise and devotion.

BAPTIST CHURCH

Public worship next Sunday morning at 10.30. The Sunday school will meet at the close of the morning service. There is a place for every one who desires the inspiration of a helpful hour of Bible study.

The Young People's C. E. Service at 6.30.

The "People's Popular Service" at 7.30 on Sunday evening. This is one of the best services of the day. Why not invite some one to share the pleasure of the evening with you.

The mid-week social service on Wednesday evening at 7.30.

WOMEN MAY ENTER

After 106 years as an institution for men only the College of Physicians and Surgeons, the medical department of Columbia university, recently decided to admit women on an equal standing with men. This departure is made possible by a gift of \$50,000 from George W. Breckenbridge of San Antonio, Texas. It was also officially announced last week that duly qualified women registered at Radcliffe college would be admitted to the Harvard medical school this year. The requirements for admission will be the same as for men. The council of Radcliffe college will confer the degree of Doctor of Medicine on women candidates who perform the required work, after they have been recommended by the faculty of medicine of Harvard university.

There will be a social dance at Odd Fellows hall, Biddeford, next Monday night. It is hoped that there will be a good crowd from here attend. These affairs are gotten up by private individuals and are well patronized by the young people, and enjoyed by all. Don't forget the date, Monday, Oct. 1st., at Odd Fellows hall, Alfred St., Biddeford.

KENNEBUNK PORT

At the Baptist church next Sunday morning the Pastor will preach upon the subject, "Jesus, as Teacher and Friend." In the evening the topic will be, "A Woman's Protest." This being the third in a series of Bible Biographies.

A large delegation from the Baptist church attended the meetings of the South York Baptist Association at Saco last week.

The Boy Scouts are again taking up their activities for the winter. Officers for the year were elected at the last meeting. A hike is planned for next Saturday, over the Sea road.

SACO ROAD AND VICINITY

Frank Washburn, who has been so very ill, is slowly gaining, his many friends will be glad to learn his son, Corporal W. F. Washburn, stationed at Fort McKinley, visited him Thursday. These visits mean everything to the sick man, as well as to the sisters, who dearly love the only soldier brother.

Mrs. D. W. Hadlock and friend Mrs. Inez Shuffelburg, while driving near Wormwoods Crossing last week saw three beautiful deer cross the road. They were supposed to be Buck, Doe, and Fawn, as there was a great difference in their sizes one was very small. They did not seem to hear the team until right upon them, but, when they did they at once disappeared into the woods. They were a pretty sight.

Our Mailman has just bought a new horse "Teddy R." Sure he is getting to be a real old sport.

North Kennebunkport people are rejoicing, a big decrease in the taxes of said town, while Kennebunkport folks are kicking over a big increase. North Kennebunkport is a good place to live in only we think it should all be Kennebunkport. We love the town, the birthplace of our great-grandparents, too well to see a division, but we can't blame the No. Kennebunkport folks for not wanting to pay for things they did not have any benefit from. We wish there could have been some other way.

There is a large attendance at the High school many attending from Kennebunk Lower Village and the rural districts of Kennebunkport. There is also a large delegation from Cape Porpoise.

The house owned by Harry Gould is being repaired and a nice porch added. This is one of the best locations in town and the house is an old fashioned house; roomy and will be when done a beautiful place Contractor Meserve has the work.

Mrs. Ernest Benson has a garden of the most beautiful gladiolas ever seen still in bloom, despite the frost. Mr. Farrar also has had a beautiful display of these beautiful flowers.

Dr. K. B. Tracey who began practice here last winter is a very up-to-date and successful young Doctor he has a very large practice and is delighted with Kennebunkport.

Mrs. Mary Washburn of Elmira, N. Y., who met with an accident last July, which resulted in the breaking of one of the small bones of her hip and who was in the Webster Hospital several weeks returned to her home with her sister Mrs. Stone, is reported to be critically ill with no hopes of recovery. Mrs. Washburn lived many years in Kennebunkport but after the death of her husband W. H. Washburn went to N. Y. to live with her sister, Mrs. Stone, who owns a home there. Mrs. Washburn has the sympathy of her friends.

Miss Bell Nason and friend Mrs. George Cooper attended the Rochester fair Wednesday. Geo. Cooper Mrs. Cooper's son took them by auto. They report a delightful outing.

There are still quite a few summer visitors who are enjoying these delightful September days.

Mrs. Jennie Towne Haynes, celebrated her 77th birthday recently at her home. She was generously remembered by friends and she as usual did not forget her mail man, but gave him a share of her goodies which he and his wife greatly enjoyed. Mrs. Haynes in her girlhood days was one of Kennebunkport's best teachers and your correspondent remembers her as a pretty girl with curly hair and

such a dear teacher. I wonder if others at the Old Saco Road school remember the pleasant noon times to gether there. Sometime we will tell you more about those delightful days together. Mrs. Haynes is an up-to-date woman reading, understanding and remembering all she reads. She spends her summers at the old home and greatly enjoys them. Her winters are spent with her son and family at Townsend, Mass. Her many friends wish her many happy returns of the day.

We wish to say a word about our Soldier boys letters. We enjoy reading them especially those of Perley Knight, whom we know in a way. His grandmother was an old neighbor and we knew his father so of course feel interested in him, as we do in all of our soldier boys. We also enjoy our personal letters from the soldiers and we highly prize their pictures and cards. We feel it an exceeding great honor to be remembered by them. God bless them every one is the sentiment of our heart. We hope to read a letter in each weeks issue of the Enterprise.
