New Quarters 5th Maine Vol
April 28. 1864

John L. Hodson
Adjutant General
Augusta Me

Sir

I have the honor to respectfully recommend that 2nd Lieut. Walter Foss of Co "H" be promoted to 1st Lieutenant of Co "C" of this regiment.

Lieut. Foss has not been mustered as an officer owing to the reason that the Company to which he was assigned being below the minimum, and as he has volunteered, he would in all probability be reduced to serve as a Sergeant, perhaps as a Private upon the expiration of the term of service of the Regiment.

Very Respectfully
Your Obedt Servt

W. S. Edwards
