General

In closing my accounts with the Government I have two National Colors and one Regimental Camp Color to be accounted for One of the National Colors is at Augusta and the other is here,

What am I to do with them, or what do Regiments do ^{usually} with them

Dr Mr Gorman thinks they should be sent to Augusta to be kept there and that a receipt from you would clear me. Please inform me as soon as possible

I am Sir Very

Respy Yours
