

Greene Campus, Maine,
Oct. 17, 1864.

His Excellency,
Sam'l. Cony,
Governor of Maine,
Sir:

I have the honor to apply for a position in some of the regiments in the field from this state.

I am well aware of the difficulty of sending officers to regiments in the field, but there have been cases where it has done no detriment to the service. Having served a three years term, I am desirous of continuing in the service till this war is over, - till the rebellion is crushed.

If you can consistently
give me a position, I will
endeavor to perform its duties
to the satisfaction of all.

The "1st Maine Vet. Regt.," having
two companies formerly of the 5th,
would be most acceptable to me,
if there is a vacancy.

I include recommendations,
but the position named there,
although desirable, is not
the ultimatum; any field position
would be accepted.

I would be glad to have the copy
certified to and retained, and
the original returned to me.

I am, Sir,

Very Respectfully,
Yours Obedt. Servt.,
A. S. Haggatt.
