

This is to certify that I am personally acquainted with  
Simon Read and have visited him as a Phys<sup>n</sup> since he has  
been imprisoned in Bangor Jail, and found his bodily  
health feeble and his countenance having the aspect  
of despair bordering on insanity, and give it as my  
opinion that his life will be much endangered  
by a long confinement in close jail -

Bangor Jan<sup>y</sup> 19<sup>th</sup> 1822 -
