Poetry.

For the Ellsworth American. To a Friend.

BY FRANK MAURICE FIELDING

Thy once bright cheek is worn and wan, Thine eyes are dim with care; And gleaming midst thy "raven locks, Is many a grief bleached hair.

My heart grows sick with grief, I turn away to hide the tears That spring to my relief. As oft in richest fruit are hid Worms gnawing at the c re

Hid in thy heart, grief's "canker worm"

I cannot gaze on thee unmoved!

Will revel evermore. And Oh! in Heaven alone, can balm Be found for woe like thine, The cold and speechless, tearless grief That high, proud souls enshine

Miscellaneous.

Capt. Jack Ballast's Story.

My story? Well, I don't see why I shouldn't scratch it down. There's nothing to be ashamed of in it, so far as I know, and though you reg'lar story writers mayn't call it "romantie" I think the wind sets that way myself; and there's a Marble and Soap Stone Work bit of love in it, too, though you'd never think I was a subject for a love story to look at me. I'm old enough, d'ye see, to feei safe about the draft, and brown enough to be a Hotentot; and as for flesh-well, no matter; some of you slim young dan-We intend to keep constantly on hand a large dies will be as stout as I be, if pour live long. Besides, that fracas at Gibraltar didn't improve my looks. I'll tell you about that before the story is over. I reckplace; and we shall TRY to do so, with all who on; at present I'd better heave alread. Fat as I am, there was a time when I was as slender a young fellow as ever ship-ed afore the mast agin his parents' leave.

Then she let me kiss her. Perhaps kissed me back; and I cut off the yellow cirl I told you of with a pair of scissors—the only pleasant job I ever did with the confounded things in all my life.

That night I went away, and though I the school is close by. Fo. Broome street.

Then she let me kiss her. Perhaps kissed me back; and I cut off the yellow cirl I told you of with a pair of scissors—the only pleasant job I ever did with the confounded things in all my life.

That night I went away, and though I though I the school is close by. Fo. Broome street.

The she let me kiss her. Perhaps kissed me back; and I cut off the yellow surely; just mention a schoolmarm,—theless. Wait a little, give it time to get hold, say to yourself "I feel perfectly well it will soon pass off," and in a short time of the person who plays the organ—a high you will repent your folly in vain. I have seen many a one commit suicide in this mending this course of treatment. I have adopted it from suggestions of able and ex-

Most people live as though the last hour of time is sufficient to prepare for a when the attack comes in the form of diarrhea, these directions will enable every one to meet it successfully.

the But when the attack is more viously and there is vomiting, or vomiting and there is vomiting, or vomiting and there is summent to prepare in future state. Perhaps it was so with Queen Elizabeth, and she was left to exclaim at the close of life, "millions for an inch of time." O, sinner, do not neglect the opportunities you now have. lest you overdone it yourself Jack," she said, turning quite white and looking away from me.—
"You liked the sea best, and you've got it instead of me."
Those were the last words she said; and I was going away when I heard her give a little cry, and turning saw herarms stretchilittle cry, and turning saw herarms stretchility saw before is vomiting, or vomiting and purging, perhaps also cramps and eolic pains, the following mixture is far more effective and should always be resorted to The missionaries Messas. Long. Towbridge, and there is vomiting and purging, perhaps also cramps and eolic pains, the

The following reminiscences of Mr. Clay are from the pen of Hon. Thomas Ewing, who wrote them as a contribution

to a Sanitary Fair : "Mr Clay, with all his terrible power of denunciation, was, in ordinary debate pleasant and playful. When dealing with an ordinary adversary, he often reminded me of the lines in Milton's description of Eden before the fall :

'Sportive the lion ramped, and in his pass Dandled the kid."

arose, to make occasion, to punish it. About 1834 or 35 a matter of some interest was under discussion. A leading Whig or two had spoken, and two or three of the rank and file of the Democratic party, but That night I went away, and though I blubbered like a baby when I passed mother's door, you couldn't have coaxed me back again. What a man wants to he will be; and there are men meant from their cradles for the water as sartin as the fish are.

I got a letter from ald mammy that cut me up, I don't deny; but I knew she would come round, and I didn't guess the wall come round, and I didn't guess the wall come round, and I didn't guess the world come round, and I didn't guess to me that a man that sold rags was better than a sailor it took my breath away.

This was when I first went home dye see;

I got a letter from ald mammy that cut me up. I don't deny; but I knew she would come round, and I didn't guess the world come round, and I didn't guess to me that a man that sold rags was better than a sailor it took my breath away.

This was when I first went home dye see;

I got a letter from ald mammy that cut me up. I don't deny; but I knew she would come round, and I didn't guess the meant of the Democratic party, but I knew she would come round, and I didn't guess the meant guest the part of the man and the sold rags was better than a sailor it took my breath away.

This was when I first went home dye see;

I we stimable lady in reduced circumstances. I have a budy on their school is close by. F. B. Broone street. Some many a one commit suicide in this dent two or three of the man and address on a dapted it from suggestions of able and experienced physicians. Having been the one meant from the commences with vomiting. But in what the other was the such mother's converted that the noble and experienced physicians. But I have found on. In a very few homes the patient may sink into a collapse. The hands and feet should be the commences with vomiting. But in what the other was worst—how should I? When it first came to me that a man that sold rags was better than a sailor it took my breath away.—
This was when I first went home dye see;

Betsy was piping her eye, and Peg was to me that a man that sold rags was better brawling that she wanted to go home.—
Betsy was piping her eye, and Peg was to me the powers of the life are ebbing. The intellect remains clear, but have been most with the most malignant all the social and moral feelings seem out on every question that arose, with promptness and decision, while the Democratic leaders all the social and moral feelings seem out on every question that arose, with promptness and decision, while the Democratic leaders all the social and moral feelings seem out on every question that arose, with promptness and decision, while the Democratic leaders all the social and moral feelings seem out on every question that arose, with promptness and decision, while the Democratic leaders all the social and moral feelings seem out on every question that arose, with promptness and decision, while the Democratic leaders all the social and moral feelings seem out on every question that arose, with promptness and raging thirst torment the beautiful that the mobile Whigs came out on every question that arose, with promptness and raging thirst torment the beautiful that the mobile whigh cannot be about the promptness and raging thirst torment the powers of the life are beautiful that the most malignant are desired. cases day after day, are fully convinced of the non contagiousness of the cholera. The incipient attacks which all have suffered from are to be attributed to great fatigue, making the constitution liable to an attack. In another letter I will give you a description of the cholera as we saw it, and of some, other on a line with Mr. Clay. who. obviously, directed his remarks to one or both of thom. Mr. Wright looked up for a moment, picked with his finger the hair behind his ear, and turned to his writing; Mr. when Mr. Clay took his seat, arose and re-plied, with high indignation—was surprised back who innocently called to get some postage stamps printed! What is most to be desired is a Congress Court for contempt, for preventing the execution of a writ.

Judge Durrell says he might as well
close his Court at once, if its writs are to
be disregarded. M. C., if we understand his position, is an Anti-Johnson man. He supports Stevens and Summer in opposition to Mr. Johnson. His recorded votes show this, and we presume there is no question on this point. So far as one can see not in the "wing." Mr. Pike is planning to secure a re-nomination the present year. At present, the chances are decidedly in his favor. Except The Commercial's special Washington at Ellsworth, the Custom House influence Plea guilty. despatch says:

The Reconstruction Committee have agreed to report the following Constitution-that County, if possible, will be kept divided! Such being the fact, no competer in the county of the co nomination. His own position, the aid of Federal office-holders, the lavish use of money will give Mr. Pike the controle of the Congressional Convention and the same

the control of the election!

Now, we propose that their be no Couvention held by the Democrats, provided there is a man in the District who the stump as an independent candidate, and for State. put himself fairly, squarely, unequivocally apon the reconstruction platform of Andrew Johnson. R, H. EDDY, SOLICITOR OF PATENTS, Late Agent of the U.S. Patent Office, Washington under the Act of 1857. No, 78. State St., Opposite Kilby St.,

BOSTON.

A FTER an extensive practice of upwards of twenty A years, continues to secure Patents in the United States; also in Great Britain, France and other facility countries. Carests, Specificatione, Bonds, Assignments, and all papers or drawings for Patents, executed on reasonable terms with dispatch. Researches made into American and Foreign works, to deter mine the validity and utility of Prients of Inventions and legal and other advice readered in all matters touching the same. Copies of the claims of any patent furnished by remitting one dollar, Assignments recorded in Washington.

No Agency in the United States possesses superior facilities for obtaining Patents, or ascetaining the practicubicity of inventions.

During eight months the subscriber in the course of his large practice, made on texce rejected applications SIXTERN AFFEALS; eacry one of which was decided in his favor by the Commissioner of Paients.

Gregard Mr. Eddy as one of the most curable and successful practitioners with whom I have had official necrourse.

CHAS. MASON. CHAS MASON.

Commissioner of Patents,

"I have no hesitation in assuring inventors that they
can not employ a man more competent and trusturorthy, and more capable of putting their applications in a
form to secure for them an early and favorable consideration at the Patent office.

EDMUND BURKE."

TESTIMONIALS.

EDMUND BURKE.

Late Commissioner of Patents.

'Mr R. H. Eddy has made for me THIRTEEN applications, in all but ONE of which patents have been granted, and that one is now pending. Such unmissiakable proof of great talent and ability on his part leads me to recommend all inventors to apply to him to proceive their patents, as they may be sure of having the most faithful attention bestowed on their cases, and lat very reasonable charges.

JUIN TAGGART." Espacially designed for the use of the Medical Profession and the Family, and has all of those intrinsic medical qualities (tonic and diuretic) which belong to an old and pure (in. It has received the personal endorsement of over seven thousand Physicians, who have recommended it in the treatment of Gravel, Bropsy, Rheumalism, Obstruction or suppression of the Menses, Affections of the Kindneys, etc. Put up in pint or quart bottles.
