Recorded Vol 1 Page 127

State of Maine.

In Council, Oct 7. 1822.

The Committee of Council on Pardons, to whom was referred the petition of John Chadwick, late resident of Bath, in the County of Lincoln, mariner, praying for a pardon, having had their former Report on the subject re-committed to them, now ask leave to Report: That, in consequence of having received further evidence in relation to the circumstances under which the said Chadwick was convicted and sentenced, they are of opinion that a pardon ought not to be at this time granted; and therefore recommend that the further consideration of the subject be referred to the next session of the Council. Which is respectfully submitted.
