Mr. Walter A. Snow
Brooksville
Maine

Dear Mr. Snow:

We are certainly grateful to you for your offer of two typed copies of the genealogical history of Brooksville. They will be made available on loan to the public as well as here in the library.

If the margins are of good width, it will probably be possible for us to bind them.

Thank you so much for making these available to the State Library.

Sincerely,

RAH:BDH (Miss) Ruth A. Hazelton

Dear Sir:

I have recently completed a genealogical history of the town of Brooksville, Me. which includes all the families who settled the town and those who settled as late as 1860 or more. In about a month, if all goes well, I will have the manuscript typed, and have made two extra copies thinking the library might want them. If so, I would hope that they might be available to the public if they desire to use it, and be allowed to be taken from the library.

It consists of about 500 pages and has no cover or binding, but perhaps the library can have them bound or covered in some way.

If you are interested, would you please advise me, and I'll mail them when they are completed.

Respectfully, Walter G. Shaw
