It is supposed another election will be ordered to take place, Wednesday the 11th. -The Impeachment business came up in the House on Tuesday again, and the articles presented by Mr. Stevens and Mr. Butler, which had once been rejected, were adopted. It will be recollected that Mr. Butler in his article recites the speeches made by the President while 'swinging round the circle, charging him that he attempted to bring into disgrace Congress &c. which constitutes a 'misdemeanor.'

Vegetable Sicilian Hair Renewer Has stood the test of seven years

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGET-ABLEKINGDOM. It restores CREY HAIR TO ITS CRIGHAL YOUTH-FUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and fulling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, saft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.
