**Surficial Materials**

**Location:** Maine, USA

**Scale:** 1:24,000

**Contour Interval:** 10 feet

**True North:**

**Legend:**
- Dunes
- Mineral sands
- Gravelly sands
- Beach sands
- Beach drift
- Beach ridges
- Cohesive surficial material
- Non-cohesive surficial material
- Scour
- Ditch
- Pipeline
- Road
- Water body
- Building
- Vegetation
- Geologic boundary

**Key Features:**
- **Dunes:**
  - Mineral sands
  - Gravelly sands
  - Beach sands
  - Beach drift
  - Beach ridges

- **Cohesive Surficial Material:**
  - Dune washes
  - Scour

- **Non-cohesive Surficial Material:**
  - Ditch
  - Pipeline
  - Road
  - Water body
  - Building
  - Vegetation

**Explanatory Notes:**
- **Geologic Processes:**
  - Coastal processes
  - Tidal processes
  - Wave actions

- **Mapping Methodology:**
  - Geographic information system (GIS)
  - Aerial photography
