Appendix C1

HIGHWAYS REGULATED BY ACCESS RULES ADMINISTERED BY MDOT

Listed by County, Primary Route, and Type of Highway

This list is intended to be a guide. The Access Rules apply, but are not limited to, all highways represented on this list. All rural State Highways and State Aid Roadways are subject to the Rules. Contact the appropriate MDOT Division office for a determination on the highway section abutting the specific property and to determine which standards are applicable. Mobility Arterial Corridors, which must comply with additional standards, are shown with an "X" in the column to the far right of this chart. A description of the Mobility Corridors can be found in Appendix C2.

Note:

1. The highways listed are those outside urban compact areas. If a portion of a highway listed exists within urban compact limits, the municipality holds jurisdiction over access management. MDOT rules apply only to those portions located outside the urban compact areas.
2. Some portions of the state and state aid highways are listed with multiple classifications, in such instances, contact the appropriate MDOT Division office to determine the classification of the highway section abutting the specific property and to determine which standards are applicable.
3. Some portions of the state and state aid highways listed may also have portions designated as local, contact the appropriate MDOT Division office to determine the classification of the highway section abutting the specific property and to determine which standards are applicable.
4. E-911 name changes may not be reflected.
