CAUTION! OVERNIGHT PAVING

TUESDAY 6PM-6AM

Drivers! Please be advised that construction crews will be paving a short section of I-295 Southbound starting at 6 PM next Tuesday. As always, it will be very important to slow down and watch for signs indicating lane closures, works zones and lane shifts.

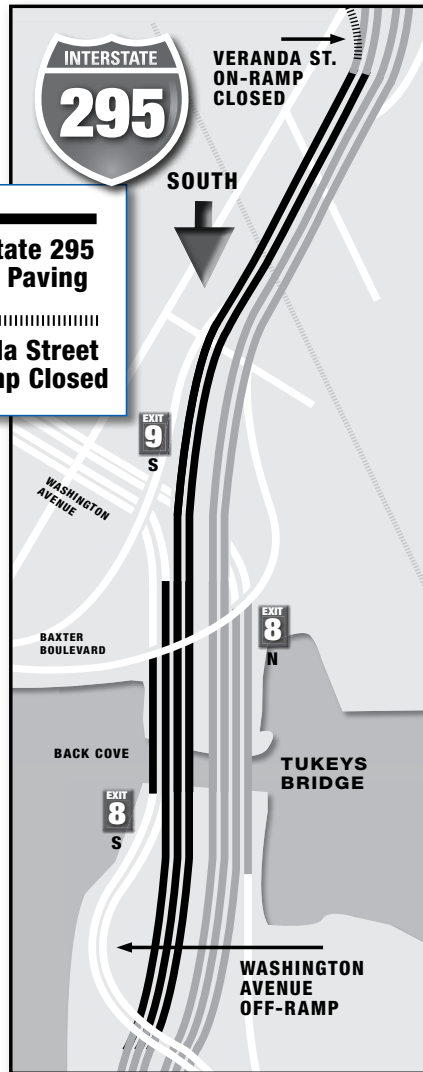

The work involves the southbound travel lane and passing lane from the Veranda Street on ramp over Tukeys Bridge to the off-ramp bridge to Washington Avenue, but one lane will remain open to traffic.

- **Veranda Street on-ramp will be closed**
- **Southbound passing lane will close north of Portland**

Southbound travelers should seek alternate routes as serious traffic delays are possible.

MaineDOT apologizes for the inconvenience, but the work is very intricate and affected by cool temperatures so we have to start earlier in the evening. Wet weather and cooler temperatures may delay the work, as well.

As we quickly approach the end of the I-295 Project, MaineDOT thanks you for your patience and safe driving.

MaineDOT

And remember — please pay attention and obey reduced speed limits when driving in work zones. MaineDOT thanks you for driving safely.
