N. W. EMERSON, M. D., Boston, Consulting Surgeon

Enlarged and newly fitted for the reception of any class of cases except those of an infectious or contagious character. Owing to the increased accommodations the prices have been adjusted so that the privileges of a private hospital can be secured at the same rates charged in the general hospitals.

Ward beds, \$10.50 to \$15.00 per week.  
Rooms with two beds, \$18.00 per week.  
Private rooms, \$25.00 per week.  
Special Nurses at the regular rates.

All the prices quoted above include board and general nursing. Many desire the personal care that can be secured only in a private hospital, but are unable to secure it on account of the high rates charged. For further information address

Why make a habit of cheerfulness? If you keep it up long enough, after awhile it will become a habit; after awhile, you will feather out with cheerfulness.

The census returns from Rhode Island and give that state a population of 542,674, as compared with 428,556 in 1900.

Last year's wheat crop of 737,189,000 bushels was next to the best of records. An excellent spring wheat yield, the best known, was largely responsible for that general result. This year's spring wheat will be probably 90,000,000 bushels below the total of 1909, when 290,823,000 bushels were grown, compared with 446,966,000 bushels of winter wheat. For 10 years the average winter wheat product is 416,852,000 bushels and 242,658,000 bushels for spring wheat.

**RAILROAD STATISTICS**

Mileage Now Nearly Quarter of a Million. —Million and Half Persons on Payroll. —Nearly Billion Passengers Carried.

The twenty-second annual report of the Interstate Commerce Commission, for the fiscal year ended June, 1909, just made public, states that the total amount of single track mileage was 236,868, an increase of 3,215 miles over the previous year; 57,212 locomotives were operated, an increase of 479; cars of all classes numbered 218,230, or 12,901 less than in the preceding year. Of the 2,275,492 of locomotives and cars, 2,214,907 were fitted with train brakes, an increase of 10,469, and 2,259,777 with automatic couplers, a decrease of 10,728.

The total number of persons on the payrolls of steam roads of the United States was 1,502,823, or an average of 638 per hundred miles of line.

The par value of the amount of railway capital outstanding is stated at \$17,478,868,935. Of the total capitalization outstanding there existed as stock \$7,686,278,545, of which \$6,215,382,485 was common and \$1,470,896,060 was preferred. Of the total capital stock outstanding \$2,766,104,427, or 35.99 per cent, paid no dividends. The amount of dividends declared during the year was \$23,971,626, being equivalent to 0.55 per cent, on dividend paying stocks. No interest was paid on \$718,351,332, or 5.7 per cent, of the total amount of funded debt outstanding omitting equipment trust obligations.

The number of passengers carried during the year was 891,472,455, an increase of 1,462,851. The number of tons of freight carried is stated at 1,556,559,741. The ratio of operating expenses to operating revenue was 66.16 per cent.

The operating revenues of the railways of the United States are given as (average) mileage operated, 232,981.11 miles, \$2,418,677,588; operating expenses \$1,599,443,410. Operating expenses averaged \$6.85 per mile of line. For 1909 one passenger was killed for every 3,523,696 carried and one injured for every 86,453.

## THE REPUBLICAN CAMPAIGN

Talented Speakers Will Be Asked to Explain Issues Involved in State and National Affairs.

Hon. Byron Boyd, of Augusta, chairman of the Republican state committee, is busy getting the machinery in motion for the campaign which will admit is liable to be of a strenuous nature in spots. Although the campaign opened as soon as the Republican state convention was held in Augusta, June 29, yet the corps of clerks will not take possession of the state headquarters there until the first day of August. At that time the work of sending out tons of campaign literature will begin. This literature will consist chiefly of documents defending the administration from charges of extravagance made by the Democratic opponents, dissertations on the merits of the present administration, and the Republican party.

The speaking campaign will not begin until Monday, Aug. 22, and from that time until Sept. 30, the Saturday night preceding the election, spell binders of the Republican persuasion will be heard in every nook and corner of the state, both afternoon and evening. Gov. Fernald will take the stump on the 22d of August and keep up the pace until the Saturday night before the election. He will make at least two speeches in every county in the state and his dates show bookings for many afternoon rallies. His excellency's last political speech before the regular stump trip will be tomorrow, when he will address the York County Republican Convention at Alfred.

Many speakers of national renown will be invited to participate in the campaign, including Ex-President Theodore Roosevelt, Senators Borah of Idaho, and Henry Cabot Lodge, of Massachusetts, and Congressman Nicholas Longworth, Ex-President Roosevelt's son-in-law, and Ralph D. Cole, of Ohio, Samuel W. McCall, of Massachusetts, Duncan McKimley, of California, W. A. Gaines, of West Virginia, and Foster, of Vermont.

It was thought at one time that Ex-President Roosevelt would make at least one speech in the state during the campaign, probably in the Second District, but this is not now believed possible as he is booked to speak in the Western states from August 25 to September 11. There is a bare possibility that Colonel Roosevelt may be induced to speak at Augusta once before the regular opening of the spell binding season on August 22.

Asher C. Hinds, of Portland, John P. Swasey, of Canton, and Frank E. Guernsey, of Dover, will take the stump in their districts, the First, Second and Fourth, to advocate their election as members of Congress and at the same time to disseminate Republican doctrine.

Former Judge Frederick A. Powers, of Houlton, and former Gov. William T. Cobb, of Rockland, both of whom are candidates for United States senator to succeed Senator Hale, will be invited to speak in the campaign, as will Hon. Herbert M. Heath, Frank L. Dutton, Thomas Leigh and Benedict F. Maher, of Augusta, Walter C. Emerson, of Portland, Attorney General Warren C. Phillips, Hon. William T. Haines, Dana P. Foster and John F. Nelson, of Waterville, Ex-Speaker Oscar F. Fellows, of Bucksport, Hon. For-

rest Goodwin, of Skowhegan, State Bank Examiner William B. Skelton and George S. McCarthy, of Lewiston, Hon. Harold M. Sewall, of Bath, A. L. Lambert, of Houlton, Hon. John A. Peters, of Ellsworth, Hon. George W. Heselton, of Gardiner, Judge L. C. Stearns, Hugo Clark and Ray W. Fellows, of Bangor, O. E. Frost, of Belfast, and Hon. Charles Sumner Cook, of Portland.

"The Republicans will carry the state in the biennial election this Fall by a good, substantial majority," said Chairman Boyd of the State Committee, Saturday. "Oh, I can't give you any figures at this time. I will give the figures on the 15th day of September, the day following the election. It surely looks good now and the tide seems to be turning stronger towards Republicanism as the time of the election draws near."

President Taft will be the fifth President to visit Bangor, the others being Grant, Arthur, Harrison and Roosevelt. Garfield and McKinley visited Bangor too but not during their terms of office.

It is believed that the census returns will show Bangor still behind Lewiston in the race for the position as the second largest city of Maine, says the Bangor Commercial. While it is, of course, impossible to make a definite statement at present, intimation has been received that Bangor is still a long way from the 30,000 mark. It is by no means certain that there are even 25,000.

## Terrible Suffering

Eczema All Over Baby's Body.

"When my baby was four months old his face broke out with eczema, and at sixteen months of age, his face, hands and arms were in a dreadful state. The eczema spread all over his body. We had to put a mask or cloth over his face and tie up his hands. Finally we gave him Hood's Sarsaparilla and in a few months he was entirely cured. Today he is a healthy boy." Mrs. Inez Lewis, Baring, Maine. Hood's Sarsaparilla cures blood diseases and builds up the system. Get it today in usual health form of chocolate tablets called Sarsatabs.

It is believed that the census returns will show Bangor still behind Lewiston in the race for the position as the second largest city of Maine, says the Bangor Commercial. While it is, of course, impossible to make a definite statement at present, intimation has been received that Bangor is still a long way from the 30,000 mark. It is by no means certain that there are even 25,000.

## THE PAYNE TARIFF

Eleven Months' Trial Shows It a Success. —Receipts for That Period Larger Than Any Previous Year Except 1907.

Imports exceeding by more than \$114,000,000 those of any previous similar period came into the United States during the first 11 months of the operation of the Payne-Aldrich tariff law, ending June 30 last. More than 49 per cent of these imports entered free of duty, being a larger percentage than in the corresponding periods of any previous year except 1897, the closing year of the Wilson tariff law, and 1892, 1893 and 1894 when sugar was admitted free of duty under the McKinley law.

Customs receipts during the 11 months' operation of the Payne tariff law were \$302,322,161, exceeded only in 1907, when the first 11 months brought in \$307,653,381 in customs receipts. These figures have been made public by the bureau of statistics of the Department of Commerce and Labor.

Under the Payne law the average ad valorem rate of duty on all imports has been 20.35 per cent, less than in any previous similar period since 1890 except in 1896, when it was 20.58 per cent, and in 1894, the closing year of the McKinley law, when it was 19.79 per cent.

On the dutiable imports the average ad valorem rate under the present law has been 41.19 per cent, which is less than in the corresponding period of any previous year since 1890 except in 1896, when it was 39.33 per cent.

Comparing the entire period of the operation of the present law with the entire period of the operation of the Dingley, Wilson and McKinley laws respectively, the average ad valorem rate under the Payne law is shown to be less than any of the others. Under the Payne law it has been 20.95 per cent. Under the Dingley law it was 25.48 per cent; under the Wilson law, 21.92 per cent, and under the McKinley law, 22.12 per cent.

In regard to the average ad valorem rate on dutiable merchandise, only the same is true. Under the Dingley law, it was 45.76 per cent; under the Wilson law, 43.82 per cent, and under the McKinley law 40.17 per cent.

The percentage of merchandise entering free of duty under the Payne law has been 49.14 per cent. Under the McKinley law it was 45.41 per cent. Under the Dingley law it was only 44.31 per cent, and under the Wilson law 48.82 per cent.

The figures for the Payne law include the first five days of August last, although the law did not become operative until Aug. 6. The returns to the bureau of statistics did not enable it to separate the business of those five days from that of the remainder of the month.

**LANDING PLACE NEEDED.**

Fire on Steamship James S. Whitney

Furnishes an Object Lesson.

The experience of the steamship James S. Whitney having a fire start in her cargo on July 15 when having passed Point Judith only half an hour before, while bound from New York for Boston, emphasizes again the need of promptly constructing at this harbor a landing place which has already been delayed so long. Had this public convenience been built the Whitney would not have been obliged to keep on for two hours and a half before she reached Vineyard Haven, Martha's Vineyard, where she could be beached and receive assistance.

The War Department and the committees in Congress having such matters in charge have been repeatedly urged to take prompt action to establish this aid to shipping with no satisfactory result as yet, however. As long ago, in fact, as October 26, 1907, the need of providing this harbor of refuge with a safe and suitable landing place or pier was called to the attention of the Secretary of War in a memorial signed by a special sub-committee to report on this work, and of which the late Admiral J. B. Coghlan was the chairman. The experience of the Whitney ought to make it pretty plain to those who have had any part in delaying the completion of this harbor that a landing place at Point Judith is needed, and especially so when consideration of the large number of passenger steamers that pass the point is taken into account.—Marine Journal.

**YOUR FAVORITE POEM**

Old-fashioned poetry, but choicely good. —Isaac Walton.

**The Old Professor**

The old professor taught no more. But lingered round the college walks; Stories of him we boys told o'er. Before the fire, in evening talks. I'll never forget how he came. To recitation, one March night, And asked our tutor to begin. "And let me hear these boys recite."

As we passed out, we heard him say, "Pray, leave me here a while, alone, Here in my old place let me stay. Just as I did in years long flown." Our tutor smiled and bowed consent, Rose courteous from his high-backed chair, And down the darkening stairs he went, Leaving the old professor there.

The lecture room was dark and bare, The old professor sat alone. The bust of Virgil seemed to stare Upon him with its eyes of stone. The lights shone here and there, outside; Stillness had spread through the entries wide, In every room all noise was hushed.

From out the shadows faces seemed To look on him in his old place— Fresh faces that with radiance beamed, And faces that had lost their youth. Although in years they still were young; And faces o'er whose love and joy The funeral anthem had been sung.

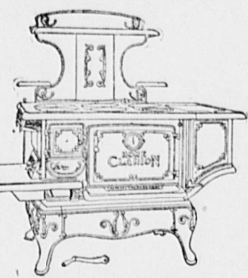

"These are my boys," he murmured then, "My boys, as in the years long past; Though some are angels, others men, Still as my boys I hold them fast. There's one I don't know his lesson now, That one of you is making fun, And that one's cheating; ah! I see, I see and love them every one."

"And is it then so long ago, This chapter in my life was told, Did all of them thus come and go, And have I really grown so old? No! here are my old pains and joys, My look once more is in my hand, Once more I hear these very boys, And seek their hearts to understand."

They found him there with open book, And eyes closed with a calm content; The name old sweetness in his look. There used to be when fellows went To ask him questions, and to talk, When recitations were all o'er; We saw him in the college walk, And in his former place no more.

—Fred W. Loring, Harvard '71.

## The Demand of To-day High Grade Clothing at Popular Prices

In trying to supply this demand the retailer finds considerable trouble in connecting with the right concerns. Because, while there are a large number of manufacturers making high-grade advertised lines for which the retailer is obliged to pay, in excess of the value of the clothes, the cost of advertising, there are also any number of manufacturers of cheap clothing.

OUR CLOTHES represent the product of the best makers, and you are here offered the opportunity to obtain really high-grade clothing at reasonable prices. Our increasing business should be sufficient proof that our clothes, at our prices, are in a class by themselves.

## OWLS

A few fellows—good fellows—not together, had a talk. Then a few other fellows—good fellows, joined them. That was in South Bend. There were Jno. W. Talbot, wit, lecturer, lawyer; Geo. Berth, whose ears have a knack of turning to fellows with trouble. J. Lott Losey was one of them and Frank Dunbar, who said, "Good fellows always die." It's proved—he's dead. J. W. Hill, celebrated as physician and philosopher, joined the company, and there were others. They were the nucleus. There was no attempt to build a society. This great modern fraternity was not made or organized. It happened—came about. It was the result of the attraction of fellows by other fellows, a force that has made many lodges and has members in all the states. That's the Order of Owls. It's the outgrowth of the best, the result of the evolution of hearts. It has become a great society of men who love, laugh and enjoy life as it flies, who help the sick, bury the dead, brighten dark moments, light up gloomy places. Some are not Sain's None are in Potter's Fields or Poor Houses. None are hungry. They do good, speak kindly, shake hands warmly and respect the honor of their women. They are the ORDER OF OWLS.

Pays—Sick benefit, accident benefit, disability benefit, death benefit. Furnishes free physician to your family. Furnishes you a free employment bureau. Furnishes you business patronage. Furnishes you social advantages. All for \$5.00—Charter initiation and 50 cents a month dues.

### The Universalist Mission Circle

will meet at Oakland next Thursday. The event is postponed from Wednesday on account of the Congregational fair.

The Rockland ball team will play in Warren Saturday afternoon. Although some of our talent is on the high seas with the Naval Militia the management is not without hope that it may have something more to its credit than a six-inning victory. The team will be accompanied to Warren by quite a number of fans, who will leave on the 1.50 p. m. car.

The 6th annual meeting of the Knox County Field Day Association, O. E. S., will be held at Oakland next Wednesday. Members will furnish their own picnic dinner and dishes, but coffee will be furnished free. The business meeting will be held in the afternoon at 2 o'clock followed by an entertainment. There will also be dancing after-noon and evening, an orchestra being in attendance. Members of the order are invited, but those who take guests not affiliated with the Star will be required to pay 25 cents for each of the latter.

J. H. Meservey, Rankin block, is having many calls for peach and orange ice cream. It is made from the best fruit to be obtained, and is delicious.

The Ladies of the First Baptist society will hold a sale of Cooked Food, cake, cookies and doughnuts at Snow's restaurant, Limerock street, Saturday afternoon from 2 to 5 o'clock. Telephone orders taken. Ring 53-3.

Persons wishing to consult G. T. Holt, eye-sight specialist, now at No. 22 School street, Post Office Square, should do so at once, as his stay is limited. Appointments preferred. Telephone 315-13.

Miss Katherine Johnson of Portland has been elected teacher of domestic science in place of Miss Marion Shaw, who resigned to accept a position in the Framingham, Mass. high school. Miss Johnson was educated in Deering high school and took the domestic science course at Simmons college.

Mrs. Sprague announces that the Cutting Club will picnic at the Cutting Farm, Glendale station, Warren, Thursday, Aug. 4, transportation announced later. The Methuen Half-Hour and Progressive Clubs, and Shakespeare Society invited to join. Report to Mrs. Sprague, or to Messrs. A. Crie, A. T. Blackington, C. F. Simmons, Miss Little Lawry.

The Penobscot Bay excursion trips are so popular that the announcement is hailed with joy when it makes its appearance at the season of the year. There are two notable trips, one to Vinalhaven on the steamer Gov. Bodwell and one to North Haven on the steamer Vinalhaven. The round trip tickets are 75 cents, although parties of five or more can get the 50-cent rate. These week-day excursions make an ideal outing if you have company which you wish to entertain.

The Eastern Steamship Co. announces "Invigorating Sunday Outing" on its line to Portland, Bangor, Belfast and Camden from now until Sept. 11 inclusive of the latter date. The round trip fare, Rockland to Bangor, or Rockland to Bar Harbor on steamer James T. Morse) is only \$1.15, which is the lowest and least expensive Sunday trip that anybody can get. When the sun is scorching the land there is ever a cool breeze circulating up and down the beautiful Penobscot. What remains to be said?

See "The Milliner Man" at Syndicate hall, Glen Cove, Wednesday evening, Aug. 3.

The Congregationalist fair will be held in the vestry of the church Wednesday afternoon and evening, Aug. 3. Many novelties will be on sale as well as aprons, towels, linen articles, fruit, and other goods. The fair will be held from 2 to 5 p. m. car.

The Rockland ball team will play in Warren Saturday afternoon. Although some of our talent is on the high seas with the Naval Militia the management is not without hope that it may have something more to its credit than a six-inning victory. The team will be accompanied to Warren by quite a number of fans, who will leave on the 1.50 p. m. car.

The 6th annual meeting of the Knox County Field Day Association, O. E. S., will be held at Oakland next Wednesday. Members will furnish their own picnic dinner and dishes, but coffee will be furnished free. The business meeting will be held in the afternoon at 2 o'clock followed by an entertainment. There will also be dancing after-noon and evening, an orchestra being in attendance. Members of the order are invited, but those who take guests not affiliated with the Star will be required to pay 25 cents for each of the latter.

J. H. Meservey, Rankin block, is having many calls for peach and orange ice cream. It is made from the best fruit to be obtained, and is delicious.

The Ladies of the First Baptist society will hold a sale of Cooked Food, cake, cookies and doughnuts at Snow's restaurant, Limerock street, Saturday afternoon from 2 to 5 o'clock. Telephone orders taken. Ring 53-3.

Persons wishing to consult G. T. Holt, eye-sight specialist, now at No. 22 School street, Post Office Square, should do so at once, as his stay is limited. Appointments preferred. Telephone 315-13.

## A Storekeeper Says:

"A lady came into my store lately and said: 'I have been using a New Perfection Oil Cook-Stove all winter in my apartment. I want one for my summer home. I think if only women knew what a comfort these oil stoves are, they would all have one. I spoke about my stove to a lot of my friends, and they were astonished. They thought that there was smell and smoke from an oil stove, and that it heated a room just like any other stove. I told them of my experience, and one after another they got one, and now, not one of them would give hers up for five times its cost.'"

The lady who said this had thought an oil stove was all right for quickly heating milk for a baby, or boiling a kettle of water, or to make coffee quickly in the morning, but she never dreamed of using it for difficult or heavy cooking. Now—she knows.

Do you really appreciate what a New Perfection Oil Cook-Stove means to you? No more coal to carry, no more coming to the dinner table so tired out that you can't eat. Just light a New Perfection Oil Cook-Stove and immediately the heat from an intense blue flame shoots up to the bottom of the pot, kettle or oven. But the room isn't heated. There is no smoke, no smell, no outside heat, no drudgery in the kitchen where one of these stoves is used.

Cautionary Note: Be sure you get this stove—see that the name-plate reads "New Perfection."

## New Perfection Oil Cook-stove

It has a Cabinet Top with a shelf for keeping plates and food hot. The nickel finish, with the bright blue of the chimneys, makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.

## THE FALL WEB WORM

Entomologist Hitches Offers Some Advice Which Tree Owners Should Heed.

From present appearances there is no doubt but that the nests of the fall web worm will be much more abundant this coming season than they were last year. In fact, in all sections that we have visited during the past week all the fruit trees, the wild cherries, many of the elms and even the alder bushes are covered with this conspicuous web. It proved to be a serious pest with us last year, especially in the young orchards.

All who are interested in the future of our movement for better fruit should at once lend a hand in getting rid of this pest as far as possible. Spraying at this time will do no good; it is too late. The recommendation given from the Department to spray during the first week in July, if followed out, would have completely destroyed the young caterpillars as soon as they hatched from the eggs and thus prevented the unsightly nests that are sure to follow.

The caterpillars are now "concealed" under the tent of their own construction, and as they feed they rapidly push this tent before them so that they are secure from any intrusion either by birds (and but few of these will touch them) or the spraying material that might be applied.

One should go over the trees thoroughly and remove by the ordinary pruning shears all twigs that are infested. In some cases the eggs are just hatching and the leaves are being curled by the young caterpillars for the web, so that a careful inspection is needed to secure them all. In other cases the webs have already extended over large limbs. We saw one tree this morning that had eight separate nests quite well developed. It is a well known fact that if these are neglected they may destroy whole orchards, especially of young trees, as some can be seen on the trees in the city.

Do not wait, even though the duties of an active haymaking campaign are on at this time, as in a few days serious damage may have been done to young trees. Be sure to remove these nests and burn them, as no other method of destruction would be as satisfactory. If left on the ground many of the caterpillars will return to the trees and form new webs. This is a serious matter and should be attended to at once.

E. F. HITCHES, Entomologist.

Never leave home on a journey without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to cure the worst cases and can be obtained when on board the cars or steamships. For sale by Norcross Drug Stores and W. H. Kittredge, Druggist.

## SOMEBODY HAS MONEY.

Millions Are Being Spent Abroad in Purchase of Luxuries.

Prosperity in the United States is on the increase. Purchases abroad by Americans during the past year of works of art, diamonds, fine furs and champagne can be taken as a criterion. Whereas there was brought into this country during the fiscal year 1909 only \$3,800,000 worth of art works, millions of dollars and citizens brought in during the fiscal year just closed art works to the value of \$21,100,000. In diamonds the increase was from \$24,100,000; and in undressed furs, from \$1,400,000 to \$11,000,000.

While no more automobiles were imported last year than during the previous 12 months, their value in each case having been \$2,900,000 this is accounted for by the fact that most Americans are buying machines of home make; whereas \$4,400,000 worth of automobiles were exported in 1909, this country sent abroad this past year \$9,000,000 worth. Increases are shown by the figures prepared by the bureau of statistics in imports of many other articles; and the total increased from \$2,219,000,000 in 1909, to \$1,558,100,000 last year. The imports of manufacturers' materials during the fiscal year 1910 were the largest on record.

The exports of manufactures for the year also exceed those of any previous year. The value of the exports was \$1,710,000,000, an increase of \$72,000,000. The increase in the imports was \$245,000,000.

## STATE CHAT

Mayor John F. Fitzgerald of Boston has taken a cottage at Old Orchard for the season.

According to an announcement made Wednesday morning by President Graham of the Bangor Railway & Electric Co., the construction of a new electric road from Bangor to Northern Maine Junction is extremely probable within the next few months. It is to be a passenger and freight line, and its construction means large business and economic possibilities for the citizens of Bangor and vicinity.

The Putnam House at York, itself over 100 years old, contains many interesting relics says the Old York Transcript and probably the most interesting is a whistling tankard which derives its name from the fact that the tankard, turned upside down, shows a whistle, on which the owners used to summon the servant. The tankard will hold about a quart and a half of liquid. It is in excellent shape, being smooth and bright. On the front is engraved the coat of arms of the Moulton family.

Unless the present plans of a group of eastern Maine sportsmen who have the game interests of Maine at heart go astray, it is possible that a bill will be introduced at the next session of the Legislature at Augusta providing for the introduction and breeding of English pheasants by the State Fish and Game commission. The experiment has already been tried in New York state with great success. And the conditions in Maine are so very similar that the plan feels certain of its success here.

Automobile registration at the office of the secretary of state is still lively, and the applications are coming along rapidly. In order to prevent this loss of the total number of registrations, the date from the time that the law went into effect in 1905 is 6,511 and the total number of licenses issued to dealers 7,279. The records at the office show that up to Monday noon 27 more machines had been registered than during the whole of the year 1909. The number of machines which have been registered thus far during the month of July is 182.

Notice has been received at the fish and game department that the small trout brooks in various sections of the State and in Oxford and Franklin counties in particular are drying up and that there is from this source grave danger of a serious loss in the trout supply of those waters. It is also reported that the smaller trout in these brooks are dying in quite large numbers. In order to prevent this loss as much as possible the department is making arrangements for the wardens to visit these brooks and transfer the trout to deeper pools farther down the brooks or to the ponds nearby.

The union of all Baptist churches in home and foreign missions may follow the action of the annual general conference of the Free Baptist church at Orono, Maine, and at the annual reunion of a committee of 12 to develop the possibilities of drawing together all branches of the Baptist denomination, the conference approved its views upon the unification and co-operation in home and foreign missions. A vote of 61 to 17. A resolution to make the vote unanimous was defeated, delegates opposing being pledged by their constituents. That the unification was indicated by the report of the committee, which declared that 90 percent of the other Baptist churches had accepted the idea.

An interesting character is Samuel Giles of Aurora, who will celebrate his 100th birthday in a few weeks. Last fall he told his son to get up a large lot of cord wood for him to saw and split through the winter, as he did not want to rust out. Mr. Giles has a wonderful memory and at the annual reunion of the Giles family he is one of the principal speakers. His talk is along the lines of history, and his recollections take him back nearly or quite 95 years. Mr. Giles has been twice married and is the father of 19 children. And all that is what makes him a remarkable character. He says that after he celebrates his 100th birthday he wants to die, as he can see no particular object in living any longer.

## ARE OF SPECIAL VALUE TO WOMEN

Dr. Williams' Pink Pills Are a Wonderful Tonic for Both Sexes but Most Women's Special Need of a Blood Builder Makes the Remedy Invaluable to Them.

Every woman at some time in her life needs a good tonic for the blood. Most of the ills from which they suffer are due to impure or impoverished blood, for in addition to the cares, worries and work of her daily life, a woman must undergo unusual demands upon her strength at special times. Unless the blood is fortified to meet these added burdens, some form of weakness is certain to result.

One of the most common forms of weakness due to impoverished blood and a consequent run-down condition of the health is leucorrhoea. The fact that Dr. Williams' Pink Pills have cured this disagreeable trouble will be welcome news to suffering women.

The pills thoroughly remove the cause of this and other forms of weakness by building up and purifying the blood. The health-bearing stream of pure blood which they furnish strengthens the entire body until health is restored.

Miss Eliza Richards, of No. 18 Wayne Lane, Wilkes Barre, Pa., who is manager of the McDowell School of Dressmaking, says:

"A few years ago I was troubled with leucorrhoea and had almost given up hope of getting well. I was engaged in dressmaking at the time and this tended to keep me sick. I was generally run down, lost ten pounds in weight and later began to suffer from indigestion. I had severe pains in the stomach, became easily fatigued and was often dizzy.

"I was advised to try Dr. Williams' Pink Pills and did so. I used them just as directed and was greatly benefited after giving them a trial. A few boxes entirely cured me and I haven't had to take any medicine since the past few years. I have always recommended the pills whenever I have had the opportunity."

Dr. Williams' Pink Pills have been so successful in curing the characteristic ailments of womanhood that they are justly regarded as a specific for anemia or bloodlessness, chlorosis or green sickness and weak nerves.

If you desire full information about this treatment, write for a copy of our free booklet, "Plain Talks to Women." Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.

She was born July 5, 1835, was married first to George Richards of Camden, who died, then she married the late Nathaniel G. Simmons of Appleton. Her last husband was the late Augustus Vaughn of Union. Among relatives from other towns present at the funeral were Augustus Simmons of Rockland, Mr. and Mrs. W. Pease of Thomaston, Mrs. Minnie Bachelder of Camden and Mrs. Annie McMahon of Thomaston.

The haymaking season is nearly ended here. Weather for harvesting the crop has been unusually favorable, and the quality and quantity much better and larger than was cut last year.

Miss Mildred Wentworth was here from Belfast Sunday, returning to the Girls' Home, where she is employed, in the afternoon.

Those Pies of Boyhood How delicious were the pies of boyhood. No pies now ever taste so good, what's changed? The pies? No. It's you. You've lost the strong, healthy stomach, the vigorous liver, the active kidneys, the regular bowels of boyhood. Your digestion is poor and you blame the food. What's needed? A complete toning up by Electric Bitters of all organs of digestion—Stomach, Liver, Kidneys, Bowels—That's They'll restore your boyhood appetite and appreciation of food and fairly saturate your body with new health, strength and vigor. 50c. at Wm. H. Kittredge, Rockland; G. I. Robinson Drug Co., Thomaston; R. W. Wiley's, Vinalhaven.

METROPOLITAN LINE FIRE. The fire which on Saturday, July 16th, totally destroyed Pier 14, North River, New York, made ship work of the splendid new home of the Metropolitan Steamship Company. The fire was discovered at about 12:45 p. m. and in an hour the entire pier was consumed. There was nothing saved, the company offices and their contents being entirely destroyed. While the fire was at its height, arrangements were being made for a continuance of the business at other quarters. The Harvard was lying on the South side of Pier 14 and went out into the river under her own steam. At about 3:30 p. m. she came to her birth at Pier 9 N. R. and sailed at 5:30 p. m. only 30 minutes late, with a full passenger list. At 2 p. m. a dock of ice, baggage room and telephone had been installed and were in operation at that pier. The business of the Metropolitan Line was conducted at Pier 9, N. R. previous to June 1st, when the company removed to Pier 14 N. R. so that the Harvard and Yale and the Metropolitan Line freight boats are back to their old location where they will remain until Pier 14 is rebuilt or until other equally satisfactory premises can be arranged for.

\$100 Reward, \$100 The readers of this paper will be pleased to hear that there is a cure for the disease which has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

The third annual fair and supper was held Tuesday afternoon and evening at the Y. M. C. A. rooms, under the auspices of the Ladies' Auxiliary. The dining room and gymnasium were made most attractive by the booths of different colors. At the right of the entrance was a most showy booth where flowers were sold by Miss Helen Spear; the decorations were of green and white. Opposite this was a fish pond in charge of Miss Gertrude Grinnell and Miss Olive Libby. Red was the color used in the decoration of this booth. In a booth of heliotrope and

white presided over by Mrs. Kate C. Sherman and Mrs. A. W. Rich, delicious and refreshing fruit punch was sold and was well patronized. At the left of the room was a candy booth of pure white in charge of Mrs. M. W. Spear and Miss Kate Spear, where the choicest confections were sold. Many useful and costly articles of linen were exhibited by Mrs. C. A. Carleton from a corner booth of pink and white. As one entered the gymnasium they were attracted by a large booth which had for its color scheme yellow and white and where were exhibited fancy articles of every description including many pieces of choice embroidery. This was presided over by Mrs. Chester L. Pascal, Mrs. E. A. Morrill, Mrs. C. D. Jones, Mrs. E. E. Pales and Mrs. R. T. Spear. At this table was exhibited the loving cup won by the Rockport Y. M. C. A. baseball team at Oakland Park, July 4th, 1910. At 6.30 o'clock a most appetizing supper was served. In the banquet hall the supper was in charge of Mrs. Addie Jenkins, who was ably assisted by Mrs. O. P. Shepherd, Mrs. Lucy Cortell, Mrs. Martha Piper, Mrs. Josephine Wooster and Miss Minnie P. Shepherd. At 7.45 in the gymnasium a pleasing concert and entertainment was given.

The music furnished by the Collins orchestra of Boston was of a high order and greatly enjoyed. The comedy was under the direction of Mrs. C. D. Jones, who deserves credit for the excellent training which was shown by each of the characters in the amusing comedy. Upon the bulletin board was the reply to an invitation extended to President Taft by Secy A. Y. Stevens to be present on the occasion which read as follows:

White House, Washington, On board U. S. S. Mayflower, July 23, 1910:

My Dear Sir—Your letter of the 21st instant has been received and the President heartily appreciates the kind invitation extended to him by the Rockport Young Men's Christian Association. Owing to the limited time allotted for his trip however, he regrets that he cannot send an acceptance. He trusts that he cannot send a copy of the program to which he is already committed. Conveying the President's thanks for your invitation, I am, Very truly yours,

Charles D. Norton,

Secretary to the President.

Mrs. Sarah L. Pascal, the efficient president of the Ladies' Auxiliary and her able assistants are to be congratulated upon the success of the occasion.

## In Social Circles

Forty members of Miriam Bebekah Lodge had a very pleasant picnic at Oakland Wednesday. The program included some bridge, moving pictures, a picnic supper and "then some."

Miss Alice L. Walker of Springfield and Miss Lillian Maxfield of Holyoke, Mass., are visiting Miss Alice Williams.

Capt. M. A. Achorn of Portland has been shaking hands with some of his many Rockland friends this week.

Fred Atkins of Waterville is visiting his former home in this city. Mr. Atkins is employed in the Maine Central car shops at Waterville.

A. P. Irving of Ayer, Mass., a former superintendent of Rockland schools, has been in the city during the week. He is spending his vacation in Round Pond.

Dr. E. W. Gould and family and Mrs. I. E. Luce and daughter Bertha are occupying the Macomber cottage at Crescent Beach.

Miss Mary Mills of Somerville, Mass., and Mrs. Grace Cook of Newport are guests of Mr. and Mrs. W. L. Benner.

Miss Edith Watts, who has been stenographer in The Huston-Tuttle Book Store, has accepted a like position in the old book store to be established in Portland by A. J. Huston. She will begin her duties Sept. 1.

Mr. and Mrs. Frank L. Gray, Lucian and Ellnor Gray of Portland, made a brief stop in this city Wednesday en route to Bangor and returned. They are making a two weeks' cruise along the coast in their yacht, in the interest of Gray's Business College, of which Mr. Gray is proprietor.

Misses Jessie and Ruth Parker of Haverhill, Mass., are guests of their grandmother, Mrs. M. M. Parker, Warren street.

Mrs. J. Frank Keyes and daughter of Worcester, Mass., are guests of E. H. Cameron, Pleasant street.

Miss Katie Fales is at her home on Maverick street for the summer vacation.

Miss Mildred Flint has been spending the past week at Vinalhaven.

A. T. Bliss and wife, the latter formerly Grace L. Sherman of Appleton, now of Boston, have been spending a week at Mrs. Bliss' camp at the lake in Appleton, and have been visiting L. F. Starrett of Rockland, and were the guests of Mr. and Mrs. Annis on Saturday last. Mr. and Mrs. Bliss will return to their camp for a week or two in September.

Miss Elsie Livermore, who is well known in this city, is now at Belgrade, in a camp where there are girls and women counselors. Miss Livermore's duties are pianist for gymnastics and dancing; also to read aloud during the "Rest" hour. She stays at the "camp" until September, when she goes back to Boston, consequently will not be able to give one of her choice entertainments in Rockland, as she has in years past, in the interest of the Old Ladies Home, the proceeds of which have helped to fill the coal bin.

Miss Elizabeth Fuller left Wednesday for a few days' visit in Wadsworth, where she will be a guest of Miss Madeline Conner.

Mrs. Southwick of New Jersey, and the Misses Marguerite and Helen Webb of Texas, are guests at Miss Annie Frey's, Summer street.

L. D. Anderson of Lynn, Mass., is visiting C. E. Rising.

Rev. C. W. Bradley and family of Bath are cottaging at Battery Beach this week. Mr. Bradley is a former pastor of the Methodist church, and father of C. W. Bradley, Jr., instructor of manual training in our public schools.

Mr. and Mrs. Wm. J. Perry are chaperoning a jolly party of young people at Lake View cottage, Nobleboro, consisting of Ethel Perry, Iris Emery, Beatrice Emery, Edna Porter, Mildred Ryan, Walter Goodwin, Providence, R. I., Leo Brett and Roy Brett, Braintree, Mass., Harrison Charles Perkins, Boston, Mass., Karl Foyler, Thomaston, Maine, Tomlinson, Damariscotta, Maine, and Arthur Ellwood, New York. Sunday was a great day for the crowd. It was reported that they killed 3000 mosquitos and that 3000 more came to the funeral.

Mrs. Fred P. Porter and daughter Rachel, who have been visiting her mother, Mrs. Amos Fiske, of this city, has returned to her home in Kellogg, Idaho.

Mrs. Charlotte Smith and daughter, Miss Jennie Smith, of Fargo, N. D., are visiting Miss Julia Hills.

Charles E. Smith and wife of Newport are visiting the Misses Farwell at Cooper's Beach. Mr. Smith is the Republican nominee for representative to Legislature from his town.

Mrs. Alvah Staples and daughter Zella have returned from an outing at Northport. They were accompanied by Mr. Staples, who was their guest over Sunday.

Mrs. Jessie McLain and daughter Marion of Bremen have been guests of Mrs. W. R. Stewart.

Dana Higgins of Brookline is visiting his brother, James Higgins, Bunker street.

Mrs. Arthur Gordon and son Willard are guests for the summer of her parents, Mr. and Mrs. Wm. Wardwell at the Highlands.

Mrs. Geo. Perrow and two daughters of Portland are guests at the home of Henry Smith.

Miss Marguerite Landers of Hurricane was the guest of the Misses Rose and Evelyn Sullivan on Sunday. Miss Elizabeth Landers was their guest on Taft day.

Miss Ida Dolph of Camden visited Mrs. Martha Moody, Tuesday.

Mrs. Cockrell and daughter Elsie, who have been spending the past few weeks with their aunt, Mrs. T. H. McLain, left Thursday on the 10:10 train for Boston en route to their home in Bristol, England. After spending a few days in Boston, they purpose making a short visit with Mrs. H. A. Bass in Springfield, then on to New York for a few days, returning to Boston, and sailing on the Saxonia for Liverpool the 16th of August. By their pleasant and genial ways, they have won many warm-hearted friends in Rockland, who assembled at the residence of T. H. McLain, Monday evening to express their kind wishes and bid them good-bye.

Mrs. E. D. Smith and little daughter Esther of Dover, N. H., are the guests of Mrs. Alva Clark, Warren street.

H. A. Butfum and W. O. Fuller, accompanied by their sons David and Richard, left Wednesday morning en route to Debsconeg Lake, in northern Maine, where they will enjoy a ten-days fishing trip, occupying a camp belonging to W. S. Richardson and Major Talbot Aldrich of Boston.

Mrs. H. C. Goding and Mrs. Margaret Robbins of Hope, were guests of Mrs. F. G. French, Admontem avenue, Tuesday.

At the Penobscot View Grange dance last Tuesday night, the crowd was the largest in the history, since the popular hall was opened.

Miss Minnie Prescott has returned

from an extended trip to Belfast and is stopping with her sister, Mrs. J. E. Stevens, Granite street.

E. Clyde Thomas of Pawtucket, R. I., has joined his family at Crescent Beach for two weeks' stay. His sunburned features indicate that he has already renewed his acquaintance with the deep-sea fishing grounds.

Mrs. G. E. Clark and Mrs. F. M. Leavitt visited friends at Wiley's Corner and Clark's Island last week.

"The Duds" recently gave a progressive supper in honor of Miss Ruth Bird of Boston. The first course was served at the home of Miss Madeline Burrows, who was assisted by Miss Rose Davis; the second at the home of Miss Katherine Spear, who was assisted by Miss Ruth Blackington and Miss Geneva Rose; the third at the home of Miss Helen Fuller, who was assisted by Miss Bernice Fernald, and the fourth at the home of Miss Dorothy Bird, who was assisted by Miss Gladys Williams. "The Boys" joined the party in disposing of the last course, which consisted of fruit punch and cakes. The affair was voted no end of a success.

George K. Robinson of Norway was the guest of Mr. and Mrs. L. S. Robinson over Taft-day.

Mrs. Theresa Huntley of Camden is a guest of her aunt, Mrs. Edgar Davis, Pacific street.

Mrs. Augusta Barnard of Union was the guest of her nephew, C. A. Barnard, last Monday. It was her first visit here in 25 years.

With Bert Keen as skipper and the good sloop Lizzie Emma as means of transportation a jolly fishing party recently spent a day on the Green Island grounds. The bold fishermen were Miss Winnie Simmons, Miss Edna Simmons, Mrs. H. H. Randall, Mr. and Mrs. C. E. Moores, Sadie Handy, Mr. and Mrs. C. S. Decker, Dr. Miller, Mrs. Elizabeth Craig, Mrs. H. S. Miller, Miss Pauline Herring, Leon Herring, Miss Lena McPhail, Mr. and Mrs. G. H. Kidder, Charles A. Keen and Howard Welch.

Vinalhaven Won from Warren in Exciting "Taft Day" Game on the Broadway Ground.

Knox county fans, and many who came from beyond its borders, were treated to a free admission game at the Broadway ground Tuesday afternoon, it being part of the Taft-day entertainment furnished to the excursionists.

The attendance was about 800, and was apparently well divided in its partisanship between the Vinalhaven team and Warren team.

The game was a crackjack, ending 2 to 1 in favor of the Islanders. The winning score was made in the 8th inning on Smith's double. Harry Sanborn, the Vinalhaven pitcher, was the hero of the occasion, pulling his team out of several bad holes. The deepest one was in the 7th inning, when, with the bases full and nobody down, Warren was unable to score. Sanborn in that critical juncture struck out two men and the third sent an easy grounder to second base. Gray's work at second was the feature of Warren's playing. Brown hit the K hard, but his work with the sweat-slick was rendered null and void by Sanborn's execution with the succeeding batsmen.

Warren is still confident that it can beat the Islanders and is longing for the return game. The score:

WARSHIPS IN AUGUST

The armored cruisers Tennessee, Montana and North Carolina will arrive at Rockland, Aug. 22, remaining until Aug. 25. These dates are of course subject to any untoward occurrence prior to that time, and also to weather, but the department sees no reason to expect that they will not be met. The three vessels constitute the First Division of the U. S. Atlantic Fleet; and will be under the command of Rear Admiral S. A. Staunton, U. S. N., as division commander.

THE LAND OF OZ

Bring All the Kids—the Grown Ups and Be There Early.

Selig's third edition of the "Oz" series has arrived and we can assure our patrons that it is far superior to the two preceding subjects, "The Wizard of Oz" and "Dorothy and the Scare Crow in Oz." We and our little friend Dorothy and her happy companions successfully combating circumstances in the Mystic City of the Emerald Isle. The rebellious army of General Jinger showing myriads of Leith soldiers in glittering array. No time or expense has been spared by the Selig Polycope of Chicago to make the Land of Oz one of the most interesting and entertaining of all fairy stories in film pictures. Remember when you see a Selig picture you are seeing the best that money can produce. Dreamland Theatre Friday and Saturday. The vaudeville for the remainder of the week, Mae Maxfield, in an up-to-date singing and dancing act. Miss Maxfield is an old friend to Rockland theatregoers, and is sure to please all patrons in her new act, which by the way, is the nearest seen at Dreamland for a long time. Only three more days left in which to send in a name for the new little theatre on Park street. Who's going to be the lucky one?

The Next Time You Go Shopping

Visit any store where house furnishings are sold and ask to see some household and kitchen articles made of Indurated Fibre Ware. You will like this ware better than any you have ever seen and you will find many articles for which you probably have immediate use.

# Indurated Fibre Ware

has all the easy-to-clean hardness and smoothness of glass, yet it won't crack or break. It has the durability of iron, but never rusts. Unlike galvanized iron, it will not taint food or acid fruits. It is lighter than wood, but can't leak because it is moulded out of wood-pulp into one piece without seams or joints.

You can get Indurated Fibre Pails, Wash-tubs, Foot-tubs, Wash-basins, Pitchers, Water-coolers, Milk-pans, Bread and Butter Bowls, Waste-baskets, Slop-jars, Toilet Sets, etc.

## Try This "RICHMOND" Suds-Maker Free

You simply turn the faucet and the "RICHMOND" Suds-Maker delivers thick, hot suds. It does not in any way interfere with the hot water faucet and can be easily attached to it. It gives you instead, two faucets—one for clean, hot water—the other for thick, hot suds.

Think of the dozens of ways this ingenious device will cut down the work in the kitchen! Learn what it means to save hundreds of steps every day—to always have thick, creamy suds on tap. The "RICHMOND" Suds-Maker gives you any quantity of soap and water thoroughly mixed in scientific proportion—it is always ready to meet your instant needs. It puts an end to the drudgery of dish washing—simply place dishes, silver, glassware under its creamy suds for an instant, then just rinse and wipe. It puts an instant, automatic end to waste, to unsightly soap dishes, to the nuisance of using up the cold and ends of soap. Use any kind of soap.

Just call on the plumber whose name appears below and ask to see the "RICHMOND" Suds-Maker. He will let you take one home to try. Use it ten days—then if you think you can spare it, return it, for the trial places you under no obligation to buy. This is your chance to learn about the greatest convenience, money and time saver you can install in your kitchen. Call today.

REMARKABLE RECORD

Flesh-forming Food That Succeeds Nearly Every Time.

A man or woman might as well starve outright as to take food into the stomach and not have it assimilated, yet in Rockland as well as in every other town and city, there are many people who are thin, pale and seem underfed, simply because the food they eat is not assimilated, and fails to make good blood and firm flesh.

Samoset, the wonderful flesh-forming food, taken before or after meals, mingles with the food, so that it is assimilated by the system and makes rich blood and pleasing plumpness.

Anyone who is thin, weak, scrawny and emaciated can put 50c on deposit with C. H. Pendleton and take home a box of Samoset. If the treatment does not give a noticeable increase in good, firm flesh and restore strength and health, he will return the money without any questions.

Sent postpaid on receipt of price, 50c.

## THERE are three different kinds of Ginger Ale:

Domestic,  
Imported and  
CLICQUOT CLUB

Those who have tried all three kinds, prefer Clicquot Club, because it lacks the burning sting in other ginger ales, caused by the red pepper, and because its quality and taste are indeniably superior.

## Clicquot Club Ginger Ale

(Pronounced Klee-oh Club)

The best fresh ginger and the best sugar (not saccharine) are used in Clicquot Club. With a dash of pure citric fruit flavor. The water (Clicquot Spring water) is the best ginger ale water in the world; and the carbonating and bottling is perfect.

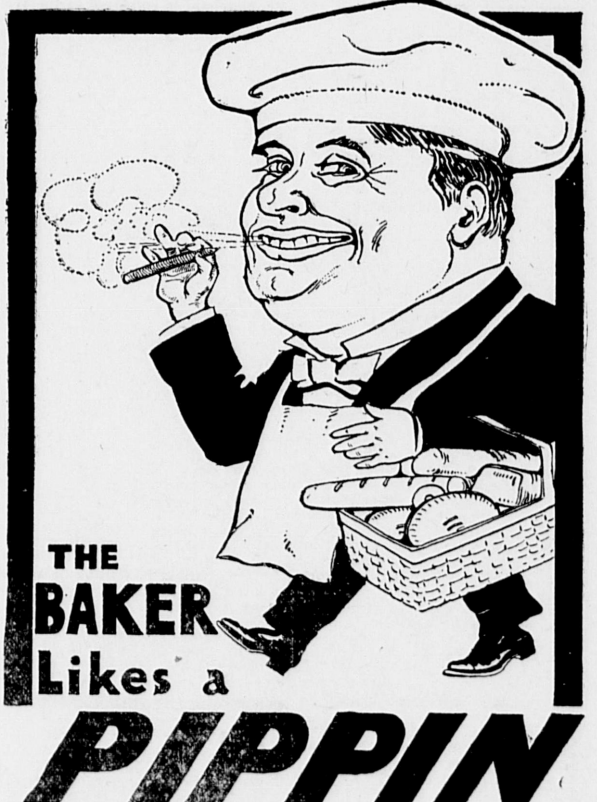

Clicquot Club Ginger Ale is non-astringent.

Other Clicquot beverages:  
BIRCH BEER  
ROOT BEER  
SARSAPARILLA  
BLOOD ORANGE  
and LEMON SODA
