Either some of the girls guilty of the recent escapade had been seen by him, or else a girl Frank was ready to moderate her. He walked toward the place where he had seen the light, when he reached it found nothing there. While looking about him the light flashed again, but from a different location. Frank went to the spot with the same result as before.

It was evident that some one, probably a girl, was bent on leading him a chase of hide and seek. He was quite ready to play it and waited for another flash. It came, and this time, instead of walking leisurely toward it, he rushed forward, and when he reached the spot before him he found no one. For

**How Plants Die.**  
Plants die like animals we all know, but we do not know the exact moment when they die. For hours a plant seems alive. There is no death spasm. A scientist, however, succeeded not only in watching the precise moment when a

gives up its life, but is subjected to a bath with spasm. The plant is heated gradually so as to avoid all excitation. This is done by placing the plant in a water bath the temperature of which is continuously raised by the action of a gas or spirit flame. At 100 degrees C. a spasmodic extraction takes place. All attempts to obtain a more active after this fail, even though

**Three Riflemen From Co. B.**  
Rumford people are justly proud of the fact that three members of Co. B. of that place secured places on the state team that has gone to Jacksonville, Fla., to compete in the national shoot. In the Rumford Falls team we find the following:

Local National Guardsmen are very proud of the fact that out of the 15 members of the State of Maine rifle team which left for Jacksonville, Fla., last Tuesday to take part in the national shoot, 3 of the team were picked from Co. B. 2nd Infantry of Rumford.  
Lieutenant Spaulding Baber, Corporal Wesley H. Woods and Corporal Ernest O. Nichols are the three men picked from this company.  
When it is taken into consideration that this team was picked from twelve companies of the 2nd Infantry, 12 companies of the Coast Artillery Corps, 2 divisions of Naval Reserves, 26 companies in all, it would seem that the Guardsmen have very good reason for feeling just a little bit proud.  
Company B has the honor of being the only company in the State with 3 men on the team.

**Resolutions.**  
Whereas, Divine Providence has decreed that another worthy comrade be taken from our ranks in the person of Ingalls F. Evans, whom, early in his life, he has loved and better life in the heavenly land. He was too young to enlist at the first of the Civil War but before his close enlistment in Co. K, 12th Maine Regiment, thereby manifesting his patriotism. Therefore,  
Resolved, that in the death of Comrade Evans W. K. Kimball Post, G. P. R. has lost a member who was much interested in the welfare of our Order, and whose kindly greetings to his genial members with all endeared to his associates. We offer to his bereaved family our heartfelt sympathy, hoping that they may feel that all is well with him.  
Resolved, that a copy of these resolutions be written upon the pages of our Post Records, and a copy sent to the Oxford Democrat for publication.

The membership committee will be glad to enroll the names of those wishing to join in this work.

**A Valued Correspondent.**  
One by one the older members of the Democrat's list of correspondents are passing. This week we are called upon to record with regret the death of Lemuel Dunham of Greenwood. His removal is a distinct loss to those who for years have enjoyed the quaint and original local writings of "L. D." His name was a name in a very limited local field had the ability to write of the little every-day happenings in such an entertaining way that, with the possible exception of our late correspondent "John," his local was the leading feature of that department and were complicated far and wide by the readers of this paper. Mr. Dunham was a life-long reader and friend of the Democrat; he was more than that—he was a part of it and in his passing the paper has lost a good personal friend and a valued correspondent. Biographical matter will be found in another column.

She was married to Mr. J. C. Cummings, who joined the Baptist church in this village in early life and has been one of its most active members to the time of her death.
