This application must be completed in its entirety regardless of any information that may already be on file. Please print or type. Make checks payable to: Treasurer, State of Maine. For assistance contact MaineDOT Aircraft Registration at (207) 624-3127 or toll free at 1-800-964-1165.

Check airport type:

COMMERCIAL

- Air Carrier (AC)** – Regularly served by an air carrier (a person who, directly or indirectly, or by lease or other arrangement, engages in air commerce* and is certificated under Federal Aviation Regulations)
- Commuter Air Carrier (CAC)** – Regularly served by an air taxi which provides public transportation between at least 2 points in accordance with a published schedule or regularly operated flights
- General Aviation I (GA) & General Aviation I SPB (GA-SPB)** – Not regularly served by an air carrier or commuter, may be publicly or privately owned, and *does* conduct commercial activities†
- Commercial Heliport (CH)** – An area, either at ground level or elevated, that is used for landing and taking off of helicopters, and upon which there is conducted an aeronautical business

NON-COMMERCIAL

- Utility (U) & Utility SPB (U-SPB)** – Not regularly served by an air carrier or a commuter air carrier, may be publicly or privately owned, and *does not* conduct commercial activities†
- Non-Commercial Heliport (NH)** – An area, either at ground level or elevated, that is used for landing and taking off of helicopters where no fees are incurred to the user

* “Air commerce” means the carriage by aircraft of persons or property for compensation or hire, when that carriage is a major enterprise for profit and not merely incidental to a person’s other business.

† “Commercial activity” means an aeronautical business or an operation in air commerce.
