REV. CHESTER CORN MILLER SPEAKS TO MEMBERS.

Savings that Mount Up

SO-CO-NY gasoline gives you so many extra miles per gallon that the saving you effect over the use of inferior gasoline will help our aviators and all our forces over there. Such savings these days mount up. They help to win the war. The mock economy of inferior gas—like all false saving, is real waste.

SO-CO-NY is clean, powerful, quick starting and reliable. Look for the Red, White and Blue SO-CO-NY Sign. Buy wisely. Buy SO-CO-NY. It's gasoline thrift.

All Heat Within—All Cool Without

Light the New Perfection Oil Cook Stove—put on the cooking—take up your knitting—your time is your own. You don't have to stay in the kitchen. But you won't have to leave it, for while the New Perfection turns every drop of kerosene into clean, intense heat, it concentrates all the heat inside the chimney.

The New Perfection lights at the touch of a match and gives instant heat, without waste. Cooks fast or slow, without watching. Gives gas-stove comfort at the cost of kerosene—and frees you from the drudgery of coal, wood and ashes. That's why 3,000,000 are now in use.

Made in 1, 2, 3 and 4 burner sizes, with or without cabinet top. Also 4-burner stove with heat-retaining oven and cabinet complete. Ask your dealer about the New Perfection Water Heaters and the regular New Perfection ovens—none better.
