A thorough job of repairing the highway between here and South Paris was begun last week and will be completed in a few days. The work of installing the new highway for the summer last week and will continue to cause some temporary inconvenience by the shutting off of the water on streets where the work is going on. Services held at the Congregational church, the pastor and people uniting in the memorial service. Music by both choirs. The church was prettily decorated with cut flowers and potted plants. Dr. Deane, president of the Bangor Theological Seminary, will preach the ordination sermon. Pastors and delegates from the churches in the conference will also be present.

The following resolutions were passed by the Oxford Division, No. 23, Sons of Temperance, upon learning of the death of Mrs. Annie L. Hayes, wife of Patrick Hayes of Chelsea, Maine, who was for many years Grand Recording Secretary of the Grand Division, and who in her visits to Oxford Division in the past few years has been a great blessing to many of its members. Both Mr. and Mrs. Hayes were faithful and earnest workers in the temperance cause.

Whereas, It has pleased the Heavenly Father to permit the messenger of death with its dark shadow and attending sorrow to again visit us, taking from our fraternal home our beloved sister, Annie L. Hayes, therefore,

Resolved, That while we mourn for the loss of our dear friend, we are rejoiced that she has been taken from our circle of unity, we can but realize that she has passed that dark portal through which we must all go, and we again join hands in fraternal greeting in the Great Lodge above. Therefore, let us all bow in humble submission to the will of Him who doth all things.

Resolved, That to the family upon whom this affliction falls most heavily we tender our most sincere sympathy, knowing that words are vain and do but little toward alleviating the burden of sorrow now resting upon them, and we only commend them to Him whose rulings are ever right.

Resolved, That while we shall miss her kindly greeting and words of cheer, we must remember that it is well with her for whom we mourn, and the high tribute we can pay to her memory is to emulate her virtues.

Resolved, That the members of Oxford Division, Sons of Temperance, be draped for thirty days, and a copy of these resolutions be forwarded to the family and written upon the records of this lodge.
