BANGOR I-95 CORRIDOR STUDY

Thursday, January 6, 2011

at 7:00 p.m.

in the

Eastern Maine Development Corporation (Board Room)

40 Harlow Street, Bangor

The Maine Department of Transportation, in cooperation with the Bangor Area Comprehensive Transportation System and the Federal Highway Administration, is conducting a corridor planning feasibility study of Interstate 95 in the City of Bangor. The purpose of the public meeting is to present the findings of the Study and to receive and respond to questions and comments from the public.

Representatives of the Study Team will review the deficiencies identified along the I-95 Corridor, describe the strategies considered to address these deficiencies, and present the recommendations of the study. After a formal presentation, Team members will be available to discuss Study-related issues with the public.

Accommodations will be made for persons with disabilities. Auxiliary aids will be provided upon advanced request.

Any inquiries regarding this study may be directed to the attention of Edward W. Hanscom, Study Manager, Maine Department of Transportation, Bureau of Transportation Systems Planning, 16 State House Station, Augusta, ME 04333-0016. Telephone 624-3300.
