Dear :

Our records at the Maine Department of Transportation office indicate your parcel noted above is unsettled. Pursuant to Maine Law (23 M.R.S.A. Sec. 155) your case is being referred to the State Claims Commission for inclusion on the docket of cases for upcoming hearings.

Scheduling for hearings is the responsibility of the State Claims Commission. Typically, hearings are not scheduled until construction of the highway project is complete. Maine Law (23 M.R. ' S.A. Sec. 156) requires notice of hearings be mailed to owners at least 14 days before the date of hearing.

The Department of Transportation representatives will continue to work with you in an effort to reach settlement without the need for a hearing.

If you have any questions, please do not hesitate to contact the Department's representative at 624-3460.

Very truly yours,

William Pulver, Director  
Property Office
