Swanson Septime states to me, that Mary, Joseph Sa
na, his mother in law has died at Brewer, and that
he wishes her body to be sent to Oldtown for burial, and
that he and two other Indians wish to go up with
the body, and, he wishes, to have all transported by the
cars, to Oldtown, and that the Indian agent will pay
the expense, I have no authority to act for the agent
but I think this is a charge which he will and ought
to pay, and I have no doubt, but he will pay your
bill for, the same.

Yours
