The products on this list have been tested by MaineDOT maintenance forces and found to be suitable for fast, semi-durable to durable pothole patching. Products are bagged and ready to use with minimal prep. and installation effort.

**PLEASE NOTE:** Products often times may have multiple uses. Products appearing on this particular list are expressly pre-qualified for this category of usage only. Do not use these products for any other application unless this product is noted on other lists.

Sales Representatives seeking approval of a new product should submit their product's Materials Technical Data Sheet, Instructions for Installation, Material Safety Data Sheet, and a completed copy of the [MaineDOT Preliminary Information for Product Evaluation Form \(PDF\)](#).

If you are experiencing difficulties reading or printing this page, or any page on the Qualified Products List website, please contact the Product Evaluation Coordinator at 207-624-3268.
