The Thursday club will meet this week with Mrs. C. A. Hanscom.

Mrs. G. W. Mooney of Bucksport is visiting her daughter, Mrs. A. H. Sawyer.

Mrs. F. E. Coleman and son Fred have gone to Auburn for the winter, where Mr. Coleman is employed.

The Methodist society scored a big success at its annual fair last Wednesday, the net proceeds being something above \$300.

There was no quorum at the regular meeting of the board of trade Monday evening. A special meeting will be called later.

The Methodist society desires to thank all those who in any way helped to make its annual fair such a splendid success.

There will be a regular meeting of Frank E. Whitmore post, American Legion, to-morrow evening. A full attendance is desired.

John J. Carter of Southwest Harbor has resigned as deputy sheriff, and Otis H. Inalls of Tremont has been appointed to fill the vacancy.

Mrs. Martha Trefry of Lubec, who has been visiting her cousin, Mrs. John W. Armstrong, has gone to Rockland for a visit with relatives.

Sunday morning preaching service at the Baptist church at 10.30; Sunday school at 11.45; evening meeting at 7.30; afternoon service at 2.30 at Trenton.

The Ellsworth baseball team lost two games to Franklin last week, being defeated at Eastbrook Wednesday and at Franklin Saturday in close and interesting games.

Mrs. John W. Armstrong left Monday for Alhambra, Cal., where she expects to make her home. She sold her house here recently to Clyde Richmond, who is occupying it.

Mr. and Mrs. Mathew C. Davis of Kittery are receiving the congratulations of Ellsworth and Surry friends on the birth of a son on Sunday. Mrs. Davis is at her home in Eastport.

Services will be held at the Methodist church on Sunday October 17 as usual. Morning service at 10.30; evening service at 7.30; Sunday school following the morning service. The afternoon service will be at Trenton at 2.30.

Rev. T. S. Ross of Lincoln, a former pastor of the Ellsworth Methodist church, had a narrow escape from serious injury last Thursday, when the emergency brake on his automobile failed to work as he was going down a steep hill, and he was forced to take the ditch to avoid collision with another car. Mr. Ross, who was alone, was thrown out of the car, but escaped with bruises. The car was badly damaged.

Everett Allen and two sons, of the Panama Canal Zone, is visiting relatives in Ellsworth and Bar Harbor.

Marla, widow of Samuel P. Jordan, died Sunday at the home of her son, Capt. John W. Jordan, on Water street, aged seventy-eight years.

Congressman John A. Peters will leave next Monday for a campaign speaking tour of New Hampshire with Senator Moses of that state. The following week he will go to New York state for like service. Mrs. Peters will accompany him to Boston.

Next Tuesday evening at 8 o'clock, at the home of Mrs. Luther A. Leach, the Ellsworth woman's club will give a reception to the teachers of the public schools. Entertainment will be provided. There will be no business meeting of the club in the afternoon.

A prize waltz at Smith's pavilion Tuesday evening was won by Llewellyn Fortier of Ellsworth and Miss Laura Carter of Bar Harbor, in a close contest. Next Tuesday evening a prize will be awarded the couple making the best appearance in the fox trot.

At the annual meeting of the Unitarian parish last Wednesday evening, officers were elected as follows: C. E. Alexander, president; Neal Raymond, vice-president; Miss Annie R. Stockbridge, secretary; Miss Mabel Lord, treasurer; Martin L. Adams, chairman, H. E. Rowe, E. C. Osgood, Mrs. W. H. Titus, Miss Leonora G. Higgins, trustees. The business meeting followed a parish supper.

The first of the series of entertainments under the auspices of Frank E. Whitmore post, American Legion, was given at Hancock hall last Friday evening. The Vissochi musical trio gave a novel and pleasing program. The performance of Andrew Vissochi on the piano accordion was a revelation. If the standard set by this first entertainment is maintained for the remainder of the course of five entertainments to be given under the auspices of the post, the people of Ellsworth are assured some musical treats. The next entertainment will be on November 11, when the Scott-Bates Co. will appear.

The Emoise Summers-Herbert Light players opened a three-nights' engagement at Hancock hall Monday, playing to a fair-sized house. This is the first visit here of this company, and it is one of the strongest that has played here for years. The company in on its way to Halifax for an all-winter season in that city. All who were at Hancock hall Monday evening or last evening were well pleased, and the report which they are spreading abroad assures a big house to-night.

The play to-night, "The Savage," is one of Gilmore's best, and is the "big bill" of this company. Mr. Light, of this company, was a passenger on the ill-fated Lusitania on that morning in May, 1915, when she was torpedoed by the Germans and went down with over 1,500 lives. Mr. Light remained on the deck of the steamship until she sank beneath him, carrying him down with her. He does not know how far he experienced all the sensations of drowning, and when he recovered consciousness, he was floating on the surface, many yards from the steamship. He was finally pulled on board an overturned boat by another man, and these two helped two others float another boat that was riding on top of another. Succeeding in this they turned their attention to saving others, and when finally they were picked up by a steamship, there were thirty-two in the boat. It is an experience Mr. Light does not care to go through again, and a scene such as he hopes never to see again and does not care much to talk about. He carries with him some interesting moments of the tragedy—a watch which went through the trial with him, and a copy of the newspaper or bulletin printed on the ship the morning of the disaster. Mr. Light sustained injuries which kept him in the hospital in Queenstown some days.

ELLSWORTH FALLS.

Winfred B. Joy, wife and daughter Prudence of Southwest Harbor, are spending a part of Mr. Joy's vacation with relatives here.

Mr. and Mrs. A. W. Ellis went to Monroe Sunday.

Frank Haslam and wife of Bar Harbor spent Sunday with A. W. Salisbury and wife.

Mrs. Eugene Clough and wife and William and Bert Jordan went to Waltham Sunday to attend the funeral of Alfred Hardison.

A crew of six men was sent up Tuesday morning by the Union River Boom Co. to pick in the rear left last spring on account of the falling off of the water on the main river.

DOLLARDTOWN.

Miss Persis Meader is home from Auburn, where she has spent a few weeks.

Mrs. Joseph Stackpole and daughter Mabel spent a few days recently with her sister, Mrs. William Spencer, at Ellsworth Falls.

William L. Kemp, sr., has returned from a two weeks' visit in Massachusetts, where he attended the I. O. O. F. convention.

Mrs. Amanda Meader is quite ill of a severe cold.

Mrs. Margaret Moore and son Donald are visiting her aunt, Mrs. William Kemp, sr.

HIGH SCHOOL NOTES.

The girls' club of the E. H. S. held its initial outing of the season at Simmons pond on Saturday last. A representative gathering of forty-five, chaperoned by two of the teachers, Miss Rice and Miss Fields, assembled at Hancock hall at 10 o'clock and hiked to the place selected by the committee. After the roll-call, lunch boxes were opened, after which the club cheers, written by Miss Ruth Moore, were practiced with a vim, and games and stunts were indulged in until 1.30, when the entire party started on the return hike to support the football team in its game with Bar Harbor. Plans for the coming girls' minstrel show and a marshmallow toast, at which the boys of the school will be guests, were discussed.

The total registration at the school up to date is 185. The town students are glad to welcome Osmon Merrill of Foxcroft, Lura Richardson of Indian Point, Kenneth Frederic of East Dorset, Vt., Donald Murch of Bar Harbor and Howard Thomas of South Portland.

The football team convinced all those present at the game last Saturday that there was not a yellow player on it. Until the last of the first period, the nearest Bar Harbor got to the Ellsworth goal was the middle of the field. The last of that period the high school lost one of its best men when Quarter-back John Whitcomb broke his ankle. After this Bar Harbor scored one touchdown. Coach Finn put sub Dorgan in, but the game being rough and Dorgan small, he was taken out and sub Carney put in. Being a sub half-back, he had had no experience as quarter-back, and was not expected to play the good game he did. Capt. Fortier hit the opponents' line several times for long gains, and Luchini, a new half-back, made his appearance. His tackling was a feature of the game. The Ellsworth boys tried the forward pass several times with considerable

success, once gaining ten yards. The final score was 32-0 in favor of Bar Harbor.

John Whitcomb has the sympathy of the entire school in his misfortune. All realize the excellent work he was doing on the football team, and how much he is needed. The senior class also misses his presence in school, and hopes to see him back soon.

Five classes have registered for work in the night school. If anyone wishes to study Ben Pittman shorthand, or French, he may make arrangements with Miss Norcross.

There will be a sociable at the high school building next Friday evening at 7.30. A large attendance is desired, as the agricultural club will be present, and it is expected that it will hold a meeting after the entertainment. The program, under the direction of Albert Davis, is as follows:

Selection E. H. S. Orchestra
Vocal solo Miss Erva, Giles
Negro farce, Written by Arthur Tower
Piano solo Shirley Povich
Vocal solo Mrs. H. Styles Bridges

MUTUAL BENEFIT COLUMN.
 Edited by "Aunt Madge."
MOTTO:—HELPFUL AND HOPEFUL.
 The purposes of this column are succinctly stated in the title and motto—it is for the mutual benefit, and aims to be helpful and hopeful. Being for the common good it is for the common use—a public servant, a purveyor of information and suggestions, a medium for the interchange of ideas, in this capacity it solicits communications, and its success depends largely on the support given it in this respect. Communications must be signed, but the name of writer will not be printed except by permission. Communications will be subject to approval or rejection by the editor of the column, but none will be rejected without good reason. Address all communications to The American, Ellsworth, Me.

SYMPATHY.
 O sympathy is such a little thing,
 But how it helps the heart of life to sing.
 And how it smooths the wrinkled brow of care
 And lifts the heart of sorrow from despair—
 So small, so wee, so little cost to give it,
 But conquering worlds are in it when we live it!
 S. S. Colombia, Sept. 9, 1920.
 Dear Aunt Madge:
 We expect to make a landing at Yokohama Friday morning if all goes well, so I will try to mail a little more about this wonderful trip to you.
 At exactly 1 o'clock on Aug. 21, the Pacific Mail S. S. Colombia steamed slowly but surely out of sight of Uncle Sam's glorious country, by way of the Golden Gate. Bright-colored streamers thrown from the passengers to friends on the pier floated in the breeze and made a pretty picture. The ocean was calm, and it has continued to be most of the way across. Day after day we saw nothing but the blue above and the blue below, and such a wonderful blue as the ocean is! As we near Japan the waves are more boisterous and the white caps make the picture still more beautiful.
 After leaving San Francisco, it took some time to acquaint ourselves with our new surroundings. The Colombia is not as large as some of the ships on this line, but it has better accommodations than many and we soon felt very much at home in our snug but convenient quarters. We were surprised to know that six meals or "feeds" were served daily—breakfast, lunch, one o'clock lunch, lunch, dinner, lunch to those who happened round at stated hours. An orchestra from the Philippines is on board to play for the three regular meals which are served in the dining-room. The waiters and chambermaids are Chinese from Canton, China.
 There are thirty-three delegates to the World's S. S. convention on board. Several ministers are among the number, so we have services in the music room twice on Sunday and a prayer service one evening a week. Often during these services we can hear the orchestra playing for the people who spend much time dancing, drinking, or playing cards in the smoking room or on the deck. Men and women both indulge.
 We have listened to several interesting lecture talks by missionaries returning to their stations or by people interested in different industries in these far-away lands. A government official from Oahu told us interesting facts about the Hawaiian islands and Honolulu just before we arrived in that city so we were better prepared to appreciate the new and strange sights awaiting us.
 "The Hawaiian islands are not a group as often miscalled, but a string

of islands—a string of pearls, if you please—a string of rare and precious pearls in the sapphire center of the great American sea."—Joaquin Miller.
 On the morning of August 28, 1920, we first saw these mountainous islands in the distance, and eagerly scanned the horizon as we drew nearer and nearer. As we rounded Diamond Head, the Gibraltar of the Pacific, the deep blue of the ocean shaded off into lighter blues, then through all the tints of green, and finally the waves dashed ashore on the "Beach of Waikiki," a long line of dazzling white foam.
 In the meantime the U. S. quarantine boat had brought the medical inspector, who very good-naturedly told us that he was sorry to be obliged to disturb us, but that was the only way he had of making a living. After the customs-house officers had made their customary rounds, we were permitted to move toward the pier. On the way we were met by numberless native boys who make a practice of diving for pennies which the passengers throw into the water. They do some wonderfully interesting feats, and challenge tourists to furnish incentive for this sport.
 On the pier we were met by representatives of the convention, who hustled us into light-seeing cars which took us on a delightful ride about the city and surrounding places of interest. Honolulu has been called "The Palm Endowed City," "The Cross Roads of the Pacific," and "The Key to the Pacific Ocean and the United States," and the reason for each name is readily seen. Native palms, as well as those transplanted from surrounding islands, grow luxuriantly, with no care. All the streets are lined with most brilliant vegetation. It is said that Honolulu probably has more high class automobiles for its size than any other city in the United States.
 The drive took us past the Schofield barracks, one of the most important posts in the United States; the aquarium at Waikiki, Honolulu, which claims the rarest and most beautiful fish in the world; rice fields, cotton plantations and immense pineapple farms. We took pictures of one of these with our friends in the background.

Mrs. Gamsby Has No Run Down and Nervous She Had to Take to Bed—Feels Fine Now.
 "I have been taking Tanlac just a little more than a month, but I have actually gained twenty pounds in weight," said Mrs. Lillian Gamsby, of 12 Alder street, Portland, Me.
 "Last summer my health failed and I began to lose strength so rapidly I soon wasn't able to do my housework. My appetite was so poor that I did not average one meal a day, and I got so weak and thin I became alarmed at my condition. My back pained me terribly, and sometimes I simply broke down and cried. Every few days I had to be taking something for constipation, and I was constantly suffering from frightful headaches. My nerves were shattered, and I couldn't rest either sitting up or lying down. One night not long ago I broke down completely, and had to stay in bed for quite a while. I was almost a nervous and physical wreck, and I had tried so many medicines without getting relief that I was beginning to think there was no hope for me.
 "But finally I decided to try Tanlac, and I am perfectly delighted at the way it has helped me. I improved wonderfully on the first bottle and, although I have taken only three more, I am absolutely well and am enjoying as good health as I ever did. My appetite is just splendid, and everything I eat tastes good and agrees with me. My back does not pain me at all and I have been entirely relieved of constipation and headaches. I am not the least bit nervous, and I am sleeping sound every night. My housework is now a real pleasure, and I am, indeed, glad to tell others about Tanlac, in the hope that they will benefit by my experience."
 Tanlac is sold in Ellsworth by E. G. Moore, in Sullivan by Dunbar Bros., in Little Deer Isle by H. G. Eaton, in Ashville by C. C. Small, in South Bluehill by M. B. Grindle, and by the leading druggists in every town.—Adv't.

 While there are records to show that the Spaniard, Juan Gaetano, discovered

ered the islands in the year 1555, their discovery is credited to Capt. James Cook of the British navy in the year 1778. Capt. Cook named his discoveries the Sandwich islands, after the Earl of Sandwich. The prosperity of the islands dates back to the time when King Kalakana succeeded in bringing to a close the reciprocity treaty with the United States. A little later Queen Liliuokalani determined to abolish all restrictions that had been imposed on the power of the crown. Her activities along this line resulted in the formation of a provisional government, and later, the Republic of Hawaii, with Sanford B. Dole as president. In 1898 the Hawaiian commissioners succeeded in having the United States annex the islands.
 At Pearl Lochs the United States is constructing a very complete naval station. The secretary of the navy recently opened one of the largest dry-docks in the world at this place. It is 1029 feet long, 138 feet wide and 35 feet in depth.
 I cannot begin to tell you all about this wonderful ride, so will stop here.
 A Delegate.

This interesting sketch of "A Delegate's" trip cannot fail to be enjoyed by all readers of the column. In this connection it is also interesting to note that the great hall at Tokio, Japan, where the world's Sunday school convention was to be held, was burned on the opening day. Many of the delegates were in the building, but all escaped.
 I am sure a card or message sent to Mrs. Luella Sargent, one of our family, at Bar Harbor hospital, would be much appreciated by her.

Warmth— when and where you need it

KEEP the house warmed all over with your regular heater—and supply the rooms you want to use with the additional comfort-point warmth of a Perfection Oil Heater. It gives out just the heat you require, where you want it, when you need it.

How to exercise the greatest economy in house heating
Rooms and hallways that are used only a few minutes each day are a constant source of wasted heat, greater, probably, than you imagine. Don't "rush" your hot air or steam heater to make only two or three rooms comfortable. The Perfection Oil Heater has solved the heating problem in over a million homes. It is ornamental anywhere and easy to carry about—weighs only a few pounds. A child can light it—and take care of it, for that matter. It burns for about 10 hours on a single gallon of kerosene. Most hardware, housefurnishing and department stores sell the Perfection, in blue or black finish, with or without nicked trimmings. Ask your dealer to show you one. For best results use Socony Kerosene.]

SUMMER SCHOOL ECHOES.

They Are Still Talking About Ellsworth, Up 'Round Boston. (From Boston University News.) Although regarded as an experiment by officials of the Federal Board for Vocational Education, the Boston University summer session at Ellsworth, Me., was never in danger of being anything, but a gratifying success under the direction of Prof. Bellamy.

Expectations were more than fulfilled by the instant and continued success of the camp and school. Students and faculty, townspeople and federal board officials united in pronouncing the idea and its carrying-out eminently satisfactory.

Proceedings have been begun through Congressman John A. Peters of Maine and Senator David I. Walsh of Massachusetts to secure a Carnegie medal for heroism for Richard Sullivan, a federal board student at the College of Business Administration, for his rescue of Miss Evangeline Worthy of Jamaica Plain, while at the Ellsworth (Me.) summer school last summer.

No Need to Sweeten Grape-Nuts. This wheat and malted barley food is naturally sweet, since twenty hours' baking and processing develop sugar from its own grains. Grape-Nuts is easily digested and has a rich flavor unlike that of any other cereal. It is healthful and economical. 'There's a Reason' Made by Postum Cereal Company, Inc. Battle Creek, Michigan.

WOMAN SUFFERED IN SILENCE

Health Poor, Beauty Fast Fading Away== Made Believe She Was Well

A woman of New Auburn, Me., writes: "There must be lots of women who feel as I did. I suffered in silence many times on account of my pride, but now I know that a good laxative is essential to good health. I neglected my health, trying to keep cheery and pretending I was all right when I wasn't. I had terrible pains, was 'grouchy' and my headaches almost killed me with pain and worst of all, from my viewpoint, I had a sallow, unbecoming complexion which was not helped by face powders. Why didn't I try to cure myself rather than pretend? After taking Dr. True's Elixir, I now know that a laxative was what I needed. Dr. True's Elixir is mild and pleasant to take, and works just right for me. My complexion cleared up—bright and ruddy—blemishes vanished and every one remarked how much better I looked."—Mrs. E. J. B., New Auburn, Me.

The root of many of the evils of sickness is the bowels, a very vital part of the human body. A cold, a fever, disease or the like can be helped at once, providing the operation of the bowels is normal—the first and most important relief can be had by giving a laxative, be sure it is the proper kind.

Most everybody in these days of quick action and strife, forget their health. The laboring people both men and women, often go to bed right after eating, and wake up in the morning restless, force down a breakfast and then are distressed all day.

An Outdoor Worker says: "I couldn't puzzle out what made me feel so bad. My good, home-cooked meals didn't even taste good, and I had headaches and was grouchy. I never thought it was constipation, but now I know, for I took four doses of your Dr. True's Elixir, and it fixed me up grand. I will never be without it again in case of constipation."—F. E. B., Alton, Mass.

The bowels need attention first and always. Rich foods, improper cooking, irregular and quick eating, lack of exercise all can be offset providing a mild laxative is taken regularly.

A Business Man Writes: "The continual rush of office details and the short meal hours I get together with, I think, restaurant foods, have simply knocked my system all to pieces. I felt lousy, and had no appetite until I took Dr. True's Elixir as a laxative. It is a great thing. No one should neglect their bowels."

Dr. True's Elixir, the Family Laxative and Worm Expeller, with an established reputation since 1851 (over 68 years) has accomplished the seemingly impossible. It has relieved thousands of sufferers from constipation, which causes so many terrible disorders.

Dr. True's Elixir will benefit every one. The laborer who eats heartily and quickly; the office boy and girl who eat "fancies" and irregularly; elderly people who can't digest well and children who suffer from intestinal parasites.

Symptoms of worms: "Deranged stomach, swollen upper lip, offensive breath, hard and full belly, with occasional pains about the navel, pale face, eyes heavy and dull, twitching eyelids, itching of the nose and rectum, short dry cough, grinding of the teeth, red points on the tongue, starting during sleep."

Dr. True's Elixir means a big saving to health and pocketbook. "At all dealers." Three sizes. Buy the large size.

Bar Harbor.

There have been several important transfers of summer property here recently. Balance Rock, on the shore path owned by the estate of the late Alexander Maitland, has been sold to Mrs. Edward La Montagne of New York, who will occupy the house next summer. "The Knoll," on Eagle Lake road, has been sold by Mrs. Henrietta Smith of Philadelphia to Miss Lucy Kutz of New York, who has occupied it this summer. Dizzy

If you get up in the morning feeling dizzy and weak, it usually indicates a sluggish liver, or poor digestion. Aside from its unpleasantness, this condition may become dangerous; it should be checked before your vitality becomes impaired, and you are then less able to withstand disease.

A teaspoonful of "L. F." Atwood's Medicine will stimulate the action of your digestive organs, and re-establish normal conditions. Taken regularly it will quickly restore your vitality, and you will sleep soundly and awake refreshed and clear-headed.

Powders and tablets containing Acetanilid or other coal-tar derivatives tend to weaken the heart's action. The true "L. F." simply sets natural methods in action and benefits the entire system. If you have never used it send for a bottle now.

Your druggist sells it for 50c a bottle, 60 teaspoonful doses. The "L. F." Medicine Co., Portland Maine.

The sign of a reliable dealer and the world's best Gasoline

Every motor highway and byway throughout picturesque New England and New York is a part of the long "Socony Trail".

MOTORISTS, commercial truckmen and farmers—from Salem, Mass., to Oswego, N. Y.—have come to depend upon Socony products. Thus, ordinary demand has become a responsibility which the Standard Oil Company of New York is constantly striving to fulfil. This is the reason for the steady growth of Socony service.

Refining processes, like motor construction methods, are always being improved. Socony gasoline is made and tested in accordance with the most recent standards of accuracy—insuring uniform cleanliness, constant mileage to every gallon and absolute dependability. There is a difference in gasoline—just as there is in coal. It will pay you to discriminate.

Socony is a straight-refinery gasoline. It vaporizes quickly, but it is more than a mere easy-starting fuel. Owners of large motor truck fleets use Socony regularly because it is uniformly high-powered and clean-burning.

Look for the red, white and blue Socony sign.

Recommends Var-ne-sis To All Who Suffer From Rheumatism

Further Proof That

W. A. Varney, Lynn, Mass.

Dear Sir—For six years I suffered with rheumatism. My knees were so stiff I could scarcely walk, and in going up stairs I had to pull myself up by taking hold of the rail. I suffered constant pain. Physicians said I had muscular neuralgia, and I took many remedies without relief. At times I was unable to turn in bed. My stomach was so bad that I could scarcely retain food. I took Var-ne-sis and found it of great value for my stomach as well as for my rheumatism, as I am now free from rheumatism and can eat anything with no ill effects. Var-ne-sis is a wonderful medicine and I can recommend it to all suffering as I did.

Mrs. MARGARET MAHONEY, 522 Fifth Ave., North Troy, N.Y.

Var-ne-sis is a vegetable remedy that has been remarkably successful in chronic cases of rheumatism, particularly those cases that have been treated with ordinary remedies month after month without results. Send for Booklet, "The Best of Human Hinges." It's Free. Address W. A. Varney, Lynn, Mass.

VAR-NE-SIS RUB-ON EASES PAIN

A TWICE-TOLD TALE.

One of Interest to Our Readers.

Good news bears repeating, and when it is confirmed after a long lapse of time, even if we hesitated to believe it at first hearing, we feel secure in accepting its truth now. The following experience of an Ellsworth Falls man is confirmed after twelve years.

Frank E. Fernald, Waltham St., Ellsworth Falls, Me., says: "I had trouble with my back and could hardly stand the pain. It was hard for me to stoop over or straighten up. I had read a great deal about Doan's Kidney Pills and got a supply. It took only one box to benefit me. I have since had return symptoms of the trouble but Doan's Kidney Pills procured at E. G. Moore's Drug Store again gave me immediate relief."

Twelve Years Later, Mr. Fernald said: "Colds settling on my kidneys sometimes disorder them, but I can rely on Doan's Kidney Pills to relieve me. The satisfactory experiences I have had with Doan's strengthened my faith in them and I recommend them more highly than ever."

Coughs and Colds

Catarrh, Croup, Sore Throat Banished By Hyomei

The germs of catarrh do not exist in the same atmosphere with antiseptic Hyomei (Pronounce it High-o-me). Breathe Hyomei and relief from catarrh, coughs, sore throat or cold will come in two minutes.

Breathe Hyomei and that stomach straining hawking in the morning will quickly disappear.

Breathe Hyomei and kill the catarrh germs; heal the inflamed membrane, stop the discharge of mucus and prevent crusts from forming in the nose.

Breathe Hyomei for a few minutes each day and rid yourself of contemptible catarrh.

Breathe Hyomei—give it faithful trial and then, if you are not satisfied, you can have your money back.

Hyomei is sold by Chas. E. Alexander and druggists everywhere.

MI-O-NA Ends Indigestion

It relieves stomach misery, sour stomach, belching and all stomach diseases or money back. Large box of tablets at all druggists in all towns.

LIFE WAS A MISERY TO HER

Says this Woman Until Relieved by Lydia E. Pinkham's Vegetable Compound.

Carrollton, Ky.—"I suffered almost two years with female weakness. I could not walk any distance, ride or take any exercise at all without resting. If I swept the floor or did any kind of work it would bring my sickness on. I was weak and languid, had no energy, and life was a misery to me. I was under the care of a good physician for several months and tried other remedies. I had read of Lydia E. Pinkham's Vegetable Compound and decided to try it. After taking twelve bottles I found myself much improved and I took six more. I have never had any more trouble in that respect since. I have done all kinds of work and at present am an attendant at a State Hospital and am feeling fine. I have recommended your Vegetable Compound to dozens of my friends and shall always recommend it."—LILLIAN THARP, 824 S. 6th St., Carrollton, Ky.

Get Goodyear Tire Economy for That Smaller Car

Just as owners of the highest-priced automobiles get greater mileage and economy out of Goodyear Tires, so can the owners of smaller cars similarly enjoy Goodyear advantages.

The 30x3-, 30x3½-, and 31x4-inch sizes of Goodyear Tires are built to afford a money's worth in performance and satisfaction which only the utmost in experience, resources and care can produce.

This extraordinary money's worth begins not only with the merit of these tires, but also with the first cost, which in most cases is no greater, and sometimes actually is less, than that of other makes of the same types of tires.

Go to the nearest Goodyear Service Station Dealer for Goodyear Tires for your Ford, Chevrolet, Dort, Maxwell, or other cars taking these sizes. He is ready to supply you Goodyear Heavy Tourist Tubes at the same time.

- 30x3½ Goodyear Double-Cure Fabric, All-Weather Tread... \$23.50
 - 30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread... \$21.50
- Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proof bag... \$4.50
