WILLIAM TELL FLOUR

"Why?" is the question every good flour asks to see why it is chosen, and what makes it a leader in its field. It’s a question that no other flour can answer.

The secret? It’s the secret of the finest wheat, the secret of the best milling, the secret of the purest and most wholesome flour.

Take a handful, and feel its smoothness, its texture, its freshness. You’ll see why William Tell flour is chosen.

Don’t take chances on your flour.

Tell your grocer, William Tell, and be sure.
