SHE DID NOT FEAR DEATH. An old lady on her seventy-third birthday once said, "I do not mind getting old, and I do not fear death, but I live in constant dread of paralysis."

"For some time I have been wanting to tell you of the great good your wonderful Sloan's Liniment is doing here," writes Mr. James F. Abernethy, of Rutherford College, N. C. "In fact, all your remedies are doing noble work, but your Liniment beats all. In my eight years' experience with medicine I find none to go ahead of it, having tried it in very many cases. I know of one young man, a brick mason, who suffered from a partial, yes, almost complete, paralysis of one arm. I got him to use your Liniment, and now he can do as much work as ever, and he sings your praise every day. I get all to use it if I possibly can and know there is great virtue in it. I have helped the sale of your noble remedies about here greatly, and expect to cause many more to buy them, as I know they can't be beat."
