LINDBERGH IN WHO'S WHO

A name which has not appeared in
any previous issue of "Who's Who in
America" heads a biographical sketch
longer than that of even the President
of the United States in the new edi-
tion of the volume just published in
Chicago. It is "Charles Augustus
Lindbergh." In the preceding vol-
ume, printed two years ago, Colonel
Lindbergh's father was listed, but no
mention was made of the son who
was to become famous overnight in
May, 1927.

Mrs. Guy Douglas is having a fort-
night's vacation from the Rockland &
Rockport Lime Corporation.

FLORIDA EXPERIENCES

Destruction That The Hurricane
Wrought At Fort Worth.

Miss Lucy Rhodes is in receipt of
a letter from a relative in Fort Worth,
Tex., which graphically describes con-
ditions there following the recent hur-
ricane. It reads:

"Your good letter came this morn-
ing, so will answer right away and
give you some details of the storm.
My wife, baby and myself came
through it all without a mark on us.
Our house was slightly damaged, to
the extent of \$100 or so. We count
that nothing, inasmuch as we came
out alive. Lake Worth had no high
water; just destructive wind and
rain; but out in the Glades the high
water, rain and wind wrought havoc.
Twenty-two hundred known dead;
738 bodies have been brought out and
buried in West Palm Beach. I spent
one night and one day out there. I
went all through the War, but saw
nothing like it over there. It is im-
possible to bring more bodies out, so
they are burning them.

"Lake Worth did not lose a life, and
I cannot understand it, as every other
house is flat or badly damaged. Prop-
erty loss will run into the millions
here in Lake Worth alone. There are
hundreds of houses that are past re-
pairing, and several hundred com-
pletely wrecked. There are 16000
homeless and 8,000 without food or
clothing, so you see that the storm two
years ago was only a little blow com-
pared with this. I am on police duty;
have been since the storm, and am on
the go day and night. It is hard to
keep on the go all the time, but it is
good to be alive and well."

HIGHER WATER RATES

Formal Notification Made To Customers By C. & R. Water
Company—The Reasons Obvious

In today's mail the subscribers of
the Camden & Rockland Water Com-
pany will receive the not unexpected
information that there is to be an in-
crease of water rates, effective the
first day of next year.

This step has been under con-
sideration for several years, and is due,
of course to increased operating ex-
penses and extensions together with
betterments which have been made
or are soon to be made. The projected
increase follows the natural trend
of water rates throughout the country.

The water company's notification
follows:

To our Customers: The Camden
& Rockland Water Company will file
with the Public Utilities Commission
under date of Oct. 20, 1928 a revised
schedule of rates for water service to
become effective Jan. 1, 1929.

These revised rates in principle are
substantially as follows and the full
details as filed with the Public Utilities
Commission will be published later in
the Rockland Courier-Gazette and the
Camden Herald.

Hydrant service will be increased
from \$35 per year to \$75 per year for
each hydrant.

Where meters are not used, the
initial annual charge for domestic or
family service now \$10 per year will
be increased to \$12 per year. Other
domestic service covering water for
toilets, tubs, etc., to remain un-
changed.

There will be a change in the meth-
od of charging for metered water.
The present minimum charge with its
somewhat difficult features is to be
eliminated. In its place will be in-
stituted a graduated service charge
which in the case of an average home
will be \$2 every three months.

The rates for the use of metered
water will remain the same as at
present. The actual increase there-
fore for any metered customer will
not exceed the amount of the service
charge and will in most cases be
somewhat less. In a few cases the
change will result in an actual re-
duction.

The management of the company
realizes fully that an increase of rates
may provoke unfavorable criticism,
but believes that the ones proposed
will successfully withstand fair and
impartial scrutiny, and that they are
absolutely necessary in order to main-
tain and extend the water service that
the public expects and demands.

SHE'S FOR SMITH

Mrs. Mabel Jones West, a member
of the Alabama state executive com-
mittee of the Women's Christian
Temperance Union, has announced
her support of Gov. Smith for the
Presidency. In a public statement
she declared that "Smith is a better
prohibitionist than Hoover," and ap-
pealed to Alabama women "not to be
deceived by paid Republican propa-
ganda." Mrs. West is an active work-
er in the Baptist church.

"EATING FOR HEALTH"

State Nutritionist Will Tell
Rockland Audience About
It Today.

Miss Frances Nason, State Health
nutritionist, will speak in G.A.R. hall
today at 3 p. m. Public invited. The
lecture is free.

More than 128,000 persons in the
United States have been reached by
the American Red Cross nutrition
service during the fiscal year just
closed, according to figures taken
from the organization's annual report
and made public here today by local
Red Cross officers. In Maine, the
one chapter which carried out this
work during the year served 140
persons.

The importance of Nutrition in any
effort to raise the health standards
of the Nation, Red Cross workers
point out, is evident from the fact
that while practically all American
families spend sufficient money on
foods to adequately nourish their
families, nevertheless not less than
30 percent of all Americans are un-
dernourished.

Interest in the subject is growing
rapidly in this country and abroad,
they say pointing to the fact that
during the year the report covers,
29 of the 48 states were served by
their nutritionists, with from one to
ten American Red Cross chapters in
each of these states carrying on this
activity.

In classes for men and women, and
especially in the school rooms, in-
struction in "What To Eat For
Health" is being given in an effort
to correct and prevent physical de-
fects resulting in whole or in part
from malnutrition. Among these are
defective eyes, bad teeth, impaired
hearing, rickets, and especially low-
ered vitality and increased suscepti-
bility to diseases. The number of
children reached with this instruction
during the year totalled 122,386,
while the other 6,226 instructed were
adults. The Red Cross nutritionists
have also during the year made 3,215
visits to homes, held more than
7,700 office consultations and clinics,
and given nearly 1,600 talks on nutri-
tion. These talks were attended by
more than 63,000 persons.

TALK OF THE TOWN

Capt. F. O. Hill, keeper of Matineus
Rock Light, reports that mack-
ereel are being caught there with hook
and line.

Mrs. H. D. Hall telephones:
"Please discontinue my stove wanted
ad as it has brought me just the kind
of one I was looking for. Thank you
very much."

Dr. and Mrs. Blake B. Annis at-
tended the semi-annual meeting of
the Maine State Chiropractors' As-
sociation at Hotel Elmwood, Wat-
erville, Sunday. Dr. Annis was
elected vice president of the associa-
tion.

An anxious and interested citizen
wants to know what has become of
that group of young men (were
young once, anyhow) who used to go
in swimming in winter. Have they
lost their interest in the fad, or are
they simply slipping.

The biggest surprise in the football
world Saturday was the 6 to 0 defeat
which Boston College visited upon
the Navy. This is of especial local
interest as "Bozo" Weston made the
one touchdown. The papers speak
of him as one of the big men in foot-
ball, meaning ability as well as size.

The Nutshell Cafe has reopened
under the management of "Bob"
Lumsden, an experienced chef with
some 15 years' catering to his credit.
Mr. Lumsden has renovated the cozy
place and made it immaculate. Mrs.
Lumsden is associated with him and
all the cookery is of the "home"
variety.

The fall excursions to Boston by
steamer have proven so popular that
the Eastern Steamship Lines has
extended the last date of sale to in-
clude the coming Thursday sailing.
Reservation of staterooms may be
made for both the going and return
trip by applying at the office of
George Dunton, general agent, Rock-
land.

When William L. Gregory was
answering a taxi call Saturday at
East Warren, on the road between
West Rockport and East Warren he
saw a large moose which came out in
the road a short distance ahead of
his car. The animal seemed unafraid,
standing calmly in the road gazing
around. He then disappeared in the
woods at the side of the road.

Harry Daniels has had to post "No
Hunting" signs throughout his grove
of African sunflowers. The place has
been mistaken for a game refuge by
the fox, skunk, deer, cat, bear,
pole cat, moose, crow, parrot, quail,
seganka and plover. He is fearful
that local hunters will shoot up the
place when the season opens, and
therefore the signs through the game
paths in this Rockland jungle.

Forty-six members of the Forty
Club enjoyed poverty lunch at the
Thorndike Grill yesterday noon and
Proprietor O'Neil characteristically
saw to it that the entire proceeds of
\$40.60 were turned in to the Red Cross
fund for the Hurricane sufferers, mak-
ing no charge for the luncheon. Harry
Cohen was the principal speaker, tell-
ing a weird tale under the caption of
"Five Dollars—You May Go."

Writes a correspondent: One lone-
some Ford car, and \$45,000 worth of
other cars,—at a conservative ap-
praisal—(mostly limousines) along
Lincoln street in front of the High
School at 3 o'clock Friday afternoon
while the teachers were in convention.
Which would seem to indicate that
teaching is getting to be one of the
better paid vocations and that school
teachers are sharing in the general
prosperity.

"What is Knox County's popula-
tion and number of voters? Rock-
land's? Industries of both? Amount
of city debt? Does city own its water,
gas and electric plants? How may
junior help toward good local gov-
ernment?" These topics in Chapter
XX of the Civics textbook will be dis-
cussed at the Educational Club pic-
nic Thursday, from 2 to 7, with Mrs.
Alice Sprague Hall at Warrenton
Park. Members at Glencove post-
office or Waldo avenue waiting sta-
tion will be motored to the cottage
(phone 256-13) by Mr. Hall. Drive
reports, discussions, speakers, box
luncheon at 6.

The other day somebody handed us
lilies for an autumn treat. Yester-
day in came Norma Monroe and Ma-
bel Monroe of South Thomaston,
proudly carrying between them a real
violet which had been ambitious
enough to bloom while the frost was
on the pumpkin. Scarcely, while the
faint perfume of this lone violet was
tinging the atmosphere a messenger
brought in two boxes, one of which
was found to contain ripe raspber-
ries while the other was a very
pretty bouquet consisting of Eng-
lish, buttercups, larkspur and other
flowers. "Talbot avenue has nothing
on The Highlands," wrote the sen-
der, M. E. French.

YOUR FAVORITE POEM

If I had to live my life again I would have

Charles Darwin.

FAITH

They say that You are dead . . .
Yet when the fall and winter kill the green,
And when the sun sets over the western hill,
We do not say that Earth is dead;
We do not say that Light is dead;
For we have seen the spring in its lush glory,
And we have seen the sunrise,
And what we see we know is true,
So this we know: that all that seems to die
But changes. . . .

And so the lovely frame that once held You
No longer holds you—that is all;
Even as the tree no longer holds the green;
Even as the waning day no longer holds the
sun;
As winter melts before the rush of spring;
So does that frame which I called You;
But which was not You, any more than you
dead tree
Is summer.
Yield to another frame . . .
I hear the murmur of the ice-clad brook,
I hear a robin sing a note of spring.
—Arthur Somers-Roché.

Child's Best Laxative is
"California Fig Syrup"

Hurry Mother! A teaspoonful of
"California Fig Syrup" now will
thoroughly clean the little bowels and
in a few hours you have a well, play-
ful child again. Even if cross, fever-
ish, bilious, constipated or full of
cold, children love its pleasant taste.
Tell your druggist you want only
the genuine "California Fig Syrup"
which has directions for babies and
children of all ages printed on bottle.
Mother, you must say "California."
Refuse any imitation.

THE RELIEF FUND

Knox County By Free-Will Offering Already Exceeds Its Quota of \$1325.

The total of the figures this morning show that the quota of the Hurricane Relief Fund assigned to the Knox County branch of the American Red Cross has been made up by the generous people of the county, who have indeed exceeded by more than fifty dollars the \$1325 which they were desired to supply toward the nation-wide fund of \$5,000,000 called for by this great agency of relief.

Our people, always responsive to a call for help, have made this a purely freewill offering, for there has been no machinery of canvassing put in operation. The announcement through the columns of this paper that money for relief was needed has been all that was required to call forth contributions. These funds as they have been received at this office and at the local office of Red Cross have been duly acknowledged in this column and promptly sent forward to the Red Cross headquarters at Washington.

While our quota has been handsomely reached, the fund will not be closed to those who have not yet availed themselves of the privilege of lending aid to the sorely stricken people of Florida and the West Indies. The help of the Red Cross in those regions will for a long time be required and money must still be needed. Contributions will therefore continue to be received at this office and by the local Red Cross until such time as all who may wish to give shall have had their gifts recorded. The standing this morning:

The September safety campaign of the Rockland & Rockport Lime Corp. was a huge success despite the coveted goal of a "no accident month" was not reached. Greater success was shown in the program than ever before and every employee made an earnest effort to complete the month without an accident. This was accomplished in every department but one, and when it is considered that these departments total approximately 350 men, pride in the result is certainly justifiable. Successful pilots in the campaign were Leroy Kallioch, quarries; Donald Kelsey, Limerock Railroad; Frank Winchenbach, masons; H. Walsh, construction; Bertie Smith, hydrate mill; William Walker, jobber and coal tower; Harry Post, coopershop; Walter Upham, Gregory shed; E. B. Packard, mechanics; the gas kilns being the department to receive the black mark.

The draw of the new Carleton Bridge failed to operate for two hours Friday morning when part of the mechanism broke as it was being lifted to allow a sand scow to go through. Fortunately during the two hours it required to make repairs there was no river traffic. It was the first time the massive draw span of the \$3,000,000 bridge had failed to function properly.

The World Series was not completed yesterday for the principal reason that no game was played, on account of rain. If there is a game this afternoon the suspense is quite likely to be soon over, as the "Cards" are not measuring up to the Yankees in ability, despite the prophecies of the misguided newspaper experts.

Third Game

The scene shifted to St. Louis Sunday, and for a brief spell the Cardinals had the better experience of being ahead. One of the big reasons why they did not stay ahead was Lou Gehrig, who contributed two home runs to Sunday's festivities. Whatever show St. Louis had of winning this crucial game was spoiled when Wilson dropped the ball that would have shut out Ruth at the plate, and on top of it made a wild throw. Most of us would be apt to drop the ball, however, with Babe Ruth jumping into us like a ton of brick. Zachary, the veteran left hander pitched a fine game for New York. The summary: New York..... 0 1 0 2 0 3 1 0 0-7 St. Louis..... 2 0 0 1 0 0 0 0-3 Errors, New York 7, St. Louis 3. Two-base hit, High. Three-base hit, Bottomley. Home runs, Gehrig 2. Bases on balls, off Haines 3, off Johnson 1, off Zachary 1. Struck out, by Haines 3, by Johnson 1, by Rhem 1, by Zachary 7.

"I don't see why you call this a rare volume." "It came back after I had lent it."

BATTERY CHANGES

Capt. Saville To Command G of Rockland, and Hammond Heads E of Camden.

Adjutant General Hanson of the Maine National Guard was in the city yesterday, and coincident with his appearance came the important announcement that Captain Richard P. Saville has been transferred from Battery E of Camden to Battery G of Rockland, succeeding Captain Harrison P. MacAlman. Capt. Saville is succeeded at Camden by Lieut. Carlton H. Hammond of the Thomaston battery.

Capt. Saville, affectionately known to his associates as "Patchy," is a native of Rockland, and one of the original members of Battery G. He enlisted as a private, was appointed corporal the following year, and sergeant a year later. In the examination for second lieutenant he made the best showing of six candidates, and received the appointment. He was promoted to first lieutenant in May 1925, and the assignment to the captaincy of the Camden battery was a natural and deserved recognition of his ability. He is a credit to the office he holds.

A fine record has also been created by Lieut. Hammond the new captain of the Camden battery.

TALK OF THE TOWN

The name of Miss Madeline Coffey was omitted from the list of those who gave the party in Sumner Perry's barn last Thursday evening.

The members of Edwin Libby Relief Corps are to meet at Grand Army hall Thursday to tack puffs. Picnic supper will be followed by the usual business meeting in the evening.

The regular meeting of Golden Rod Chapter, O.E.S., will be held Friday evening with supper at 6 o'clock served by the men. George W. Gay, chairman. There will be work and a short entertainment.

The name of Miss Emily MacDonald, who is attending Wheaton (Ill.) College, was omitted from the list of college students, printed in this paper. She is a daughter of Rev. and Mrs. J. Charles MacDonald.

The Pied Piper of Hamelin had a man's size job on his hands, but not much on "Buck" Parsons at that. "Buck" buys his traps by the hundred, and catches his mice at the rate of 40 a day.

The Word Wide Guild of the Littlefield Memorial church will meet in the vestry Thursday at 4.30 for work. Supper at 5.30. Take scissors and offering. All girls between the ages of 13 and 18 are invited to join.

Sixty-six disasters — tornadoes, floods, fires and other catastrophes — called the American Red Cross into action this year. Help the Red Cross to help others in time of disaster. Join! Armistice Day to Thanksgiving Day.

Associate Justice A. M. Spear presided over a number of Knox County referees cases in this city last week. Not down on the program was the lively flare-up between two attorneys who are probably now sorry that they caused such a scene.

Mike Armata, the clothier, is using a pleasing bit of sales publicity by presenting free admission tickets to Park Theatre motion pictures with every purchase of a dollar or over. The scheme will go into operation Thursday and promises to be popular.

"Barney" Ingraham is having a week's vacation from his duties as night clerk at the Thorndike Hotel, and is being much missed by the boys. Frank Thompson, day clerk, is presiding at the desk and over the deliberations of the Night Court in his absence.

A. B. Butler, Col. W. H. Butler and Harold Burgess were among the Rockland hunters who shot their quota of woodcock last week. Partidges are reported scarce, but Roger or Frodo Yeazle was one of the nimrods who found their cover successful.

The new Alemite Replacement Mechanism for rear axle and transmission oil is available at Nemo's Repair Shop. STRAND THEATRE

If you want to keep ahead of the times see "Our Dancing Daughters" now showing. For in this exotic production of youth having its fling, Metro-Goldwyn-Mayer has presented the very latest in screen achievements and has set a mark that will not be passed for many pictures to come. The cast is headed by Joan Crawford. Emil Jennings is starred in "The Patriot," which will be shown Wednesday and Thursday, a powerful drama, based on the historical legend that time has woven around the mad Czar, Paul I., who held the Russians in his brutal and tyrannical grasp at the beginning of the nineteenth century. Jennings blends into his role all those elements which made this ill-fated Czar a scourge to his own people. Brutal, cruel and mean, the suffering of others fascinates this half-crazed monarch. But there are many sides to his complex nature. He is also cunning and crafty, strong-willed and headstrong.—adv.

Glenwood Recirculating Warm Moist Air Heating Systems

Glenwood Moist Warm Air Recirculating Heating System Scientifically Installed

The Modern Glenwood Moist Warm Air Recirculating System of Heat for homes is the direct result of years of scientific research work. It gives clean, warm, pure air in all rooms at all times.

It gives an even temperature throughout the house and eliminates cold drafts from the floors. This is possible because the suction of the cold air return not only draws the cold air from the floors but moves the warm air, which otherwise would remain stagnant near the ceiling.

It is ideal for the spring and fall because a minimum of any kind of fuel will take the chill off the house. This is impossible with any other kind of heat. On the coldest winter day it will deliver a tremendous volume of heat.

The cost of installation and the operation of a modern Glenwood Warm Moist Air Recirculating System is low, and it will last a lifetime if given ordinary care. The Modern Glenwood furnace burns either Wood or Coal with equal satisfaction.

Hundreds of Knox County Homes are enjoying the wonderful comfort and economy of GLENWOOD FURNACES.

Mrs. Arthur Aronson of Donohue lane has the sympathy of friends in the death of her son Robert Glenn Parsons, which took place last Tuesday. The deceased was born May 22 1924 and in the few years of his life had worked his way into the affections of all who knew him. The funeral services were held at the Bowes & Crozier undertaking parlors, Rev. E. O. Kenyon of the Episcopal church officiating.

Miss Frances Nason, B.S. State Nutrition worker, is to speak this afternoon at the Grand Army hall at 3 o'clock. Miss Nason, who is employed by the State Department of Health, brings to Rockland a store of valuable information upon that subject in which all are interested—the question of what to eat and why to eat it. While Miss Nason's work lies chiefly with the mothers of infants and children of pre-school age, her talk is certain to be of much worth for all, and there will doubtless be a large attendance to hear her this afternoon. Following her talk there will be opportunity to ask questions and discuss any desired phase of the subject of nutrition.

At Thursday's meeting of Edwin Libby Relief Corps Mrs. Rose Minot of Lewiston, State president of the Women's State Relief Corps, and Mrs. Nellie Gamage of Westbrook, State inspecting officer, were entertained. Supper was served under the direction of Mrs. Ella McMillan. The meeting was called to order by Mrs. Eliza Plummer, the local president, and one candidate, Mrs. Elura Hamlin, was initiated. A short program was presented, the entire evening being one of help and enjoyment. Edwin Libby Relief Corps is gratified to learn that it has the largest membership in the State, leading by three members Bosworth Corps of Westbrook, to which Mrs. Gamage belongs.

All the newest wrinkles in the ken of the automobile can be found in the busy shop of S. Nilo Spear. His latest device is the Alemita transmission and rear axle flusher. By electricity it draws all the old grease out, flushes the case with kerosene and refills it with the desired oil. Nilo has a sign in his shop which reads—"Give every man an honest return for his dollar" and he practices what he preaches and does it electrically with all modern equipment.—adv.

There will be a harvest dinner and supper at the Methodist church vestry Wednesday, Oct. 10. Dinner from 11 to 1, supper at 6. Dinner 50 cents, supper 35 cents.—adv.

Makers of History—Intolerant of Tradition

The Reo Flying Cloud has made motoring history. It proved that a car could be beautiful, enduring, swift, powerful, economical and comfortable. It made possible the purchase of all the desirable qualities of motoring in one car. It lived up to the idea behind it, "A Reo must do all things well."

The Reo Flying Cloud has made history because back of it stands a group of men intolerant of tradition, unhampered by the inheritance of mechanical features that must be preserved, given free reign to develop or to acquire whatever might be essential to making an ideal automobile for America.

From road to roof, from stem to stern, the Reo Flying

Cloud is a skillful blending of all that is best in modern engineering practice and modern design.

For brakes, it has the best the world affords for motor cars. Its engine retains no obsolete practices. Its steering ease and safety are unsurpassed. So on throughout its construction in every part.

To the Flying Cloud's far-in-the-lead design, to the finer materials of which it is built, are added a carefulness and precision of workmanship usually considered unnecessary in its price class.

There is a Reo Flying Cloud near you. Try it out. Learn the pleasure of driving a car which does all things well.

Style Keeps You Young

By MAE MARTIN

Nothing keeps you looking fresh and youthful like stylish clothes. And with little money and no ability to sew, thousands of women are keeping abreast of the shifting tide of style. Their secret is the art of home tinting and dyeing, which is made so simple by true, fadeless Diamond Dyes. Dresses, blouses, stockings, and even coats, that are out of style or faded in color, are made fresh and new looking with a few cents worth of Diamond Dyes. Anyone can do it. Diamond Dyes are so easy to use. They never fail. Gorgeous new colors appear like magic, right over the old, dull or faded ones. Tinting with Diamond Dyes is as easy as bluing, and it takes just a little longer to "set" the colors in dyeing. They are true dyes, the kind used when the cloth was made. See that you get Diamond Dyes and save disappointment.

My new 64 page illustrated book, "Color Craft," gives hundreds of suggestions for brightening and freshening your home and wardrobe at little cost. Send for your copy, NOW. It's FREE. Just write Mae Martin, Home Service Dept., Diamond Dyes, Burlington, Vermont.

Besides her husband many friends. Besides her husband Wooster of Warren, also two grandchildren. Mrs. Smith was a member of the Washington Club in which she was much interested. Funeral services were held Saturday, 10 a. m., at the home, Rev. E. C. Jenkins, pastor of the Union church officiated. There were beautiful floral offerings, silent tributes of love and respect. The body was taken to North Haven for interment. Those present from out of town were, Mrs. Abbie Wooster of Warren, Alice Grant of North Haven, Mr. and Mrs. Orrin Smith and Miss Minnie Smith of Rockland.

WARREN

Harry Swift started threshing grain and beans at his mill at Oyster River.

Open season on rabbit and partridges so far has not produced many full bags. Hunting conditions are poor. The woods are dry and birds scarce.

L. F. Tolman, East Warren, has begun pressing for customers at his cider mill.

A Ford touring car turned turtle and landed in the ditch between the Village and W. Y. Piper's place Wednesday. This is the second car to drop over that embankment this summer, the other victim being W. E. Moore, a local painter.

William Piper is having a cellar dug on his place here and intends to build at once. Samuel Thayer is helping him.

Ed. Pierce is giving his house a coat of paint.

Charles E. Watts took first prize in his class and second prize in the sweepstakes in the cattle pulling contest at Union Fair. He also took his team to Damariscotta Fair.

H. Lindgren is having his house shingled by Aino Leino and John Koskinen.

The rural delivery extension from Gregory's corner to H. N. Hilton's is surely a convenience and is greatly appreciated by the new patrons.

It was with unusual regret that the school committee received the resignation of Walter D. Hayes as principal of the high school. During his stay in Warren Mr. Hayes has made many friends and has won the esteem and respect of the entire student body.

Clarence Madden, Jr. of Augusta, who was one of the most promising of the candidates applying for the position last June has been elected to the principalship by the State Department of Education and has had several years of very successful teaching experience.

Principal Madden is married and has rented the home of Mrs. Mary Richmond.

Miss Lou Baker, primary supervisor of Augusta will be the speaker at a teachers' meeting for Warren and Union teachers to be held at the high school building Oct. 20 at 2 o'clock.

Miss Frances Starratt has gone to Camden for the winter where she may be addressed at the home of Mr. and Mrs. E. K. Stahl.

Mr. and Mrs. Orrin Black of Waldoboro were guests Sunday of Mrs. Black's sister Mrs. Levi Rokes. Other guests of Mrs. Rokes were Mr. and Mrs. Walter Overlock and daughter of Brunswick who spent Sunday, and Mr. and Mrs. Lester Young and children of Bath who were over for the weekend.

Mrs. Castner Means has been moving her household goods to Rockland the past week.

Friends were saddened to learn of the severe illness of Mrs. James T. Robinson who suffered an ill turn Sunday morning. Her daughter Mrs. Harold Lincoff was summoned from Portland immediately.

William Andrews and bride who have been guests of Mr. and Mrs. Robert J. Andrews returned to their home in Brockton last week.

Mr. and Mrs. John B. Robinson and Mrs. Martha Burgess are guests of Mr. and Mrs. Lewis Burgess in North Weymouth and have been attending Brockton fair meanwhile.

R. J. Andrews has a Packard sedan. Miss M. Grace Walker who has been visiting in Somerville, Mass., returned home Saturday.

Master Lincoln McKee, Jr., of Rockland spent last week with his grandparents Mr. and Mrs. Benjamin E. Watts.

Supper will be served by the Congregational church circle next Thursday at 6 p. m. The ladies are requested to meet at 2.30 with something to work on for the next sale to be held in December.

The meeting of the Congregational King's Daughters, which has been twice postponed will be held on the evening of Oct. 15.

S. A. Watts has lately bought a Hudson sedan.

A Child Health Conference will meet on the afternoon of Oct. 10 at the Congregational church parlors.

Miss Harriet Hahn, Miss Jessie Hahn, Mrs. Alice Gordon and Jewel Hart were weekend guests in Gardiner.

Master Philip Wentworth of Rockland spent Thursday as a guest at the home of Mr. and Mrs. Fred Starratt.

The first meeting of the season of the Baptist Women's Missionary Society will be held Thursday at the parsonage with Mrs. H. M. Purinton as hostess. Dinner will be served at noon. Should the weather prove stormy the meeting will be held Friday.

Twelve members attended the Women's Basket Meeting in Thomaston last Wednesday.

Mr. and Mrs. William Barrows closed their summer home last week in Medford, Mass., and have returned to Rockland.

Mrs. Blanchard Ames and children of Matineux are visiting her sister Mrs. Nelson E. Moore. Miss Louise Ames of Rockland was also a guest over the weekend.

W. E. Spear received a fractured collar bone Saturday evening when the automobile of Oscar Hart with whom he was riding turned over.

SUNSET

Mrs. Mabel Powers entertained the sewing circle at the Country Club last Tuesday afternoon.

Capt. E. Allen Greene, district superintendent of the Inter-Island Sunday schools visited here Sunday.

Miss Ruth Ott and Manuel Perez were quietly married Oct. 1.

Mr. and Mrs. Carl Haskell and Mrs. Norman Sellers were in Bluehill on business this week.

Sneak thieves seem to be prevalent around town as Maurice Gray had about 700 pounds of squash taken out of his door yard this week.

J. F. Banks arrived home from Massachusetts Saturday.

Mrs. Mabel Stinson of Camden called on Mrs. Charles Thompson Saturday and Sunday. Mr. Thompson motored back to Camden with them for a few days' visit with them.

Mr. and Mrs. Owen Jackson of Massachusetts were weekend guests of Mr. and Mrs. Charles Beck. They were accompanied by Charles Weymouth who visited his parents Mr. and Mrs. William Weymouth.

ASPIRIN

To break a cold harmlessly and in a hurry try a Bayer Aspirin tablet. And for headache. The action of Aspirin is very efficient, too, in cases of neuralgia, neuritis, even rheumatism and lumbago! And there's no after effect; doctors give Aspirin to children—often infants. Whenever there's pain, think of Aspirin. The genuine Bayer Aspirin has Bayer on the box and on every tablet. All druggists, with proven directions.

Physicians prescribe Bayer Aspirin; it does NOT affect the heart

Aspirin is the trade mark of Bayer Manufacture of Monosodiumsalicylate of Salicylicacid

A Rich Man's Darling or a Poor Man's Slave?

WHEN people looked at Anna, they marveled. For a girl reared in her father's saloon it seemed strange that such exquisite beauty could flower in such an environment.

Yet how Anna hated and loathed her surroundings! If someone would only take her away, and give her the love and respect, the chance for happiness she craved.

Then wealthy Carl Morton, struck by her beauty, went to her father and offered to "adopt" her—give her a lovely home, beautiful clothes—everything. All she had ever dreamed of seemed to have suddenly come true—until she realized she was being "bought," body and soul.

Since her father was determined on the "adoption," there was only one way out. That night she slipped out and boarded a train for the city, where, without money or friends, she soon found herself.

Keep Your Skin Looking Young

Protect your beauty in all kinds of weather with this new face powder—MELLO-GLO. Does not give the skin a dry feeling; does not clog the pores; is not affected so much by perspiration. Stays on longer. So pure and fine. MELLO-GLO is made by a new French Process. It's truly wonderful. Corner Drug Store and all other good stores.

APPLETON RIDGE

No school Friday as the teacher attended the convention.

The W.C.T.U. met with Adna Pitman Friday afternoon with 11 members and one guest present. It was an excellent meeting, besides the regular order Glimpses of the State Convention were given by the president Mrs. Elizabeth Newbert.

The song "Who's For Hoover" which was adopted as the State convention song was sung by Mrs. Ada Barnes and Chrystal Stanley.

The Willing Workers plan to hold their annual Harvest Home Oct. 31.

Mrs. Elizabeth Sprawl, Miss Maude S. Fuller and Miss Lucy T. Moody attended the teachers' convention at Rockland Friday.

Mr. and Mrs. A. F. Barnes were in Belfast Thursday in attendance at the Waldo County teachers' convention.

Appleton suffered quite a loss Tuesday evening when the school building at the village was totally destroyed by fire. This building housed the primary and grammar grades on the lower floor, the upper floor all being used by the high school. Nearly everything was lost, including all chemicals and books, not only the

books used there but the extra books for all schools in town were stored there. Preparations are being made for the high school to go on in the lower part of Riverside hall until better accommodations are provided, just as soon as books can be procured and the other grades will continue in other school buildings around town.

Aubrey Fuller has been elected on the school board to fill the vacancy made when Leland Johnson moved from town.

The Willing Workers held a food sale at Brown & Sprawl's store Saturday afternoon.

Edith Martin returned to her home in Medford, Mass., Saturday after spending three weeks in town.

Osborn Sprague has returned to his home in Arlington, Mass.

Mr. and Mrs. Russell Proctor and daughter Wilma who have been guests of his parents have returned to their home in Worcester, Mass.

SOMERVILLE

Mr. and Mrs. Fred L. Turner and Miss Marie Turner of Hartland passed the weekend at their home here.

D. E. Hiler of Augusta was at home over the weekend.

Mr. and Mrs. F. H. Tracy of Freeport visited friends here last week.

Lowden brothers of Windsor have been in town threshing grain.

Miss Helen V. Regan of Brooklyn who has been visiting her friend Mrs. E. W. Philbrick returned home Oct. 1.

EAST APPLETON

L. Belle Simmons, Minerva Pease and Walter L. Mayo spent Saturday in Bath.

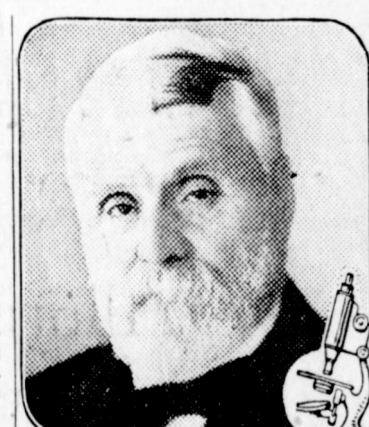

Mrs. D. R. Cummings received a fall in her yard recently from which she was disabled for a few days.

What Dr. Caldwell Learned in 47 Years Practice

Dr. Caldwell watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time regardless of how much one tries to avoid it. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It can not harm the most delicate system and is not a habit forming preparation. Syrup Pepsin is pleasant-tasting, and youngsters love it. It does not gripe. Thousands of mothers have written us to that effect.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for human beings to put into their system. In a practice of 47 years he never saw a reason for their use when a medicine like Syrup Pepsin will empty the bowels just as promptly, more cleanly and gently without griping and harm to the system.

Keep free from constipation. It robs your strength, hardens your arteries and brings on premature old age. Do not let a day go by without a bowel movement. Do not sit and hope, but go to a druggist and get one of the generous bottles of Dr. Caldwell's Syrup Pepsin. Take the proper dose that night and by morning you will feel like a different person. Use for yourself and members of the family in constipation.

STUDEBAKER President outsells every other Eight!

The Studebaker President Eight is outselling every other eight in the world, regardless of price or type!

Never in motor car history has any new car swept so swiftly to dominance. The President Eight is less than a year old. It was introduced in January of this year. In July it took the lead in the eight-cylinder field (25 makes.)

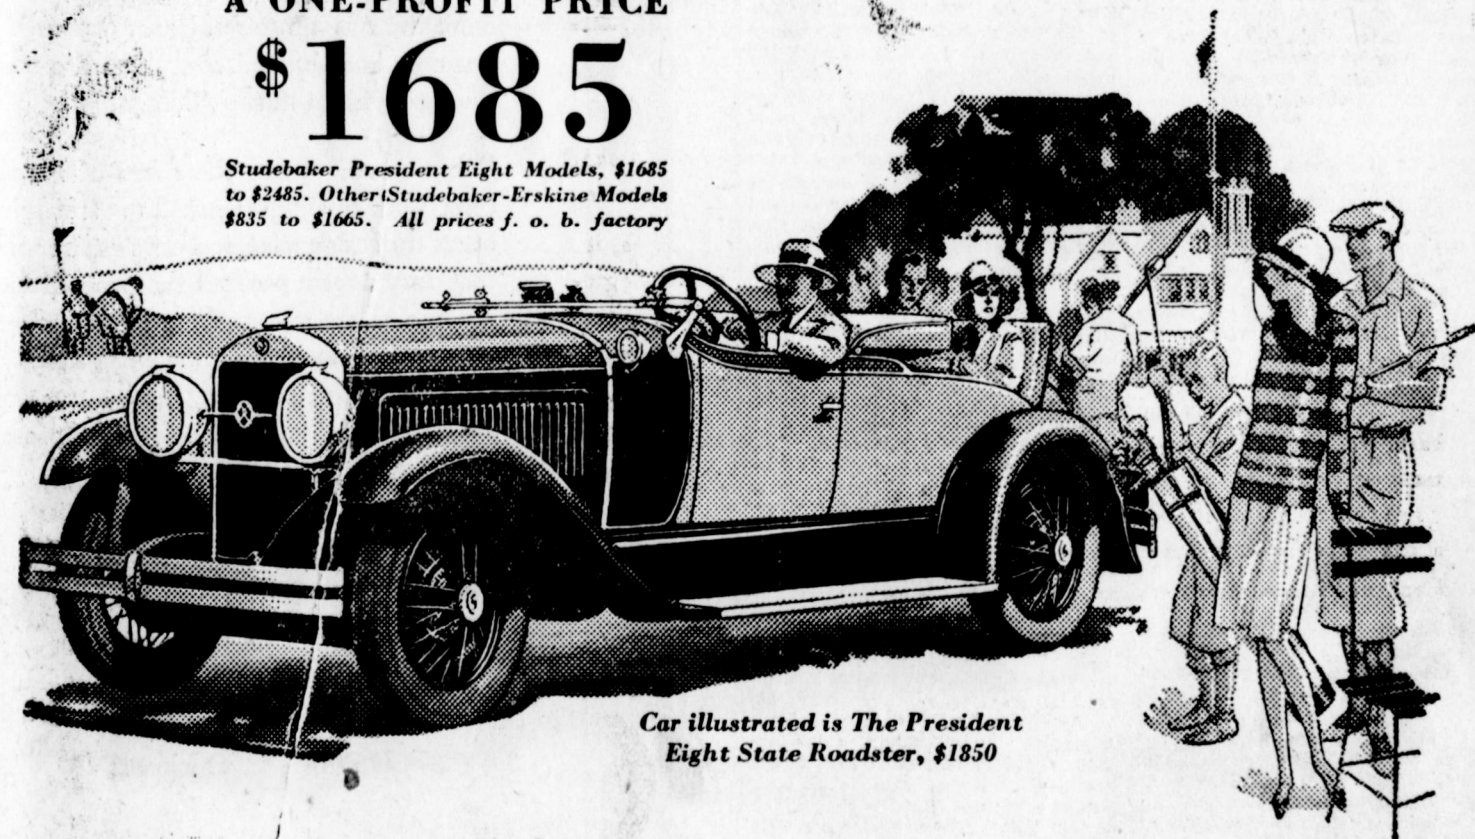

Never in Studebaker's 76 years of manufacturing has such magnificent tribute been paid to Studebaker engineering genius and craftsmanship.

Studebaker gratefully accepts the obligation which this leadership entails! It pledges you anew, the most thoroughly capable, the most comfortable, the smartest automobiles your motor money can buy.

The new Buick is the new Style

Nowhere such beauty and luxury ---- nowhere such pleasing lines and contours ---- nowhere Bodies that equal these new Masterpiece Bodies by Fisher--The entire country is saying, "That's the Style"

Setting an entirely new, a revolutionary, style--introducing what will unquestionably be the trend of smart body-design during the next several years--the new Bodies of the Silver Anniversary Buick are enjoying universal acclaim as the most original and distinctive, as well as the finest and most beautiful ever created by the world-famous Fisher organization!

Here is not only a new car but a new vogue --a vogue of symmetry, born of gently rounded contours instead of plain straight lines--a vogue of distinction, derived from sparkling colors, brilliant chrome-plated nickel and arresting new roof, radiator and fender design--a vogue of tasteful luxury, composed of finest mohair velvet upholstery, artistic hardware and fittings and new appointments of comfort and convenience not to be found in any other automobile--

and the vogue is proving so popular--the motoring public welcoming it so enthusiastically--that this beautiful new Buick continues to outsell all other cars above the very lowest price field by an overwhelming margin!

The entire country is hailing the Silver Anniversary Buick. The entire country is saying, "That's the style!"

Mrs. Mary Jameson, formerly of
this city, and now of Ashland, Mass.,
recently celebrated her 88th birthday
at the home of her daughter, Mrs.
Frank Jameson in Auburndale, Mass.
Many friends called to pay their re-
spects to this remarkably smart
woman, and she received some nice
and appropriate gifts. On the
threshold of 90, "Aunt Jameson" en-
joys the health of one 20 years her
junior, travels much and is very fond
of the radio. She has always been
a Democrat, but this year her bal-
lot will be marked on the Hoover
side. The best wishes of many Rock-
land friends are extended to her.

port's sister, Miss Annie Povich over
the weekend.

Miss Frances Hurd left Saturday
for Boston and Providence where she
will spend two weeks.

The Woman's Educational Club was
entertained Friday afternoon at
the home of Mrs. Austin Smith, Grace
street. Reports of the captains of
the drive for new members showed
that good work had been done. A
discussion followed in regard to the
best way of getting more than 1000
members and it was decided that if
each active member of the club would
do her part the goal would soon
be attained as the secret of suc-
cess is constancy of purpose. The
civic lesson on Municipal Govern-
ment was conducted by Mrs. Annie
Flint, wife of ex-Mayor Frank C.
Flint, who by her able leadership
made the lesson very interesting and
profitable. The speaker, Rev. E. O.
Kenyon, rector of St. Peter's Epis-
copal church, gave a wonderful talk
on "Religious Education" which was
highly appreciated by the members
of the club. The next club picnic is
Thursday from 2 to 7 p. m. with Mrs.
Alice Hall, Warrenton.

GREAT RESULTS FROM COMPOUND

Read How This Medicine
Helped This Woman

Brainerd, Minn.—"I read about
Lydia E. Pinkham's Vegetable Com-
pound in a news-
paper and I have
got great results
from its tonic
action at the
change of life.
Before I took it
I was nervous
and at times I
was too weak to
do my house-
work. I was this
way about a year.
But now I do all
my housework and do chores outside
also. I must say that Lydia E. Pink-
ham's Vegetable Compound has done
wonders for me and no woman should
be without it. I sure can speak a
good word for it."—MRS. JIM SMITH,

Rockland High Has Plenty Good Time With Belfast Boys
—Camden Loses Snug One To Lawrence

A Rockland team, thirsting for revenge after two defeats on foreign fields, came back Saturday to conquer Crosby High of Belfast 25-0 at Community Park. After getting off to a bad beginning the Rockland gridders staged a wonderful comeback, and when the smoke of battle had cleared the Orange and Black had scored four touchdowns. This victory was attained in the following manner.

Rockland kicked off and Belfast was downed in its tracks. Steady plugging by the Belfast backs netted several first downs, only to lose the ball by a fumble. The pigskin was given immediately to Wiggin who reeled off 30 yards, but the Belfast line soon tightened and Rockland lost the ball on downs. The quarter ended with the ball in Belfast's possession.

The playing was renewed and things began to look rosy for the local team. Fifield picked up a costly Belfast fumble and raced 60 yards for a touchdown only to have it called ineligible, because of tripping by a Rockland man. However, Crosby seemed unable to penetrate the Rockland line and the ball came again into the possession of the Orange and the Black. Wiggin, the outstanding star of the game, instantly galloped 50 yards for a touchdown. M. Hall added the extra point. Rockland kicked off and upon obtaining the ball repeated the performance, though the kick was missed by inches. The half ended without further scoring.

With the opening of the third period the Belfast line was torn into shreds. Accardi romped at will, and as a result he scored two touchdowns. The kicks for extra points were blocked. Substitutes were rushed in by both teams, and they battled in midfield for the remainder of the game.

Wiggin and Accardi starred in the backfield with Dondis and Emery putting up a fight in the line. No exceptional runs were made by the Crosby team but they deserve much credit for the manner in which they fought to the final gun. This score:

Rockland—Fifield, 1c. F. Hall, Shute, It. Burgess, 1c. Dondis, Oliver, c. Larrabee, Johnston, rz. Emery, Rounds, rt. Manoni, Mazzeo, re. M. Hall, Lawry, qb. Bisbee, Billings, lb. Wiggin, Barnard, rbb. Accardi, fb.

Belfast—Parker, 1c. Mosher, It. Rhodes, 1c. Toothaker, c. Nickerson, rz. Dow, rt. Clark, re. Woods, qb. Kelly, rbb. Black, lb. Eckman, fb.

Lawrence 6, Camden 0

An official's mistake permitted Lawrence High to kick off from the 30 yard line in Saturday's game at Camden. Nelson the right halfback of the Fairfield team caught the ball and falling in behind strong interference, made a touchdown. This was the only scoring done in the game, as Foulard failed to make a point after the touchdown.

Camden kicked to Lawrence, and after the visitors made a few end runs Coach Richards' men buckled down to business and Lawrence was never again within the shadow of Camden goal posts.

The teams were so evenly matched

that small gains were made by either. Conary, the Camden right guard was the star of the home team, while Nelson featured for Lawrence. Camden has a strong backfield, and a strong line, although a bit weak on the wings.

The score:
Lawrence High—Peters, 1c. Pillsbury, It. Fletcher, 1c. St. Peter, c. O'Brien, c. Akeley, rz. Carter, rt. Hunter, re. Jones, qb. Fleury, lb. Nelson, rbb. Foulard, fb.

Camden High—Thomas, re. Inman, rt. Conary, rz. Light, c. Thompson, lb. Allenwood, It. Weaver, 1c. Trenier, qb. Alexander, rbb. Bray, lb. Hopkins, fb. Score, Lawrence High 6, Camden High 0. Touchdown made by Nelson. Referee, Kennedy. Umpire, Crosby. Head linesman, Thomas. Linesmen Stevenson and Talbot. Time, four 8-minute periods.

"ALL AT IT"

Strong Working Force Is Chosen At Baptist Annual Meeting.

"All at it; all together at it; at it all the time."

This is the motto of the First Baptist church workers for the coming year, as prescribed by the pastor Rev. J. Charles MacDonald, and very likely to be followed out under his inspiring leadership.
