## OBSERVES NAVY DAY

National Arm of Defence To  
Have Its Annual Recog-  
nition Saturday.

Navy Day, which for some time  
has had annual observance in this  
country. It is to be celebrated this  
year on Oct. 27 and in some of the  
cities of the coast, east and west  
will come in for considerable recog-  
nition on the part of schools, pa-  
triotic organizations, etc. What our  
great navy means for the protection  
of the country's interests is fully  
understood by some. The object of  
Navy Day is to spread this knowl-  
edge so that every citizen may come  
to place upon it a proper valuation  
as a mighty arm of defence.

Rockland is in close touch with  
naval matters through the frequent  
visitation of warships that come here  
for trials upon the government  
course. Among these visiting ships  
the Oklahoma has several times fig-  
ured and will again be a visitor next  
summer for trial following the re-  
building which is now going on at  
the Philadelphia Navy Yard.

A Rockland man, Commander D.  
W. Fuller, is the Oklahoma's execu-  
tive officer.

As an illustration of how the ships  
are kept abreast of modern require-  
ments the details of what is being  
done may prove interesting to a con-  
siderable group of readers.

The Oklahoma was built by the  
New York Shipbuilding Company.  
The keel was laid in October, 1912,  
and the ship placed in commission  
in May, 1916. The original cost, ex-  
clusive of guns and armor, was  
\$5,926,000. On the trials on the  
Rockland course she made a speed  
of 20.78 knots, or about 24 miles  
per hour. She has two reciprocating  
engines, which develop 22,000 horse-  
power, and is the last ship built for  
the Navy to have this type of en-  
gines.

The Oklahoma is 583 feet in length,  
has a beam of 94 feet, 10 inches, a  
draft of 30 feet, and a displacement  
of 27,500 tons. She uses oil for fuel,  
the original capacity of the tanks be-  
ing 900,000 gallons. The armament  
consists of ten 14-inch guns,  
mounted in four turrets, there being  
two 2-gun turrets and two 2-gun  
turrets. In the secondary battery  
are twelve 5-inch broadside guns,  
and eight 5-inch anti-aircraft guns.  
Last year Congress voted \$6,200,000  
for major alterations and repairs in  
order that she might be made a more  
efficient unit of the fleet, both of-  
fensively and defensively. The most  
important items of repairs and alter-  
ations now being made are as fol-  
lows:

## THE BOK HOME FOR NURSES

Contract For Its Construction Awarded To Otto Nelson of  
Bangor—Work To Begin At Once

Final bids for the construction  
work of the proposed William  
Bok Home for Nurses were con-  
sidered yesterday by the building  
committee, who awarded the con-  
tract to Otto Nelson of Bangor,  
the lowest bidder, whose figures  
were within the amount set apart  
by the committee for the con-  
struction portion of the plans pre-  
pared by the architects, Hutchins  
& French of Boston.

Local sub-contractors figure in  
the general contract, the electri-  
cal work to be done by the Cen-  
tral Maine Power Co., and the  
heating and plumbing by William  
T. Smith.

The equipment for the Home  
will be supplied under separate  
contract which will be made at a  
later date.

Mr. Nelson is listed among the  
Maine contractors of high reputa-  
tion. The remodeling of the  
Camden & Rockland Water Com-  
pany's fine building at corner of  
Main and Lindsey streets was  
done by him.

The contract time for the com-  
pletion of the home is 200 days,  
exclusive of Sundays and holi-  
days. It is expected that opera-  
tions will begin by next Monday  
and the structure, of handsome  
exterior and modern arrange-  
ment within, facing the Public Library,  
will doubtless be completed by  
June of 1929, in season to comply  
with the desire expressed by its  
generous donor, Edward W. Bok,  
that it should be ready for him to  
look upon in its finished state  
when he comes here next season  
to resume his summer residence.

## TALK OF THE TOWN

The public schools are closed dur-  
ing teachers' convention in Bangor.

Ambrose Melvin has moved from  
29 Warren street into the Melvin  
house at 34 Warren street.

Charles Thornton was back with  
the Burpee Furniture Co.'s staff today  
after a week's vacation in the course  
of which his love of pedestrianism  
was not slighted.

The annex to the Lawrence Can-  
ning Company's sardine factory is  
being prepared for the canning of  
clams, which will begin about the  
middle of next month.

The 12th annual assessors' conven-  
tion will be held at the State House  
Nov. 13-15. Gov. Brewster delivers  
the opening address and there are  
prominent speakers provided for each  
session.

E. C. Moran, Jr., late candidate  
for governor on the Democratic  
ticket, attended the big Smith rally  
in Boston last night, and helped  
swell the applause which came so  
plainly to local radio listeners.

Major Edward L. Emmons, the  
Bath drum major who has dazzled  
Rockland folks with his gorgeous uni-  
forms and imposing carriage on sev-  
eral occasions, is to lead the big  
American Legion parade in Lynn,  
Mass. Armistice Day.

Those who wish to spend Armistice  
Day in Boston and vicinity will find  
encouragement in the special rates of-  
fered by the Maine Central Railroad,  
good going Nov. 9, and good for re-  
turn up to and including Nov. 19. The  
round trip fare from this city is \$7.21.

Somebody pushed Perry's laundry  
truck overboard from Perry's wharf  
Sunday, and although the deed was  
witnessed by about 200 persons there  
was no attempt at punishment or  
reprimand. The truck had been  
abandoned, and was going to the  
marine graveyard.

Jack Dodge, pilot of the airplane  
"Miss Rockland," is cavorting around  
the upper regions of Arrostook Coun-  
ty atmosphere this week. About the  
middle of next month Mr. Dodge and  
his mechanic Darryl Lattrell will hit  
the celestial pike for Atlanta, Ga.,  
where they will spend the winter.

The Central Maine Power Com-  
pany recently assigned a five day  
period for the sale by employees of  
2000 shares of stock, the Eastern di-  
vision in which Rockland is located,  
having a quota of 500 shares. What  
the Eastern division actually did was  
to dispose of 1022 shares. The drive  
proved a tremendous success, and  
the management was obliged to call it  
off two days in advance of the speci-  
fied time, as the entire block had been  
disposed of.

J. H. Brubaker, John W. Thompson  
and Deputy Warden F. H. Smallwood  
attended a meeting of the Sheepscot  
Valley Fish & Game Club in Wiscasset  
the other night, and partook of a  
feast which would delight any hunter.  
Just listen to this menu: Partridge,  
rabbit, squirrel pie, roast corn, with  
stuffing, baked venison, roast duck,  
baked bear, with dressing, roast  
chicken, baked woodcock, turnip,  
squash, cranberry sauce, mashed po-  
tato, pumpkin, squash pie, tea and  
coffee.

Three Knox County students, Mary  
R. Carter of Thomaston, Lorenus P.  
Hatch of Camden and Charles K.  
Hooper, also of Camden, are on the  
dean's list at the University of Maine  
for the fall semester. This list is  
composed of students whose work  
averages a grade of "B" or better.  
There are only about 150 students,  
out of a total registration of approxi-  
mately 1400 students, on this list.  
Miss Carter is a sophomore in the Col-  
lege of Arts and Sciences. Mr. Hatch  
is a senior in the Chemical Engineer-  
ing department and Mr. Hooper is a  
junior in the Electrical Engineering  
department.

The "Story Hour" a popular insti-  
tution at the Public Library will be-  
gin tomorrow evening at 8.45 o'clock.  
Miss Hazel Marshall, librarian of the  
juvenile department, will tell the  
story "There Ain't No Ghost" (Ellis  
Parker Butler), also other tales ap-  
propriate for the Halloween season.  
Another Dunmore story will also be  
in line, called "The Red Rose of  
Dunmore," a very interesting and ex-  
citing account of feuds, castles and  
knights. Saturday morning, at 10  
o'clock the younger children will have  
their "Story Hour," planned for chil-  
dren between the ages of four and eight  
years. These story hours are open  
to any child in the city.

## OLD OCTOBER

Old October's part's high gone,  
And the frosts are comin' on  
Little heavier ever day—  
Like our hearts is thataway!  
Leaves is chancin' overhead,  
Back from green to gray and red,  
Brown and yellow, with their stems  
Loosenin' on the oaks and elms;  
And the balms of the tree  
Gittin' balder every breeze—  
Like the heads were scratchin' on!  
Old October's part's high gone.

## I love old October so

I love old October so,  
I can't bear to see her go—  
Seems to me like I'm losin' some  
Old-time relative or chum—  
"Pears like sort of settin' by  
Some old friend 'at sigh by sigh  
Was a passin' out of sight  
Into everlastin' day—  
Hickernuts a feller hears  
Rattlin' down is more like tears  
Drappin' from the leaves below—  
I love old October so!

## Can't tell what it is about

Can't tell what it is about  
Old October knocks me out!  
I sleep well enough at night—  
And the blamsted appetite  
Ever mortal man possessed—  
Last thing I eat, it tastes the best!—  
Walnuts, butternuts, pawpaws,  
"Ties and limbers up my jaws  
For real service, such as mine

Yit, for all, they's somethin' 'bout  
Old October knocks me out.

**CIRCULATION AFFIDAVIT**  
 Rockland, Me., Oct. 25, 1928.  
 Personally appeared Frank S. Lydie, who on oath declares that he is President in the office of The Courier-Gazette, and that of the issue of this paper of Oct. 25, 1928, there was printed a total of 6238 copies.  
 Before me, FRANK B. MILLER, Notary Public.

Let this mind be in you, which was also in Christ Jesus. Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem other better than themselves.—Philippians 2:5, 3.

Not so very long ago the Democrats were assuming an attitude of martyrdom because of an alleged whispering campaign, conducted to the detriment of their candidate for the Presidency. Has anything been whispered that would compare in dirtiness with the recent statement, credited to Gov. Bibbs of Mississippi, to the effect that Herbert Hoover visited and danced with a negress during the flood relief work? Challenged with the falsity of the charge, what does Gov. Bibbs say? That he did not make that as a direct statement coming from him; that such a statement was made at a public rally in Jackson, Miss., some time ago. Whispering campaign, indeed!

Col. Charles A. Lindbergh is in Mexico on a bear hunt, and to avert any possibility of his being kidnapped he will be heavily guarded meantime. It does not seem to be in anybody's mind that Col. Lindbergh might be in danger from the bear. Of course Mexico knows its own conditions best.

Russell Thomas, former Belfast man, who is being held here in connection with the Thurston filling station safe robbery, is said to be wanted in a number of other places. Yesterday Sheriff Harding received word from Kennebec County that his finger prints tally closely with some which were found on a pane of glass in a filling station near Augusta, which had been robbed.

At last accounts the blueberry wine seized by Deputy Sheriff Bachelder and Special Deputies Phillips and Drinkwater, in St. George, had not been claimed, and Augustus Carleton on whose property the wine was found had not returned to his domicile. The blueberry extract is said to have analyzed 6 per cent, and it was so strong the deputies had to lug it with both hands.

Henry Sleeper who has been critically ill at Massachusetts General Hospital, has recovered to such an extent that he now has the freedom of the institution and will soon be able to return to his home. His ill turn was the delayed result of the amputation of two toes.

Joy that had reigned in boyish hearts on Beech street in the possession of a pony was succeeded by profound grief yesterday when an attack of indigestion put an end to the pony's life. He was a gift from William Senter of Brunswick to the boys of the Kennedy Crane family and arrived only last week.

William Bryant, who resides at Union Common, went the other day to a house which he owns in a distant part of the town, and found that burglars had been busy. The missing articles are jewelry, old coins and some rope. Deputy Sheriff Ludwick and Lieut. Cushman investigated, but are still clueless.

The United Stores Company of Lowell, Mass., which bought Moffitt block, announces its intention of making extensive repairs there in the near future. At present the two ground stores are vacant.

A letter box has been installed on Tilson avenue near the corner of Wharf street. Collections will be made three times a day.

The Courier-Gazette is curious to know if many Rockland women were provided with balloons in the Literary Digest straw poll.

## SEAVEY-REED

At the Free Will Baptist Church Sunday morning, Miss Elizabeth Webster Reed, daughter of Mr. and Mrs. P. K. Reed of Owl's Head, was married by the Rev. O. W. Stuart to William Paul Seavey, son of Mr. and Mrs. William Seavey of Rockland. The single ring service was used, with the couple attended by Mrs. Phoebe Reed, Miss Mildred Carver and Miss Lillian Reed. After the ceremony the couple left for a week's motor trip through northern Maine. They will reside at the Moody apartment on Franklin street. Mrs. Seavey who is a young lady of unusual attractiveness is employed at the V. F. Studley offices. She graduated from Rockland High School in 1925. Mr. Seavey is employed by the Moody Gasoline Company.

## MOULTON-COUTURE

Maynard Moulton, son of Mr. and Mrs. L. E. Moulton of Auburn and Miss Berthe Couture, daughter of Mr. and Mrs. J. B. Couture of Lewiston were married Saturday. A short reception followed and a buffet lunch was served at the bride's home.

After Nov. 3, the couple will be at home at 66 Summer street, Auburn where a charmingly outfitted apartment awaits them.

Mr. Moulton who resided in Rockland while his father was principal and superintendent of schools here, is assistant superintendent of the Ault-Williamson factory in Auburn. He is remembered as a prominent athlete at Bates College from which he was a graduate and he also attended New York University. He is a member of the Martindale country club and other organizations.

Mrs. Moulton graduated from Jordan High and attended Boston University these past two years. She is a member of the Lafollette Club and the Kappa Omega sorority. Before her studies in Boston, she was a member of Fayer Musical and was popular among the younger members.

## Artist Burpee Donates Painting To His Alma Mater, Rockland High School.

The morning assembly of the High School Tuesday morning, held in the auditorium, took on added interest and significance, as it marked the presentation to the school by William P. Burpee, the well known artist, of one of his own paintings. The exercises were held before the entire body of pupils, the faculty, and special guests.

Following bugle calls by Maurice Hall, calling the pupils of the lower classes to the hall, and a lively march played by the High School Orchestra, the velvet curtains were drawn apart, showing the senior class assembled on the stage, together with Mr. Burpee, Supt. Toner, and Principal Blaisdell, with Maynard Wiggin as chairman, this program was presented.

Singing—Star Spangled Banner  
 Allegiance to the Flag  
 Scripture and Lord's Prayer

 Principal Blaisdell  
 Singing—America the Beautiful

 Singing—Ourselves Christian Soldiers  
 School yell—Maurice Hall, cheer leader  
 Singing—America  
 Selection by orchestra  
 Mr. Burpee, who was gracefully introduced by Supt. Toner, was greeted

with applause as he advanced to the front of the stage, and in a very interesting manner compared the High School days of his time with the present day, then expressing the pleasure it gave him to present one of his paintings to the school to be passed along from year to year to the incoming pupils. When he had finished, the painting was unveiled, and the hearty applause was a tribute of appreciation for Mr. Burpee's kindness and generous thought. Principal Blaisdell responded briefly and pointedly, expressing the appreciation of the school and assuring Mr. Burpee the painting would hold a treasured place in the school.

The painting, one of the loveliest of Mr. Burpee's beautiful art works, depicts a harbor scene at Monhegan. Here and there on the water, which is a glowing blue, are small fishing boats, with a larger one in the foreground whose yellow sail and masts are reflected in the water below. The background shows the picturesque old fish houses, the cottages and homes nestled in trees and foliage of soft browns, greens and yellows. The artistic gold frame serves to accentuate the rich coloring of the scene. The painting has been hung in the library, and any one making a special visit to see it will be well repaid for the effort. The gift by Mr. Burpee is a most generous one, as he is recognized as one of the foremost artists of today, many of his paintings having been exhibited in New York art galleries, the Boston Art Club and other distinctive places.

Our Advertising Can Always Be Relied Upon To Tell You the Truth

The policy of all advertising to bring the desired results must be pictured the exact merchandise and the price at which you wish to sell. Otherwise it is only paying money to print a mess of lies. To advertise some article and then try to "switch" a customer to something more profitable went out of style with whiskers. No Atherton store ever tries this "gyp" method of business.

### WITH THE BOWLERS

The Belfast bowling team came to Carr's alleys last night and got mixed up with a full grown cyclone. The low man on the home team averaged 91 pins, while Milligan, the highest, averaged 115. The team average totals were a little better than 514. It was one of the classiest exhibitions of bowling that has ever been seen in Rockland, and it is small wonder that the helpless Belfast quintet went home to tell how it had been beaten 273 pins. Jack Black started the slaughter with a string of 130. The smallest of Milligans five strings was 108. The score:

Rockland	
Black	130 89 92 111 112 534

### TALK OF THE TOWN

The Gospel Mission service Thursday evening at 7.30 will be conducted by Eldridge Davis of Union.

Stanley Snow, in his official capacity as President of the State Y.P.C.U., visited the Brunswick union Sunday.

N. B. Cobb, Ernest C. Davis and Albert S. Peterson will attend the Harvard-Dartmouth game in Cambridge Saturday.

Letter Carrier Charles H. Walker and Postal Clerk E. M. Benner are having a short furlough from their duties at the postoffice.

The Ladies' Aid of the Methodist Church will serve their circle supper 5 to 7 Saturday of this week instead of the usual Wednesday.

John A. McDonough, who has been official umpire in the Maine Coast League the past two seasons, refereed the Bowdoin-Tufts game last Saturday.

Real estate is on the boom at the "Golf Links." Four new houses are under construction South picturesque stretch of Rockland's water front.

"Banjomania" with Bert Earl and girls, a Paramount special will be at Strand Theatre Monday and Tuesday. The feature picture will be "Glorious Betty" with Dolores Costello and Conrad Nagel.

There will be a special meeting Monday evening for rehearsal of the floor work of Ruth Mayhew Tent. The inspection will be the following evening, Oct. 30. The next regular meeting will be Nov. 5 with the usual supper at 6 o'clock.

Harry Smith of Wessawesing Inn leaves next week for Florida, being one of the crew of the South, a freight steamer which will run between Pawtucket and New York. Mr. Smith will serve as officer when the steamer is in commission.

Phil Jones, proprietor of Hatchet Mountain Camp in Hope, has been in the city this week. In connection with his camp two buildings are being erected—one, 50x22 feet, to serve as a gymnasium; and the other 36x22 feet to be an infirmary. The latter will have a glass front.

"Bill" Macomber, former athletic director of Rockland High School will be here Saturday with his Cony High School team, and is not looking forward to any picnic, according to a letter which Willis L. Ayer received from him yesterday. "My kids are tight," wrote Coach Macomber. "I haven't a regular on the team who weighs 160. My two tackles weigh 157 and 158; compare them with Chet Emery and 'Fat' Hall. My center weighs 155; my guards weigh 156 and 153. My ends weigh about 145 each, but even though the boys are light, believe me it is a fighting line. My backfield averages about 147. Last Saturday we took a beating in Auburn, five blocked kicks and a bad pass resulting in four touchdowns. My star, Coakley, is out of it, and my next best back was injured, but will be in shape Saturday. I am looking for one tough game. I know how those Rockland boys can fight, and when they do no team has got a walkaway with them.

The dances at Odd Fellows hall will be resumed Friday night, with Kie's Orchestra furnishing the music—adv.

127-128

There will be a Well Baby conference at the Red Cross rooms, 497 Main street, Monday, at 2 p. m. Babies to be weighed and measured.

128-129

The food sale conducted by the Junior Harmony Club Saturday was a great success, enabling the club to cancel all debts with a reserve sum for the year's work. The members wish to thank all those who helped make this possible and for the generous patronage.

The most interesting news in local real estate circles today is that an option has been given on the so-called Spofford block property corner Main and School streets, owned by E. D. Spear and Mrs. M. E. Wotton. The names of the would-be buyers do not appear in the transaction, as the option is said to have been obtained by a representative. The property has long been coveted by various interests, but until now the price offered has not quite met the expectations of the owners. The building is occupied on the ground floor by Burpee & Lamb, clothing, and Clarence E. Daniels, jeweler, and on the second floor by offices and a barber shop.

The newly completed observation tower at the Burnt Island Coast Guard Station was inspected yesterday by Associate Civil Engineer McGowan from the Boston office. The tower is 50 feet high, the observation room being reached by three flights of stairs. From this vantage point may be seen 13 lighthouses and a great deal of sea which was not before visible to the Burnt Island crew. A man will be kept constantly in the tower working on a four-hour trick. Judson H. Carver, bos'n 1st class is having his annual vacation from the Burnt Island station and is visiting in Jonesport.

## RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation" is responsible for more misery than any other cause. But immediate relief has been found. A tablet called Rexall Orderlies attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough movement without forming a habit or ever increasing the dose. Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at Charles W. Sheldon's or at the nearest Rexall Drug Store.

## Touches that Add Style to Dresses

By MAE MARTIN

You get so you just get a dress when everywhere you go it seems to shout, "I am a last year's relic." A few touches have brought many dresses like that back into style. It's amazing to see how easily they can be transformed by a few buttons, a little hair and the quick magic of home tinting or dyeing.

You don't need any experience to do home tinting or dyeing successfully if you are sure to use only true, fadeless Diamond Dyes. Each package represents the perfection of over 50 years of dye-making. Tinting with them is easy as bluing, and dyeing just takes a little more time. New colors appear like magic, right over the old colors.

Diamond Dyes give the daintiest of the latest tints and the richest of the new shades, with never a trace of that undesirable redged look which comes from inferior dyes. Insist on Diamond Dyes and save disappointment. My new 64 page book, "Color Craft," gives hundreds of dollarsaving suggestions for renewing clothes, draperies and rugs. It's fully illustrated in colors. Write for your FREE copy, NOW. Address Mae Martin, Home Service Dept., Diamond Dyes, Burlington, Vermont.

## DIMMICK-STEWART

Union Girl Becomes the Bride of a Massachusetts Man.

With the Stoney Brae Golf club as a setting for their wedding Miss Harriet Martha Stewart, daughter of Mrs. Rose Hills Stewart of Union, Maine, and Henry Stuart Dimmick of 78 Lincoln avenue, Wollaston were married Oct. 20 by Rev. Isaiah W. Sneath, D.D., minister of the Wollaston Congregational Church, in the presence of a large number of friends and relatives. The double ring service was used, and wedding music played by Wendall Luce, prominent Boston musician. Autumn leaves and chrysanthemums were used in the decorations which were unusually artistic and effective.

The bride entered the large lounge room of the club where the ceremony was performed, on the arm of her uncle. She wore a handsome wedding gown of white satin, with fitted bodice, and full circular skirt with uneven hemline. The train which fell from the shoulders, was of satin, trimmed with rose point lace, arranged in close fitting cap effect of the same lovely lace, with a frill of tulle arranged in halo effect. She carried an exquisite bouquet of white roses and orchids, in shower effect.

The matron of honor Mrs. Virginia Thompson McElwee, cousin of the bride, wore a stunning gown of soft jade green crepe and carried an arm bouquet of butterfly roses.

The bridesmaids, Miss Cora Hawes of Union, Maine, and Miss Katherine Dooliver of Wollaston, were gowned alike in period style apricot satin frock with old fashioned nosegay bouquets which added a touch of quaint charm to their effective costumes. Mr. Dimmick had as best man John P. Hardy of Bangor, Me., formerly of Wollaston, and the ushers were Edward Taylor and Frederick A. Roache of Wollaston and Leland S. McElwee of Waban.

At the wedding reception, which followed the reading of the marriage lines, Mr. and Mrs. Dimmick were assisted in receiving by the mother of the bride and father of the bridegroom, Henry R. L. Dimmick, and members of the wedding party. The bride's gift to the bridegroom was a handsome leather bill fold, and his gift to his bride was a sapphire and diamond little finger ring, and to the best man a silver cigarette case. He presented the ushers with silver belt buckles. The bride's gift to her attendants were necklaces of seed pearls and crystals.

Mr. and Mrs. Dimmick at the conclusion of a wedding trip by automobile to parts unknown, will make their home temporarily at 78 Lincoln avenue, Wollaston after Jan. 1 until they decide on their permanent residence. The bride is a graduate of the School of Domestic Science, Boston, class of 1926, and Mr. Dimmick is a graduate of the Massachusetts Institute of Technology class of '22, and is associated with the S. K. F. Industries, Inc., in the Boston office. He is a member of the Stoney Brae Golf Club.

### WINNER!

The artist friend who advised lovely Dorothy Gray, 254 West 12th St., New York City, to enter two recent beauty contests, is probably saying, "I told you so." She won both of them and a movie engagement into the bargain! Too bad, pictures can't show the loveliness of her skin and the gleaming beauty of her dark brown hair, points which the judges say, swayed their decisions.

"When I consider how people admire my hair now and how different it was not long ago," says Miss Gray, "I can't help telling about it. Dandruff had nearly ruined my hair. It had gotten stringy, dull, and was falling out. My scalp was terribly uncomfortable. Then a friend got me started on this method of caring for the hair which is all the rage among New York girls. Now, I just put a little Danderine on my brush each time I use it. Since I have been doing this regularly, all dandruff has disappeared; my scalp has become perfectly comfortable and healthy; my hair has how different it is in place. It stops dandruff. It isn't oily and doesn't show. At all drug stores, 35c. A delicately fragrant toilet necessity for the well-groomed girl."

Danderine quickly removes that oily film from your hair, restores its natural color, gives it more lustre than brilliantine. It makes the hair easy to dress and keeps it in place. It stops dandruff. It isn't oily and doesn't show. At all drug stores, 35c. A delicately fragrant toilet necessity for the well-groomed girl.

# In Five HOMES TONIGHT

What will happen in your household tonight if Baby can't sleep, and won't stop crying? It may be serious, if you've only medicines meant for grown-ups. You needn't worry, if you have a bottle of Castoria. A few drops, and the little one is comforted; a few moments, and all is serene once more. Yet, you have given nothing but a vegetable product which doctors approve for the tiniest babies. Just a gentle, soothing preparation the very taste of which tells you it is harmless.

Castoria is always a boon in the home where there are children of any age; for the little everyday ills, fretful spells, or any upset. And blessing when a sudden attack of colic or acute constipation demands relief. Never be without Castoria; some mothers keep an extra bottle put

## Cascara is Your Doctor's Choice

When physicians pronounce cascara the PERFECT laxative—why experiment with things that lash the system into action? (Cascara, you know, is the bark of a tree. A natural and normal stimulus to the bowels.)

The Indians, who used to chew this bark, had no word in their language that meant "constipation"!

Perfect regularity is possible to-day, and to all of us. We have cascara in ideal form: the very delightful-tasting candy Cascaret gives you just what you need. It has helped at least a million people to habitual regularity. Millions of others, unfortunately, have stuck to stronger things and acquired only the laxative habit.

Your first Cascaret will demonstrate how THOROUGH this gentle laxative is, after all. Your next surprise will be the length of time before you need another. Eventually, you'll see that cascaring tends to make the bowels move thereafter of their own accord!

A modern drugstore must stock many laxatives, but for your own good the druggist would rather have you ask for the inexpensive little box of Cascarets than anything else.

## KEEP LOOKING YOUNG

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards' Olive Tablets are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c, 30c and 60c.

## CAN'T PRAISE IT ENOUGH

Lydia E. Pinkham's Vegetable Compound Helped Her So Much

Kingston, Mo.—"I have not taken anything but Lydia E. Pinkham's Vegetable Compound for 18 months and I cannot praise it enough. I weighed about 100 pounds and was not able to do any kind of work. My housework was done by my mother and my out-of-doors work was not done. I have taken four bottles of the Vegetable Compound and now I am well and strong and feel fine. I got my sister-in-law to take it after her last baby came and she is stronger now. I cannot praise it enough."—MRS. HATTIE V. EASTIN, R. 1, Kingston, Missouri.

## PARK THEATRE

"The Midnight Taxi" with Antonia Moreno will be the feature today. It gets its name from the fleet of taxis with which the king of bootleggers, played by Moreno, conveys the booze—brought from Europe to the twelve-mile limit, and by boat to the docks—to Canada. Bootleggers cope with hi-jackers. Each suspects the other.

The five acts of vaudeville are Martin Howard Trio, fast stepping steppers; Elizabeth and the Barry Boys in Bits of Variety; Jack Hughes Duo, versatile instrumental virtuoso. Burke & Candee, comedy singing and talking and Jack Brooks novelty wire walking. There will be two shows 2 and 7.30.—adv.
