Remove Her Stomach Ache, and Did.

Day by day she has been getting better and better. The doctor told us it was one of the worst cases he had ever had to treat. We have been taking it for several days now and she is no longer in pain. We are so grateful to the Compound for what it has done for her. Thank you so much for helping her get well again. It is truly a wonder product.

LITTLE ELAINE DONOVAN GETS $10 IN GOLD
In First Count in The American Voting Contest.
Miss Susie L. Jordan stands Second; Mrs. Vera G. Holt, Third.
Miss Annie L. Gray Fourth—Thirty-Four Others.

ANOTHER SPECIAL BONUS PRIZE OF $15 IN GOLD WILL BE GIVEN ON SECOND COUNT JULY 9.

More than a million vote holders were notified that a second count would be held in the American Voting Contest, the purpose of which is to select the best girl and boy in the nation as a自然是 the winner of a $15 gold prize.

In a letter to Miss Donavan, the contest chairman, Miss Jordan, Miss Hoyt and Miss Gray also received $10 in gold for being the three nearest runners-up in the first count.

In other issues of The American it has been announced that the highest vote holder in any state would receive a cash prize of $100, and for this reason the people of that state are encouraged to vote for their favorite candidate.

Miss Jordan, who was notified that she had received the highest vote in Mississippi, will receive the $15 gold prize.

The names of the candidates who are expected to win the first count are being announced, and the people of this state are expected to vote for their favorite candidate.

A special feature of this contest is the fact that it is being conducted in a completely impartial manner, and the votes will be counted by an independent organization.

Miss Jordan, in her acceptance speech, said: "I am deeply grateful to the people of Mississippi for their kind and generous support. I shall do my best to make the best use of this prize and to be a credit to my state."

The contest chairman said: "We are pleased to be able to announce the names of these three candidates as the winners of the first count. We are confident that they will continue to be successful in the future, and we hope that they will do their best to be a credit to their state and to the American Voting Contest."
