Keep Your Beauty While You Cook

Cooking, with its sudden changes from hot to cold, is a strain on beauty; it dries the skin, reddens and distresses it.

WILSON'S FRECKLE CREAM

It will preserve your complexion, close a violent oiliness, and restore the smoothness and texture that you once possessed. A few drops at bedtime daily keeps your face free from that combination of oil and freckle that usually afflicts the complexion. "JUST PETER."

Continued from previous page.

"I'm afraid that's better," said the young fellow, "though it's helped some."

"Yes, it's helped,” said the young woman, "but you see, it's like this."

The young man opened the book to the next page, where the lines were:

"And there was a young man named Peter,

"Who sat and read, and read, and read.

"He said, 'I'm afraid that's better,'

"And the young woman said, 'Yes, it's helped,'

"But the young man said, 'But I'm afraid that's better,'

"And the young woman said, 'Yes, it's helped.'"
