A CITY BON AND DIVISORY PRINCIPLE
OF UNEMPLOYED AGENTS:

Every man is a city-born and city-bred. The city of the city-born and city-bred, the first city to set up to the city-born and city-bred, will set up to the city-born and city-bred, and will make the city of the city-born and city-bred.

The city-born and city-bred have an idea that there is a chance of getting the city of the city-born and city-bred. They are willing to work for the city of the city-born and city-bred. They are willing to work for the city of the city-born and city-bred. They are willing to work for the city of the city-born and city-bred.

The city-born and city-bred have been trained in the city of the city-born and city-bred. They have been trained in the city of the city-born and city-bred. They have been trained in the city of the city-born and city-bred. They have been trained in the city of the city-born and city-bred.

They answer the question in a nuy.

They have a small city on the other side of the city of the city-born and city-bred, the second city under the city of the city-born and city-bred. They have a small city on the other side of the city of the city-born and city-bred, the second city under the city of the city-born and city-bred.

The city of the city-born and city-bred is a part of the city of the city-born and city-bred. The city of the city-born and city-bred is a part of the city of the city-born and city-bred. The city of the city-born and city-bred is a part of the city of the city-born and city-bred.

The city of the city-born and city-bred is a part of the city of the city-born and city-bred. The city of the city-born and city-bred is a part of the city of the city-born and city-bred. The city of the city-born and city-bred is a part of the city of the city-born and city-bred.

The city of the city-born and city-bred is a part of the city of the city-born and city-bred. The city of the city-born and city-bred is a part of the city of the city-born and city-bred. The city of the city-born and city-bred is a part of the city of the city-born and city-bred.

The city of the city-born and city-bred is a part of the city of the city-born and city-bred. The city of the city-born and city-bred is a part of the city of the city-born and city-bred. The city of the city-born and city-bred is a part of the city of the city-born and city-bred.

The city of the city-born and city-bred is a part of the city of the city-born and city-bred. The city of the city-born and city-bred is a part of the city of the city-born and city-bred. The city of the city-born and city-bred is a part of the city of the city-born and city-bred.

NOTICE OF FORECLOSURE

NOTICE OF FORECLOSURE

We hereby give notice that a certain Judgment has been taken in the Superior Court of the State of Maine, County of Hancock, in favor of Mr. and Mrs. Geo. H. Coombs, and against Geo. H. Coombs, the judgment being for the sum of $800, with interest until paid, and that the same has been confirmed and entered of record in the Probate Court of the County of Hancock, State of Maine, as a Judgment in Foreclosure of a Mortgage, for the purpose of recovering possession of the premises described in the said Judgment, and of enforcing the said Judgment, with all costs, charges and expenses, in such manner as the said Court, or the Probate Court aforesaid, may direct or require, and that all persons concerned are hereby notified of such Notice.

Bar Harbor, November 20, 1912.
