SICK WOMEN ATTENTION

It is possible there is a woman in this country who continues without grief that Lydia E. Pinkham's Vegetable Compound a trial after the evidence that is contained in the publication, which proves that this grand old medicine has relieved more suffering among women than any other medicine in the world! This evidence is contained in the newspapers of the United States, more genuine testimonial letters than have ever been published in the interest of any other medicine for women—and every year we publish many new testimonials, all genuine and true. Here are three never before published.

From Mrs. S. T. Richmond, Providence, R. I.

PROVIDENCE, R. I.—For the benefit of women who suffer as I have done, I wish to state that Lydia E. Pinkham's Vegetable Compound has done for me. I did some heavy lifting and the doctor said I needed a displacement. I have always been weak and I recovered after my baby was born and inflammation set in, then serious prostrations and I was obliged to stay home until I used Lydia E. Pinkham's Vegetable Compound, and I feel so well that I am able to do the heavy duties without feeling the least exertion. I wish to state that which went last July 19th, 1861. I am now as strong as ever. I was once a weakling, but do not feel that now since using Lydia E. Pinkham's Vegetable Compound. I have had no difficulty in the last ten weeks, now, we will seek to do the heavy lifting.

From Mrs. J. D. Murdock, Quincy, Mass.

The doctor said that I had organic trouble and he prescribed something for me for a long time and I did not get any relief. I bought Lydia E. Pinkham's Vegetable Compound at the corner store and have been taking it ever since. I have finished the first bottle, I continued to take the second and have not been ill since and I now earn my own living. Mrs. J. D. Murdock.

A Minister's Wife Writes:

GROTON, Mass.—I have suffered very much with irregularities, general debility, and heartburn. I have used Lydia E. Pinkham's Vegetable Compound, as made, and I am very improved. Mrs. J. A. Libby.

From Mrs. J. D. Hodgkins, Richmond, Va.

Our Baby, born Dec. 26, 1872, he is the great elephant of the world and his father is as weak as an eel. His mother is a favorite with the Lord. His lungs are so tender that he is in a home made of gauze for his protection. He is the pride of his father and mother. A. J. Hodgkins.

Mental Breakdown.

In spite of the fact that his mind is a firmer rock bed than any other, he is strong in the faith, his heart is in the hands of his Maker.

The following is a discussion of President Wilson's previous Missouri trip. We cannot agree or disagree with the attitude to which he alludes. The Governor of Mexico, Huerta, during the past few months, whether we approve or disapprove of the steps taken in the Taxpex incident, every American citizen must now stand behind the President in enforcing the demands made upon the Huerta government. The "wiseful" policy is exploded, temporarily, at least, by a line of action that seems to promise much for the affairs and interests of our country and to give the world at large assurance that the same thing will be done in any future crisis in an effective and conclusive manner to make war upon them.

The action of the United States is directed entirely against Huerta, who has been ousted from Mexico. The action of President Wilson as the head of the Mexican government from Mexico is fraught with importance, in so far as the purpose of war to free the Mexican people from the rule of a dictator is concerned, and in so far as recognition of Huerta that is to be a part of a war with Mexico is concerned. It is the duty of the United States to make war upon Huerta and if the President in Mexico should be defeated by his own people, it will be the duty of the United States to see that he is captured and returned to Mexico.

An Elsworth correspondent told us the men present were discussing the "war on" Mexico, and that the President of the United States had been speaking on the subject of the Mexican war. He had said that the United States would not make war upon Huerta unless he was defeated by his own people. The President of the United States had said that he would not make war upon Huerta unless he was defeated by his own people.

EAST LUMBERTON.

Mrs. Frank Wompler and son Donald, who have been spending the summer months at their home near Wompler Store, returned to their home on the last day of the month. Mr. Wompler is employed at the bridge at Long Point.

Friends called on Mr. James crochet, of Shermans, to congratulate him on the birth of his son, one of the best babies and a little boy of the best breed of the American race. His grand old father, Mr. J. H. Crochet, of New York, passed away a short time ago and was very remembered as the founder of the family.

Mr. Charles J. Smith and his son, Mr. J. H. Smith, are busy in the preparation of Mr. J. H. Smith's son, who is expected to return from a visit to the east in a few days. Mr. Smith is a very respected member of the community and is much respected by his neighbors.
