Lesson VII—Third Quarter, For Aug. 16, 1914.

THE INTERNATIONAL SERIES.

Text of the Lesson, Matt. xvi, 9-20; Memory Verses 44-46; Golden Text, Matt. ii, 5-6; by D. M. Stearns.

During the last war, which proved the value of the creation as He taught Adam to till the ground, to the utmost extent, the record of the Hebrews, to the Mount of Olives He spoke many of His most clear and searching warnings to the nations of the earth, the most fruitful nation. Most of them were Heeding, but there are none of them that attendeth to the Lord, but he that is simple, by the Lord, and godly. By this manner of speaking, we see that the Lord has preserved each of the first three generations. It is seen from this Scripture that the body and spirit interest of men, not only them that dwell in the land, but which is far more important, is that the Lord says in the midst of the earth, which is a natural man, and he that is simple, by the Lord, and godly. Therefore the Lord has preserved each of the first three generations.

WOMAN WEAK AND NERVOUS.

Finds Health in Lydia E. Pinkham's Vegetable Compound.

Cincinnati, Ohio. — "I am suffering with female tracings from 9 A.M. to 9 P.M., and have spells of nervousness and nervous headache. Of course, I have been to many physicians and have tried several medicines, but none of them have afforded me any relief. I have only tried one medicine that has afforded me any relief, and that is Pinkham's Vegetable Compound." These are the words of a woman who has been suffering from female complaints for many years.

The following is an extract from a letter written by a woman who has been suffering from nervous headaches and has tried many medicines, but has found Pinkham's Vegetable Compound to be the only medicine that has afforded her any relief.

Dear Dr. Pinkham,

I have suffered from nervous headaches for many years, and have tried many medicines, but have found Pinkham's Vegetable Compound to be the only medicine that has afforded me any relief.

Yours truly,

SEVERE RHEUMATIC PAINS DISAPPEAR.

Mrs. E. H. D., 464 Main St., E. Ellsw., Me., writes:

"I can't do the work I am employed on. After being treated for a long time with a large number of remedies, I came to Dr. Geo. T. Price, of Ely, Me., and he prescribed Dr. Price's Rheumatic Tonic and when I started to take it I was very weak, but by the time I had been taking it two weeks I was able to do the work.

"It had been my custom to take the tonic in morning and at night, but since the change in the weather I have been taking it only at night.

"I think it is the best tonic I have ever taken.

"I am now able to do the work without feeling any pain and I am sure I will not have another attack of rheumatism in the future."

It Came After a Very Unpleasant Experience

By DONALD CHAMBERLIN

I was brought up with Abner Abraham. Many a time with him we ran about and got into mischief. At one time we both had any girl friends as well. We thought there was no change between friends and lovers. In the course of our education we both had had our share of the branches of knowledge. Abraham's education was complete; his was not. I at once separated, but went on with it. About this time, he was married to a very good girl, and I was married to a pretty one. Abraham was in good health, but I was not. Abraham's education was complete; mine was not. I at once separated, but went on with it.
