NEWSPAPER HISTORY
The Rockland Gazette was established in 1846. In 1874 the Courier was established and consolidated with the Gazette in 1892. The Free Press was established in 1855 and in 1891 changed its name to the Tribune. These papers consolidated March 17, 1897.

BIGGER AND BETTER THAN EVER

The "Auto Show" Is On For the Week—Multiple Cylinders, Airplanes and Motor Craft Feature

Unqualified approval was accorded by last night's record crowd to the Rockland Automobile and Aviation Show at Fireproof Garage. This year the whole of the big floor space is utilized with more cars and finer cars than ever before in addition to the aviation and speed boat sections. The cars of all price ranges this year are distinguished by luxuriousness of appointments and a uniformity of design that makes them all look a bit alike. This impression is heightened by the added uniformity of color, black being the out and out favorite. Lack of space prevents a detailed story of the individual booths and the cars displayed but suffice to say that all the leading makes are in evidence with a marked preponderance of "eights" over all other models. This is an era of multiple cylinders and the 16 cylinder Cadillac is simply a sign of the times with every indication that the cars of tomorrow will be of eight, twelve, sixteen or even twenty-four cylinders. A conservative estimate puts the car total value at \$100,000.

The Curtiss-Wright section drew much favorable comment with Robin and Moth planes in evidence. A Challenger motor, air plane parts and the Wind Tunnel were popular. The Dodge speed craft of Utterback & Gleason proved a drawing card as did Carney Anderson's speed boats presented by the Marine Supply Co.

PARK THEATRE

Radio Pictures answer to the demands of motion picture fans for an outdoor production filmed in natural locale instead of within the narrow confines of a studio sound stage, comes with "Beau Bandit," all-talking outdoor drama which opens tomorrow at Park Theatre.

Tiring of the traditional drawing room dramas, musical revues and back-stage films, audiences have created a real demand for a new type production. "Beau Bandit" was filmed a most completely in outdoor locale. The action takes place in the Mojave desert country of Arizona, and the story of the old west done in full dialogue and sound, is said to prove a most welcome departure. Rod La Rocque is seen in the leading role. Doris Kenyon, beautiful star of both silent and dialogue films, plays the feminine lead. "Beau Bandit" will be shown Friday and Saturday.—adv.

Thomaston High School Team Wins Its First Knox and Lincoln Basketball Championship. Standing, (left to right) Vinal Johnson lg, Arthur Stevens lf, Fred Libby c, Ferdinand Day rg, Richard Feyer sub, Douglas Walker sub. Seated, L. C. Sturtevant, coach; Clifton Felt rf and captain; J. Warren Everett manager. And We Must Not Forget "Styvie's" Pekinese Mascot, Chin-Chin.

The Thomaston High School basketball team, piloted by Lewis C. Sturtevant, miracle man of Knox County athletics, has added to its prestige this season by winning its first championship cup in the Knox and Lincoln Basketball League.

A schedule of 12 games resulted in only one defeat, that being at the hands of the Thomaston alumni team, on which it had the satisfaction of turning the tables at a later date. Two exhibition games were played with Waldoboro High School.

The team won all of its eight league games, in which it scored 223 points against its opponents' 134.

Captain Felt led in the team's attack, scoring a total of 58 points—29 field goals and 10 foul goals.

Another reason why Thomaston High won the championship was furnished by Captain Felt's "side kick" Stevens, who made 28 field goals and 10 foul goals—a total of 66 points.

Something of a record was also established by Johnson who played guard in all of the games but made only three fouls.

One does not need to be told that devotion to Coach Sturtevant was one of the prime reasons why Thomaston High School added to its generous supply of cups. Sport patrons have long ceased to marvel at his extraordinary faculty of turning out

THE LIONS CLUB

Kane of the Mounted Gives a Glimpse of the Canadian Northwest

The Rockland Lions made a mental journey to Northwestern Canada yesterday and visited some of the scenes which had become familiar to the former member of the Northwest Mounted Police who was addressing them. The speaker was Thompson Kane, the popular day clerk at Hotel Rockland, who served four years in the "Mounted" and 22 months in the Black Hawk Regiment Overseas.

This organization of silent men, as the speaker termed it, is nothing else than a department of military. The applicant enlists in the usual manner and if he is accepted is sent to a training school to be put through a course of sprouts. He is then sent to some outpost to co-operate with the civilian police. If he draws an assignment in some center like Winnipeg, or near the Canadian Pacific arteries his work is comparatively easy and has many pleasant features. Mr. Kane was given a post in the Hudson Bay territory, where he became familiar with trapping methods, staying for six or eight months at a time in an Indian village to learn the habits of the tribe.

He contrasted the old method of barter by which an Indian would trade a pile of valuable furs for an old musket, with the present method whereby the trapper gets full value for his product. And for the benefit of uninitiated listeners he sounded a note of caution.

"When you buy furs," said he, "buy the skin of some animal that inhabits the water. Weather has no effect upon it."

Mr. Kane said that he made an especial study of the habits of the most intelligent of all the fur-bearing animals, "The men who are building that dam in Bingham have nothing on the beaver," said he.

He lives on the popple tree and builds his dams with it. Mr. Kane told how the Indians outfit the beaver. They wait until the water freezes, then cut a hole in the ice and drop a popple through it. The timid beaver is very cautious at first, but finally begins nibbling at the end of the wood which is under water. Then the foxy redman pulls the popple out, affixes a trap to it, and drops the wood back through the hole. The scheme seldom fails to work, and when the Indian again draws the popple from the water the trap comes out with a beaver in it.

The trapper pays a license of \$5 and is permitted to catch 20 beavers a season, the skins being valued at \$150 to \$200.

Mr. Kane concluded his talk with a recital of "The Shooting of Dan McGrew," and was roundly applauded.

Immediate Past President Frank H. Ingraham was elected district director to co-operate with 22 others in arranging for the district convention which will be held this year at the Samoset. Maurice Lovejoy, Russell Gray and A. B. Allen were named as members of the district committee. Leon E. B. Davis, recently married, presented his further compliments in the form of some nice confections. The song conflict by "Patchy" Saville and Earle Ludwick provoked much merriment.

Yesterday's guests were T. Smalley, W. N. Wassett, R. P. Brown, F. A. Tierrell, C. S. Buckman, Fred L. Lincoln, E. C. Dow, Inspector Phil Ernest C. Davis and Manley T. Perry.

"BIRD DAY"

Gov. Gardiner Has Named April 11 For Our Feathered Friends.

Gov. Gardiner has announced that April 11 has been designated for the observance of Bird Day throughout the country and urged the citizens of Maine to join in the movement.

"It is estimated that the loss to agriculture by insect pests is about ten percent of everything raised. Were it not for the birds this loss would be decidedly larger," were the Governor's words.

"But aside from the economic and commercial importance of our birds, the happiness and cheer brought to young and old by the beauty of song and plumage merits an effort for protection and conservation. In our homes, in our clubs, in our schools, we may well welcome an opportunity to take an active part in this nationwide program."

WEEKLY WEATHER STORY

The only snow of any consequence is over the northern and extreme western portions of the State and in the woods of the central portion. The snow in the woods averages two feet deep. At Doucet, northern Quebec the snow is 26 inches deep and the ice 24 inches thick. The ice on Moosehead Lake, Maine actually increased two inches over last week, but ponds and small lakes have about two-thirds to a half of the thickness of last week. Danger of freshets this spring is practically over.

YOUR FAVORITE POEM

GOOD-BYE

Good-bye, proud world! I'm going home.
"Thou art not my friend, and I'm not thine,
Long through the ivy crowd I roam;
A river-ark on the ocean brine,
Long I've been tossed like the driven foam;
But now, proud world! I'm going home.

Good-bye to Flattery's fawning face;
To Grandeur with his wise grimace;
To upstart Wealth's averted eye;
To supple Office, low and high;
To crowd and halls, to court and street;
To frozen hearts and hasting feet;
To those who go, and those who come;
Good-bye, proud world! I'm going home.

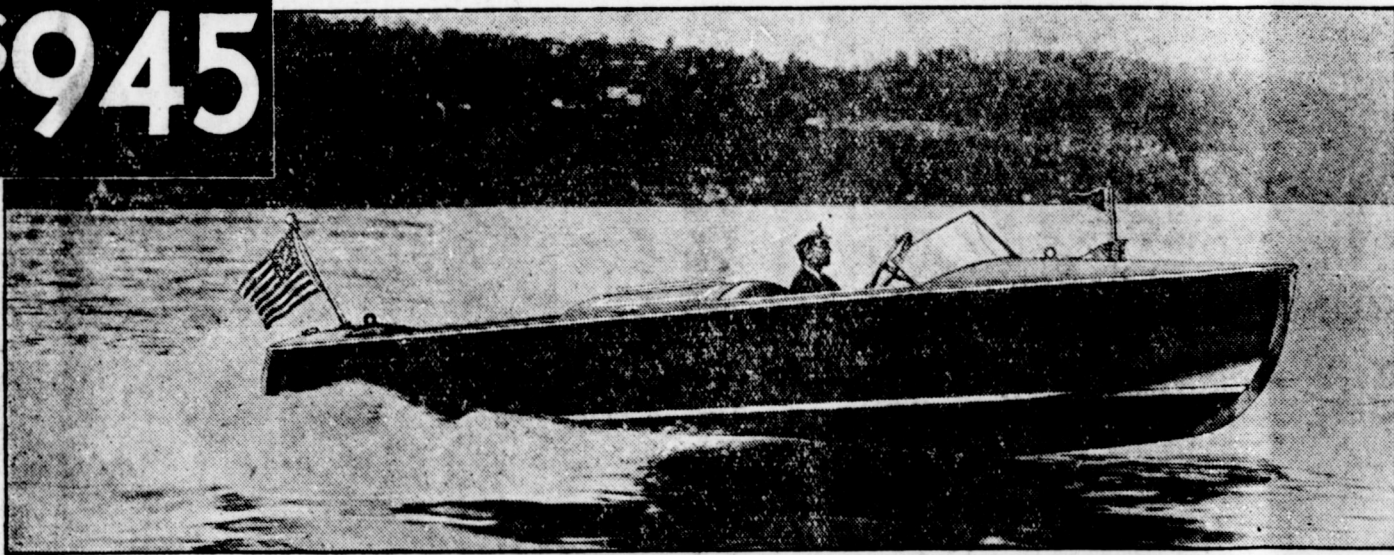

I'm going to my own hearthstone,
I lead on the pride of Greece and Rome;
A secret nook in a pleasant land,
Whose groves the frolic faeries planned;
Where arches green the living day,
Echo the blackbird's roundelay,
Ad vulgar feet have never trod
A spot that is sacred to thought and God.

O, when I am safe in my sylvan home,
I lead on the pride of Greece and Rome;
And when I am stretched beneath the pines,
Where the evening star so holy shines,
I laugh at the ivy crowd and the pride of man,
At the sophist schools and the learned clan;
For what are they all, in their high conceit,
When man in the bushy clad may meet?

A Revelation in Low Cost Boating Luxury Awaits You!

\$945

Here is the result of a great forward step in boat building—a genuine mahogany motor boat of Dodge quality, completely equipped from self-starter to flag pole light, at a price that can be compared with bare hulls and outboard motors.

The same modern production methods that have put the former luxury of motor cars within the reach of every family, have at last been applied to building motor boats. The great new Dodge plant on tidewater, with the most modern equipment and tremendous capacity, can produce small boats like larger ones, at revolutionary low costs.

In the 1930 Dodge fleet the larger boats match this smaller gem in value. You will see a 21-foot runabout for \$2100 that makes 35 miles an hour. There is a 25-footer for \$2500, and a 28-footer for \$3700. For a new sense of luxurious speed there is a 300 horse power luxurious runabout for \$4500, that makes 45 miles an hour with ease.

In response to the pressure of public demand, there is a complete showing of these models of Dodge Boats at our showroom. Come and see these boats and understand why this great leader in the boating industry has deservedly earned its world-wide prestige for quality and value.

THREE-TIMES-A-WEEK

Rockland, Me., April 3, 1930.
Personally appeared Frank S. Lydell, who on oath declared that he is Pressman in the office of The Courier-Gazette, and that the issue of this paper of April 1, 1930, there was printed a total of 3540 copies.
Before me, FRANK B. MILLER, Notary Public.

The Lord is high unto all them that call upon him; to all that call upon him in truth.—Psalm 145:18.

The Father and Son banquet given by Knox Lodge, L.O.O.F., had an attendance of about 150, with a large percentage of fathers and sons, owned, or borrowed for the occasion. The entertainment was carried out as a radio program, with O. B. Lovejoy acting as announcer in a most efficient manner. The program included readings by Miss Madeline Rogers, Meredith Dondis, Milton Rollins Jr., Harold Dondis, Mrs. Beulah Rokes Ames; piano solos by Mrs. Josephine Burns, and a delightful pantomime entitled "A Bachelor's Dream," with Miss Rogers acting as reader, and Jesse Carroll as the bachelor. In the cast appeared Winifred Dimick, Little Playmate; Mrs. Ames, school chum; Miss Vivian Lundeck, country girl; Mrs. Ida Huntley, beauty; Mrs. Milton Rollins, bride; Mrs. Lillian Cotton, winter girl; Mrs. Jesse Carroll, sailor girl; Mrs. Elizabeth Phillips, gypsy girl; Dorothy Dimick, military girl; Mrs. Lillian McCurdy, Indian maid; Mrs. Annie Aylward, nurse; Mrs. Burns, mother. Incidental songs were given by Mrs. Ames, Mrs. Ruth Hoch and Mrs. Huntley. Bud Freeman's Troubadours furnished pleasing orchestral music at intervals. The success of the occasion was largely due to Albert Cables and L. C. Jackson Jr., who had charge of the banquet, with Miss Hazel Marshall in charge of the entertainment.

Harry C. Moody of Belmont, Mass., has been in the city and vicinity for a few days on business connected with the new "Montpelier" at Thomaston. It was decided during his stay to amend the architect's plans so that the building will be completely encircled by a piazza, as was the case with the original building. The new Montpelier will be completed within six weeks, and will meantime have been painted a gleaming white, which will make it a most conspicuous structure approached from any angle. A great deal of work will remain to be done on the premises before the Memorial is ready for the dedication. A suitable endowment to provide for maintenance will then be the pressing need.

Lively interest is being displayed in the children's play "The King of the Bookcase" to be presented at the High School auditorium tomorrow evening at 8 o'clock for the benefit of the Public Library book fund. A sketch is also to be given, all the parts in both play and sketch being taken by dramatic pupils of Miss Adeyn Bushnell's children's class. Miss Bushnell and Marshall Bradford will also give numbers including readings and songs. There will be a matinee for children Saturday afternoon at 2:30. The tickets which are moderately priced are on sale by the pupils of the city schools, and no seats are to be checked.

Trials of the Shipping Board Steamship Clairton were resumed this morning, today's standardization test being with the vessel at medium draft. The trial was joined yesterday by its former president, Rear Admiral J. G. Tawressey, whose chief advice interest now concerns Shipping Board affairs. It has been five years since he came here in an official capacity but he still has a kindly interest in Rockland, and is being cordially greeted by the friends he made during previous visits.

Rockland will have a warship for Memorial Day and another for St. John's Day (June 24) according to a Washington dispatch which says that Congressman White took the matter up personally with Senator Hale, chairman of the Naval Affairs committee. Maine has a strong friend at court when it comes to wanting anything in the Naval line. The warship for Memorial Day will be the light cruiser Milwaukee, with a band on board.

Frank Bramhall of Bangor, driving a Dodge sedan, attempted to pass a truck near Ballard Park Tuesday afternoon when his car swung over the soft shoulder and brought up against a culvert post with such force that the timber was uprooted. Mr. Bramhall's head struck the windshield and he received a very bad cut on the temple. He was taken in dazed condition to Knox Hospital where it was found that his injury was not serious. Inspector Flint investigated.

Because of the fact that census figures may be announced earlier than had been expected the time for closing The Courier-Gazette's contest has again been set for April 15. If you have not already registered your guess, fill out one of the coupons or even telephone your figures to this office so as to have a chance of winning that \$10 in gold or a year's subscription to The Courier-Gazette.

A Star route extension from Warren to Thomaston now takes care of mail leaving on the afternoon train and intended for patrons in Warren and Union. This will be a boon to local business and to subscribers of The Courier-Gazette who will receive this paper on the day of publication. Another Star route change brings a pouch of mail from Belfast to the Rockland postoffice and for the night train.

Scout Howard Chase was happily surprised last night when Troop 2 invaded his home by invitation of his mother to help him celebrate his 14th birthday. Fourteen Scouts were present. Games, jokes, singing and a nice lunch were on the program. Howard was given three cheers and presented by the Troop with 14 "slaps" and a set of signal flags.

"ENSIGN" WINSOR NOW Officer In Charge of Salvation Army Corps Receives Deserved Promotion

When Captain George A. Winsor of the local Salvation Army Corps made his appearance on the street yesterday a close observer might have noted that a silver "S" had replaced the red letter on his coat collar.

Ensign George A. Winsor

To those versed in the modus operandi of the Salvation Army this meant that the erstwhile captain had been promoted to the rank of ensign, entitled to this distinctive feature in his uniform, and, incidentally, to a welcome increase in his salary.

Ensign Winsor has been in the Salvation Army service eight years. He joined in Newfoundland in 1915, but resigned after four years because illness in his old home required his presence there. When he re-enlisted in 1925 it was in Chelsea, Mass., and devoted a year to evangelistic work in New England States.

He was in charge in Fitchburg, Mass., and Concord, N. H. before being transferred to Rockland two years ago. The work here has prospered under his direction and he has won the respect and confidence of the citizens at large.

ROCKPORT
Mrs. William Baker and daughter Alice returned Monday to Edgecomb after a two weeks' visit with her parents, Capt. and Mrs. George Lane.

Mrs. Ruth Nash and son Frank have been guests for a few days of her sister, Mrs. Margaret Carr, Spruce Head.

Mr. and Mrs. Samuel Haskell have returned to their home on Commercial street after spending the winter months in Camden.

Among the jolliest gatherings of Harbor Light Chapter, O.E.S., was the "April Fool Costume Party" which was held immediately following the regular business meeting Tuesday night. The costumes were of all sorts and descriptions and caused much merriment. Various games and stunts were indulged in, prizes in the "donkey" game being awarded Mrs. Ina G. Wooster and Mrs. Louise Cavanaugh. Ice cream and cake were served.

The "Girls' Friendship Club" recently organized, and which meets every Monday evening for reading, has elected the following officers: President, Alice Steward; vice president, Helena Upham; secretary and treasurer, Madeline Smalley; executive committee, Vera Richards and Marie McFarland.

Eighteen members of the Trytobelp Club sat down to a "poverty supper" at the Baptist vestry Monday evening.

and appeased their appetites with pea soup, Johnny cake, doughnuts and coffee served from a bare board table. The food, however, disappeared as rapidly as though it were a turkey supper placed before them. Poverty costumes were worn by the members. The remainder of the evening following supper was spent in tackling a comforter. The next meeting of the Club will be held at the home of Mrs. Lena Tominski with Mrs. Alice Marston as hostess.

The Baptist ladies' sewing circle will hold a cooked food sale Saturday afternoon at the store of the Rockport Ice Co.

A playlet entitled "The Strike of the Ladies' Aid" will be given Friday evening at the Methodist vestry at 8 o'clock by the Baraca Class of the Rockland Methodist Church. This entertainment was presented in Rockland last week and was a pronounced success. It is a raucous comedy and means a laugh every minute.

A baby daughter arrived April 1 at the home of Mr. and Mrs. Alphonso Eaton. She has been named Frances Kathleen.

An interesting address was delivered at the Baptist Church Sunday morning by Frederick W. Smith in the interest of the Clive League.

Lloyd Rhodes returned to Castine today to reenter the Eastern State Normal School, following a week's vacation.

Work is progressing rapidly on the attractive four-room bungalow now being erected on Central street by Herbert Mann and which when completed will be occupied by his mother.

"The Strike of the Ladies' Aid" will be the attraction next Friday evening to be presented by members of the Methodist Ladies' Aid. Plan to attend and have a good laugh.

The dates of the Rockport Minstrels have been changed to April 16-17.

Troop No. 7, Boy Scouts, are looking forward to the banquet Wednesday evening at the Methodist vestry which will be served them by the Ladies' Aid. It is safe to say that every member of the troop will be there with a keen appetite for the viands which will be set before them.

George Freeman of Brewer, a representative of the Snap-On Wrench Co., was guest last week of his friend, Fred Wallace, West street.

Ronald Billings, Kora Harris, Ruth Upham, Ruth Marcello, Maxine Spelford, Richard Thomas and Keith

Crockett returned Saturday from the Washington trip and report a highly enjoyable as well as profitable time. Several of the class took advantage of the stopover and will return later. Ruth Miller visiting in Salem; Howard Carroll in Boston; Beatrice Grafham in Providence; William Ingraham in Waltham, and Maxine Lowell remaining in Washington another week with her uncle, Eugene Goodwin.

Charles Davis of Vinahaven spent the weekend with his brother, J. Carleton Davis.

A. T. Carroll, Mrs. Frederick Richards, Mrs. Walter Carroll and son Howard returned Monday night from a few days' visit in Boston.

Mrs. James Miller is spending a few days in Salem, Mass., the guest of relatives.

WITH THE BOWLERS

The Sheepskinners had their knives sharpened for K. of P. at Carr's alley Monday night and won the match by 91 pins. E. Stone and Jacobs indulged in a very pretty race, but the former won by four pins. These two bowlers were tied for high string on 118. The summary:

Sheepskinners—Young, 288; W. Stone, 294; C. Smalley, 269; Davis, 263; E. Stone, 317; total, 1431.

K. of P.—Closson, 286; Wentworth, 247; Jacobs, 313; Smalley, 244; Burnham, 250; total, 1540.

The Wholesalers won a modest victory over Forty Club No. 2 at Carr's Monday night. The only bowler to pass the 300-mark was Glidden, who had high string, 121. The summary:

Wholesalers—Jordan, 264; Brown, 296; Glidden, 302; Rogers, 287; French, 274; total, 1423.

Forty Club No. 2—Orff, 293; Stratton, 278; Miller, 277; Beach, 266; Stinson, 287; total, 1401.

Cement No. 2 was just six pins to the good in its match with Perry's Market at Carr's Tuesday night. Small scores ruled. Norton being high man on 290 and Freeman having high single on 105. The summary:

Cement No. 2—Stockford, 251; Hastings, 266; Wishman, 256; Cates, 267; Freeman, 289; total, 1329.

Perry's Market—Small, 255; Schofield, 254; Cameron, 245; Abbott, 276; Norton, 290; total, 1323.

Forty Club No. 3 defeated Cement No. 2 by 23 pins at Carr's Tuesday night. Hastings was cited for high string (122) and high total. Miller was out in front for the Forties. The summary:

Forty Club No. 3—Orff, 265; Miller, 302; Scarlett, 268; Peaslee, 284; Stinson, 277; total, 1396.

Cement No. 2—Stockford, 245; Hastings, 312; Wishman, 256; Cates, 277; Freeman, 283; total, 1373.

Recent results: Star Alley League, Public Theatre 242, Veterans' Firemen 235; Carr's Alley League, Cement No. 1 1355, Street Railway 1243.

As the Star Alley League now stands Public Theatre must win five points out of six and the Odd Fellows two points out of six.

LAST OF FAMILY

Col. O. N. Blackington, Former Rockland Livery Stable Proprietor, Is 90

Col. O. N. Blackington, a former well known Rockland resident, and final survivor of a family of two boys and seven girls (the late Oscar E. Blackington being a brother) celebrated his 90th birthday down in Lime Rock, Conn., recently. In anticipation of that interesting event the local newspaper said:

Col. Oliver Nelson Blackington, a Civil War veteran and father of Mrs. H. N. Allcock, will celebrate his 90th birthday anniversary tomorrow in his usual quiet manner. He is one of the living veterans who heads the list for long service in the war, a period of five years, seven months and eight days. He enlisted in Rockland, Me., in the 4th Maine Inf., in April, 1861 and was discharged in New Orleans, November, 1866. He took part in the battles of Bull Run, Chantilly, Fredericksburg and Port Hudson. At Fredericksburg the colonel was wounded. For brave and meritorious service he was promoted through the various grades, until reaching that of lieutenant colonel, and being finally brevetted a colonel. He served at various times under Gens. McDowell, McClellan, Burnside, Pope, Sedgwick, a Connecticut man, Kearny, Banks, Sherman and Sheridan. He became captain of a colored regiment and served this period in Louisiana, mainly under Gen. Banks. His service here was highly commended by his superiors. Serving under him in Louisiana was Capt. Adolphus W. Greely, later famous for his North Pole exploits.

Col. Blackington married Matilda W. Worrell of Germantown, Penn., in New Orleans in 1865. She was a direct descendant of Betty Ross. He has a son who served in the Spanish-American War as captain and a grandson who was out in the World War. Col. Blackington has been commander of Seth Williams Post, G. A. R., department of Maine. He has also served on the city council of Rockland. The colonel cast his first vote for Lincoln and has voted at every presidential election since. He tried to get out into service during the Spanish-American war but failed of making the grade on account of age. He had an appointment to a captaincy after the Civil War count of his rundown condition due to the fevers in the South. The colonel is now the picture of health. The village is proud of the distinction of having one of the oldest veterans within its confines. He smokes his several cigars each day, and reads incessantly. He remembers seeing Lincoln riding by reviewing the troops. He says he rode farmer-fashion.

"ON MY SET"

Beniamino Gigli, leading tenor of the Metropolitan Opera Company, and a favorite with opera and concert audiences throughout the world, is announced as soloist on the program of the Victor Division of the RCA, Victor Company, tonight through WEEI at 10 o'clock. Among the operatic numbers will be "O Paradiso" from Meyerbeer's "L'Africana" and "Una Furtiva Lagrima" from Donizetti's "Elisir d'Amore." Gigli has become one of the most celebrated Italian tenors of the day, hailed as the nearest approach to Caruso's brilliance.

The guest artist, Sandy McFarlane's broadcast tonight at 8 o'clock over WBZ-WJZ will be Oscar Mathas, a master of the clarinet, now playing with Charlie Frank and his Scollay Square Theatre orchestra. For many years Mathas served with such famed bandmasters as John Philip Sousa, Pat Conway and Arthur Pryor.

Warmer tomorrow, with showers.

There will be a "Well Baby" clinic at Knox Hospital Monday from 2 to 4 p. m. A doctor will be in attendance. The clinic is under the auspices of the Red Cross. Enter by the Ambulance door.

A Sound Store Policy That Protects You

The Senter Crane Policy is built on the most up-to-date department store method of doing business. The combining of general overhead such as rent, office and delivery expenses with an increased volume of business which is largely cash (the remaining being monthly accounts) results in a definite and direct saving to Senter Crane's Customers in the form of lower prices.

The Senter Crane Company offers no gifts, premiums or discounts because these must always be added to the selling price, but we do offer you first class style right merchandise at what we believe to be the lowest possible prices.

There is no secret to the running of a department store. We select those things that are selling in the larger cities particularly New York—those things that we think you will want—the price we put on them must depend on our store expenses and our store expenses are low; that's the only secret, and why you buy here so many Better Things For Less!

There will be a series of 7 o'clock pre-Easter union services, April 8-9-10-11 held alternately at

SEWER CRANE COMPANY

"SES WHO? "SES NILO!"

So many people have asked me lately if I was going out of business, I feel that I should put this notice in The Courier-Gazette. Any of my real estate is always for sale. Who wouldn't sell at a profit? Rockland is the old home town to me and always will be.

I have lately installed an elaborate method of reconditioning the valves in your motor called "Kwik Valve." We do not grind your valves with compound—we do it mechanically. It is not a quicker method—in fact it takes longer but it is absolutely accurate.

Now is the time to change the gear oil in your transmission and differential. We use an electric flushing machine and genuine Alenite gear oil of the proper consistency. In regard to brakes, we use several brands of brake lining for there is no one make of brake lining suitable for all cars.

Batteries—any make of battery that you wish may be purchased at my place at the same price you would pay at any of the local service stations with a liberal allowance for your old battery. If you have had your car overhauled and it fails to run to suit you, make an appointment and I will tune it up right. I don't care who gummed it up. I have had twenty years' experience on all types of motors and I know my stuff and I don't care who knows it. Nilo.

Nilo's Repair Shop, Spring street, Rockland.

The Sperry & Hutchins green trading stamps people have leased the south side of the Gonla store and will open a premium department about April 15. Mr. Gonla will continue to carry gift goods but on a smaller scale and will devote more time and space to his large paint and wall paper business.

Have leased the south side of my store to the S. & H. green trading stamps for a display room and in order to make room for same my entire line of dinner ware, gift goods, stationery and toys must be closed out at once regardless of cost. Gonla's.—adv.

DIED
RECTOR—At Belfast, March 31, Mrs. Mabel Rector of Rockland, aged 23 years.

ROSS—At Lincolnville, April 2, Sarah L., wife of A. Miller Ross, aged 66 years, 4 months, 4 days. Funeral from chapel at Mountain View cemetery, Camden, Thursday at 2 o'clock.

ACHORN—At Camden, April 2, Adelaide, widow of Myron Achorn, aged 77 years, 5 months, 2 days. Funeral Friday at 2 o'clock from Methodist Church in Rockport.

DRAKE—At Camden, April 2, Frank L. Drake, aged 61 years, 11 months, 19 days. Funeral Saturday at 2 o'clock.

TURNER—At Rockland, Mass., March 31, Harriet A. M. Turner, aged 58 years, 2 months, 2 days.

IN MEMORIAM
In loving memory of my dear mother, Margaret A. Ellis, who passed from this life, April 4, 1929.

Today is the anniversary of the saddest day of my life. The day the one I loved so much was called to her heavenly home. It seems so hard to have you go, and just as hard today without you. Oh, if you could only take me in your arms mama dear as you used to do. But it can never be again, instead I have only those memories, happy memories mama dear. Her loving daughter, Nellie Balano Merrill.

Mr. and Mrs. Ralph Benner are receiving congratulations on the birth of a son March 27.

An enthusiastic union meeting was held at the Methodist Church Sunday evening when the birthdays of Neal Dow and Frances Willard were commemorated by a special temperance service. The address on the

subject "The Greatest Question Before the American People Today," was given by Rev. H. O. Megert and he graphically pictured the evils of intemperance and the advantages of the existing prohibitory laws. He spoke of experiences in Kansas where he lived as a boy and recalled the days of the open saloon. He cited the fact that the National Education Association had claimed that there were more students in colleges and secondary schools because of prohibition and that business men, railroad presidents, insurance agents and a vast army of women were behind the amendment. Mr. Megert in his address paid fine tributes to Neal Dow, the Father of Prohibition, and to Miss Willard and Mrs. L. M. N. Stevens. Mrs. Elye Moreland Sturges of Bremen, county president of the W.C.T.U., conducted the scripture reading and Miss Julia Kaler of the local Union made the prayer. Music was furnished by a chorus choir.

APPLETON RIDGE

J. F. Moody has been appointed road patrolman for the 1930 season.

Twenty-seven gathered at the home of Mr. and Mrs. James Morse last Thursday evening for the weekly praise service. It will be held April 3 at the home of Mr. and Mrs. W. M. Newbert.

Joseph and Nelson Moody were in Belfast recently overnight guests of Mr. and Mrs. Alfred J. Dutch.

Relief from Gas Stomach Pains Dizziness

The doctors tell us that 90 per cent of all sickness is due to stomach and bowel troubles. You can't be well if your digestion is bad; you are likely to get sick unless you relish food and digest it properly.

Tanlac has a wonderful record as a relief from digestive troubles, even those of years' standing.

Local people, many of whom you know, are highly endorsing Tanlac. For example, Mrs. Ellen White says: "For years I suffered from indigestion. I got no relief from anything until I took Tanlac. After my fourth bottle, I feel like a new person and have a fine appetite."

If you suffer from gas, pains in the stomach or bowels, dizziness, nausea, constipation, or torpid liver; if you have no appetite, can't sleep and are nervous and all run down, you need Tanlac. It is good, pure medicine, made of roots, herbs and barks. Get a bottle from your druggist today. Money back if it doesn't help you. Accept no substitute.

SOUTH WARREN

Mrs. Ella Gowen of Warren visited Mrs. Rose Marshall last week.

Many of his former neighbors attended the funeral of the late M. B. Davis last Saturday in Rockland.

A surprise party was given Mrs. Ada Spear Friday evening.

A very happy gathering was the birthday party which gathered at the home of W. E. Bucklin. Mr. Bucklin is to be congratulated on the success he has achieved for a man of 35 years.

The A.H.B. Club was entertained by Mrs. Clarence Spear last week.

Frank Page is employed assisting in taking down the Hills house in Thomaston.

At the close of the house meeting Thursday evening the ladies retired to the kitchen and returned bearing hot coffee, cake, sandwiches and doughnuts. It was a complete surprise to the men.

Capt. Blanchard Orne and daughter Mrs. Galen Eustis of Thomaston visited Mrs. W. O. Counce last week.

Mr. and Mrs. Leslie Copeland spent Sunday with Mrs. Ida Smith in Cushing.

Mrs. Alice Copeland attended the funeral of the late Mrs. Fred Robinson in Cushing last week.

New Face Powder Now The Fashion

Wouldn't you, too, like a face powder that will keep shine away—stay on longer—spread smoothly—not clog the pores—and always be so pure and fine? It is made by a new French process and is called MELLO-GLO. It is surely a wonderful Face Powder. Just try MELLO-GLO. Corner Drug Store and all other good stores.

SOUTH THOMASTON

Miss Marion Rackliff was the guest of her grandparents, Mr. and Mrs. M. E. Rowell during the last week's vacation.

Deep sorrow was felt by all who knew her at the death of Mrs. Adelaide Snow which occurred in Portland, March 22, and many from this place attended the funeral services held in the Universalist Church in Rockland the following Monday.

Lefty Wiggin and Edw. Allen accompanied Harold Combs to Boston last week for a short visit.

Helen Mae Mahoney of Rockland spent last week with her grandparents, Mr. and Mrs. L. S. Young.

Marion Watts was instructed in the 1st and 2d degrees in Wessaweskeek Grange at the last week's meeting. An enjoyable program and refreshments followed the initiation.

A letter recently received here brought news of the death of Claude Blackington, at his home in Wrangell, Alaska, where he had lived since he left South Thomaston, 31 years ago.

Dist. Supt. Rev. A. I. Oliver of Auburn was in town recently in the interests of the church, and held out little encouragement that this town will have a minister here this year. However it will not be definitely known until after the annual meeting of conference which begins April 23.

School Notes

Grammar school closed Friday after a 10 weeks term. Honors were attained as follows: Perfect attendance, Marion Watts, Marjorie Sleeper (one year or three consecutive terms), Doris Maloney, Sylvia Tyler, Ralph Tyler (two terms), Parker Jackson and Doris Pierce. One half day only was missed by Myrtle Harlow and one day by Floyd Rackliff, Alberta Graves and Vinnie Graves. Another perfect attendance record was won by "Peter," Doris Maloney's hand-some dog which not only did not miss a day but during all the time there was ice and snow hauled his little owner to school on a sled.

Much interest was displayed in the spelling contests in each grade. Every word had to be correctly used in a correctly punctuated and capitalized sentence. In this contest Ralph Tyler, 6th grade, won with a term average of 99.4. Others who had high rank were: Doris N. Maloney, 3d; Doris M. Pierce, 9th; Vinnie Graves, 9th; Alberta Graves, 9th; Celia Crowler, 5th; Sylvia Tyler, 5th; George Harlow, 9th; Parker Jackson, 3d; Marjorie Sleeper, 9th; and Marion Watts, 9th.

In writing, all of the grades are striving for the various awards offered by the company which prints the writing books, and also carried on a contest to see who would have the most papers voted "Best" by the school after the daily practice in the arm movement. In this Doris Maloney, 7th grade, and Doris Pierce, 5th grade were winners.

Tests were sent in March 1 from all grades to the company and the following awards have been received: Alberta Graves and Edw. Wiggin, first pin; Ralph Tyler and William Anderson, second pins; George Harlow, Marion Watts, Doris Maloney, Celia

UNION

Sound pictures at Union town hall tonight. The movie patrons will now be able to hear as well as see their favorites. A special all talking program has been arranged. It is interesting to note that few towns the size of Union are enjoying talking pictures.

Miss Ida Hughes recently gave a bridge party at her home.

Dorothy Howard is ill at the home of her parents.

Miss Helen Amsden has been a guest at the home of Mr. and Mrs. D. L. Cummings.

Mrs. Ethel Creighton entertained a party of 12 at supper and bridge last Thursday evening. First honors were won by Mrs. Sarah Pinkham and consolation by Ida Hughes.

George Oliver is somewhat improved in health following several weeks' illness.

Miss Anne Thurston is home from Vermont for a short vacation.

Miss Harriet Williams has returned to Kent's Hill after a few days spent with her home friends.

Herbert Bowes who has been ill is now able to be out.

Mrs. H. H. Plummer is in Portland for a short stay.

An all-day session of the Ladies' Aid was held in the church vestry on Friday. Plans for a fair to be held in the near future were discussed.

The W.C.T.U. meets this week at Mrs. Helen Cummings', Mrs. Seliger, hostess.

The beautiful spring day found a large congregation for morning worship in the M. E. Church Sunday. The pastor's sermon "What must I do to inherit eternal life" was a soul searching message. Sunday School at 12 with 80 present; the exercises by the children were enjoyed by all.

School Notes

It seemed good to see everyone back in school Monday morning. There are no more cases of measles as yet and it is hoped the end of the term has come.

Class ranks for the seniors have been announced as follows: Ella Livingstone, first; Wilma Hills, second; Sadie Burgess, third and Myrtle Hemmaway, fourth.

"Mud" seems to be the chief cause of many absent marks in Mr. Douglas' report book.

The freshman English class has been congratulated on their excellent examination papers.

Spring seems to be near as the energetic baseball players are practicing hard during the warm days.

The sophomore class has been very much interested in the past week in Journalism. Mrs. Mitchell has hopes that one of them may turn out a reporter, although it looks doubtful sometimes.

Ella Livingstone was gladly welcomed back Tuesday after a long visit in Providence, R. I.

Mrs. Mitchell gave out the very pleasant news that more than half the English exam. papers for last term were over 90 and that was an exceedingly large percentage for finals.

Athletic dues are coming in slowly. Better hurry up if any rides and baseball games are wanted.

The one subject from now on among the seniors is "Graduation."

Union High School felt honored to have a visit from Alvin Heald of Kent's Hill. He was one of our star athletes last year.

The strenuous baseball schedule will take a lot of money, so the school is looking forward to strong support from the townspeople.

Crowley, Myrtle Harlow, Vinnie Graves, Marjorie Sleeper, Arthur Rackliff and Hugh Knowlton, third pins.

TENANT'S HARBOR

Mrs. Ella Alley is a guest of her son Bernard, Whitehouse of Waltham Mass., who with his wife and daughter motored here recently for his mother to return home with them. Frigidaire is the product of General Motors Corporation—the world's largest manufacturer of fine mechanical products.

STOMACH UPSET

Get at the real cause. That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards Olive Tablets help arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, people rarely suffer from indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Try Olive Tablets, the substitute for calomel.

Dr. Edwards Olive Tablets are a purely vegetable compound. Know them by their olive color. They do the work without griping, cramps or pain. All druggists, 15c, 30c and 60c. Take one or two at bedtime for quick relief. Eat what you like.

EAGLE

Mrs. C. E. Howard was called to North Haven Sunday by the illness of her brother Walter A. Quinn.

Elmer Carver of North Haven was dinner guest Sunday of his parents Mr. and Mrs. E. L. Carver.

Miss Marjorie Stinson has returned to Sunset after a week's vacation.

Miss Ida Perry of Owls Head is visiting her aunt Mrs. Rupert Howard at Great Spruce Head after spending two weeks at Eagle.

A robin was seen this morning and some flies are crawling out, so spring must be with us for keeps.

Truck covers, storm proof, made promptly to measure. Price right. Rockland Awning Co. Tel. 1262-W.

NORTH HOPE

A fleeting flash of white and wave of the hand Sunday afternoon, and curiosity prompted a closer look. Just Olive Pease on dad's white nag—cap, knickers, et cetera, oh, yes, and that jolly smile. She returned last Tuesday to Castline Normal, where she is a student.

Wood piles are springing up like mushrooms these days—their newly split sides glistening in the sun. It gives one a comfortable feeling when thinking of winter's chilling blasts, to say nothing of having plenty of wood at hand for cooking "three squares" per day for hungry mouths.

The new quarters which Loren Bennett has been finishing for laying hens is now occupied, thus releasing one of the brooder houses, which is now filled with Mrs. Bennett's first hatch of chicks. The big incubator will soon be filled again to its 600 egg capacity and going full blast.

Mernard Wiley of Charlestown, Mass., was the guest of Mr. and Mrs. George Hall a few days last week.

Ethel Bennett was in Belfast Sunday.

E. Donald Perry was overnight guest Sunday of his grandparents.

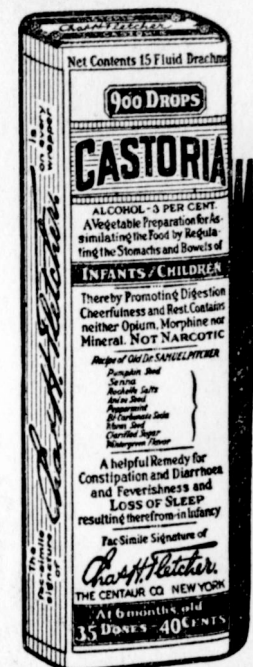

Mr. and Mrs. A. I. Perry were dinner guests Sunday of Mr. and Mrs. R. L. Coose in Searsmont.

Two old neighbors and very good friends, of this vicinity, were given a postcard shower last week in remembrance of their birthdays. Feeling that other friends might like to send a card but not quite sure of their addresses the correspondent will say the year Mrs. Ellen Conant, 202 Camden street, Rockland, Me., and Mrs. Leonard Jackson, Hope, Me. Both ladies are partial shut-ins and will appreciate hearing from their friends at any time.

When BABIES are upset

Baby ills and ailments seem twice as serious at night. A sudden cry may mean colic. Or a sudden attack of diarrhea—a condition it is always important to check quickly. How would you meet this emergency—tonight? Have you a bottle of Castoria ready? There is nothing that can take the place of this harmless but effective remedy for children; nothing that acts quite the same, or has quite the same comforting effect on them.

For the protection of your wee one—for your own peace of mind—keep this old, reliable preparation always on hand. But don't keep it just for emergencies; let it be an everyday aid. Its gentle influence will ease and soothe the infant who cannot sleep. Its mild regulation will help an older child whose tongue is coated because of sluggish bowels. All druggists have Castoria; the genuine bears Chas. H. Fletcher's signature on the wrapper.

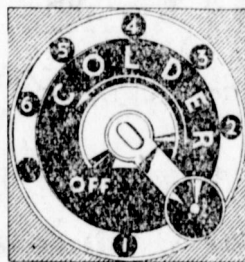

Frigidaire normally freezes an abundance of large size ice cubes between meals—much faster with the "Cold Control." No interchanging of trays is necessary for rapid freezing.

Your rug problems can be settled with satisfaction guaranteed by calling The People's Laundry, Limerock street, Tel. 170. We shampoo your rugs and return them promptly, like new.

The famous "Frigidaire Cold Control" which speeds the freezing of ice and desserts.

Now you can serve VEGETABLES that are

really FRESH

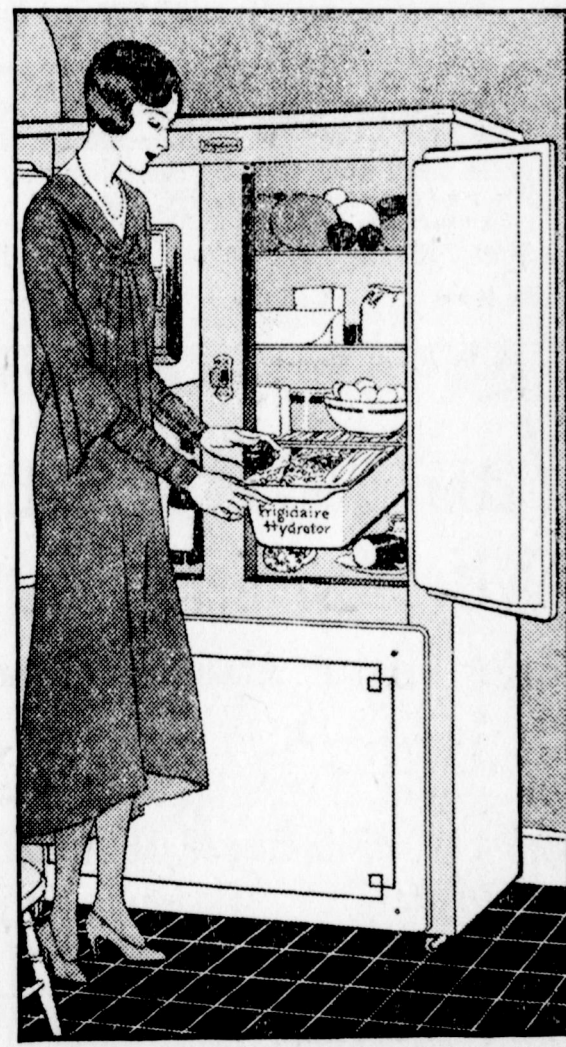

THE vegetables you buy today can be served days later—still fresher than when you bought them! Easily, too. Just keep them in the new Frigidaire Hydrator.

The Hydrator is a moist air compartment that restores freshness to wilted vegetables and makes fresh vegetables crisper. It enables you to have a supply of lettuce, celery, radishes, tomatoes and other fresh vegetables always on hand—always ready for instant use.

Come in and let us demonstrate the Hydrator—now a feature of every household Frigidaire. Let us show you the famous "Frigidaire Cold Control" and tell you what it does. Let us show you the latest Frigidaire cabinets in Porcelain-on-steel inside and out—strikingly beautiful and easy to clean. Visit our showrooms at your first opportunity.

THOMASTON

A new mail star route No. 1309, Union to Thomaston via South Union and Warren went into operation April 1. The service will be six times per week. It will greatly improve the mail service for Warren, South Union and Union, which was reduced by the change in the schedule of the Maine Central Railroad last December—omitting Warren station as a stopping place for some of its trains. A connection is now made for passengers and mail, whose destination is Warren or Union, arriving on the afternoon train from the West and also from the East. The mail will leave Thomaston for Union about 2:45 p. m.

The appropriation of \$18 for installing a light on Roxbury street was overlooked by the correspondent in making out the list of appropriations. The light there is much needed.

KELVINATOR
Automatically gives Fastest Freezing with this exclusive device

Iso-Thermic Tubes For Automatic Fast Freezing of Ice and Desserts

Here is a feature that will appeal to every user of electric refrigeration—a special Kelvinator compartment that gives extra-fast freezing, automatically. Note the spiral coil of Iso-Thermic Tubes, indicated by arrows. This is, in effect, a Cold Plate, in which intense cold is concentrated. Ice cubes and desserts are frozen in half the usual time. Yet food compartments are not affected. A feature exclusive to Kelvinator and standard equipment on all 1930 Kelvinator models.

Balanced refrigeration—the goal toward which the entire refrigeration industry has been striving, is now a reality in the new Super-Automatic Kelvinator.

Through the use of Iso-Thermic Tubes, an exclusive Kelvinator design, the proper degree of cold for every refrigerating purpose is automatically maintained without your giving so much as a thought to it.

For example, ice cubes and desserts are frozen in record time—without attention or regulation on your part. Simultaneously, foods are preserved at a separate and scientifically correct temperature between 40 and 50 degrees. And in larger models a special cold storage compartment for fish, meats, fowl, desserts, or an extra supply of ice cubes, maintains a temperature sufficiently cold for this purpose.

Truly, here is refrigeration efficiency at its peak. Nothing to adjust, nothing to worry about. The Super-Automatic Kelvinator performs its work smoothly, silently and to perfection.

Why not visit a Kelvinator showroom today and have the Kelvinator dealer demonstrate this balanced refrigeration? There are a dozen or more other vital improvements that will surely interest you. Ask about the Kelvinator ReDisCo plan by which any model may be purchased out of income on easy monthly terms.

John Pomeroy and Mr. and Mrs.
David Beach—the cast of "The
Neighbors," the play skillfully coached
by Mr. Emery and presented at the
Congregational vestry recently, plus
husbands or wives as the case might
be. On arrival the guests pelted Mr.
Emery with numerous small packages
which contained joke gifts, causing
much merriment. Buffet lunch was
served from a table effective in its
appointments carrying out a color
scheme of blue. In keeping with the
dramatic assemblage, the time was
devoted to "acting" charades.

street, Friday night.

The Shakespeare Society met Mon-
day evening with Mrs. Grace Law-
rence, Beech street, with 23 members
present. Miss Alice Erskine, mem-
ber of the program committee, sug-
gested that the annual meeting be
held April 7 instead of April 14 so that
the society's first president, Mrs.
Grace Cilley Tibbitts of Alameda,
Calif., who will be in the city at that
time, can be present, and by vote it
was announced that a banquet will be
held at Copper Kettle Porch Monday
evening at 6:30, with Mrs. Tibbitts as
honor guest. The nominating com-
mittee appointed by the chair is com-
prised of Mrs. Aldana Spear, Miss Littlefield,
and Mrs. Maud Blodgett; reading
committee, Mrs. Evelyn Hix, Mrs.
Clara Rounds and Mrs. Helen Orme.
Mrs. Alice Jameson substituted as
program leader in the absence of Mrs.
Ella Buffum. Mrs. Blodgett and Mrs.
Jameson read articles on "A Play
Within a Play," and Mrs. Ruth Elling-
wood gave Edgar Guest's delightful
poem, "That Shakespeare Fellow."
The reading of "The Taming of the
Shrew" was completed.

ciety is giving a bridge party this
afternoon at the Copper Kettle with
this committee in charge: Mrs. Lucia
Burpee, chairman, Mrs. H. P. Blod-
gett, Mrs. A. B. Higgs, Mrs. George
Palmer, Mrs. Ralph Wiggins and Mrs.
Hervey Allen. Playing begins at 2
o'clock.

Mrs. Nettie Gardner has returned
from Auburn where she visited rela-
tives.

The S. P. Club was entertained Sat-
urday night by Elizabeth Sukeforth
and Marjorie Taylor at 149 South
Main street. Bible study and games
and refreshments formed the inter-
esting program.

who have been guests of relatives for
a week have returned to their home
in New York.

At the Chapin Class supper Tues-
day night at the Universalist vestry
Miss Flora Wise, a valued member
of the church, was a special guest,
the occasion being an observance of her
51st birthday. A feature of the menu
affording real loaf, vegetable salad,
hot rolls, cakes and coffee, was the
handsome birthday cake ablaze with
candles. Mrs. Cora Kittredge, an-
other aged member of the church, was
also a guest. Miss Gladys Blodgett
acted as supper chairman. For the
annual meeting which takes place the
first Tuesday in May, this nominating
committee was named: Mrs. Eugene
Stoddard, Mrs. H. P. Blodgett and
Mrs. A. B. Higgs.

IT'S A BEAUTY

The Dodge Boat At the Auto
Show Makes a Hit—New
Department Popular

To the millions who yearn for the
uncrowded romance of bay and river,
lake and sea, the pleasure of boating
has been too long denied by the slow
and costly building methods of for-
mer years. Since the first boat build-
er laid the first keel in Mediterranean
sands, the method of building boats
has remained practically the same.
It has remained for Dodge to take
a great forward step in boat building.
As once before the name of Dodge
forged ahead to leadership in a young
and growing industry, so it is today.
The new Dodge plant brings to the
industry of boating new ideas and
new ideas. Standardization, the
watchword of the age, can and does
produce boats of Dodge quality, at
prices within the reach of every
family.
Here is the fleet created by new
and better building methods. Your
first impression of the new 1930 Dodge
craft is its very newness. From stem
to stern, from keel to hoisting ring
each boat that bears the name of
Dodge is new in conception and de-
sign, and new in fleet and purring
power. Dodge boats have always
been known as leaders in quality and
dependability. Here are new Dodge
boats as fine as any that ever bore
the name of Dodge—but with greater
power, higher speeds, and symmetrical
stream-line beauty.
These beautiful boats selling at
\$945, are displayed at the Auto Show
by Uterback & Gleason of Bangor.
"Why do they call English the
mother tongue?"
"Because father rarely gets a
chance to use it."

Mrs. W. S. Rounds who has been
entertaining the ladies of the Congre-
gational parish at various times dur-
ing the winter season at thimble teas
gave the final party Tuesday after-
noon at her home on Beech street.
The gatherings have been based on
the circle list, and have proven among
the most delightful affairs of the
parish activities.

Mrs. Ernest Gamage entertained at
a family dinner Tuesday evening,
with ten covers, the occasion being
an observance of the 39th wedding an-
niversary of her parents, Mr. and
Mrs. Owen Athearn. Jonquil and a
color scheme of yellow and orchid re-
flected the Easter season in the de-

HAVE YOU GUESSED?

Desirable Prizes Offered In Connection With Rockland Census Figures

Only a few more weeks remain in which to send in your guess on Rockland's population under the 1930 census.

For the first correct guess received at this office The Courier-Gazette will give a prize of \$10 in gold, and for the second correct guess received a year's subscription to The Courier-Gazette will be awarded.

In the event nobody guesses the exact population figures the prizes will go to those who come nearest to the mark.

Should several persons guess correctly (or nearest to correct, as the case may be) the prizes will go to those who first sent in the figures.

Any reader of The Courier-Gazette may participate in this contest, but only one guess may be submitted by each person. Use the following coupon:

SEVENTH DEGREE

How Two South Thomaston Ladies Crossed Continent To Take It

Among those who attended the National Grange session in Seattle, Washington, were two South Thomaston ladies, Mrs. Floribel Allen and Mrs. Lizzie Babb. The former had the misfortune to fall while inspecting an Indian hut in New Mexico, and broken cartilage made the return journey extremely uncomfortable. She remained in Boston, and is at the home of Mrs. Fred Bowers. Both ladies took the seventh degree while attending the National Grange. In Seattle, also, they were guests at the home of Frank Butler, who went West from South Thomaston 40 years ago.

There were 216 persons in the party leaving St. Paul, representing 17 different states. The special passed through 23 States, the District of Columbia and three Provinces of Canada. From Boston and return the party traveled by rail 10,470 miles, by boat, bus, and mule 700, or a total of 11,170 miles. The total expense of the trip was over \$100,000.

Those Patrons who participated will never forget the sight-seeing rides at Washington, D. C., Chicago and St. Paul, the trip through the Canadian Rockies with the thermometer at 4 above zero; through the Kicking Horse Pass over the Selkirk, down the Fraser River to Vancouver, by steamer to Victoria and Seattle.

And what a splendid day on the Chippewa, visiting Tacoma and then the Indian salmon bake and the visit to Bremerton Navy Yard! Then the bus trip up the Columbia River to Hood River, and how welcome the Oregon Granges made everybody feel. Then Mt. Shasta, San Francisco and the never-to-be-forgotten 2 1/2 days at the Yosemite with a slight earthquake thrown in. And the Grand Canyon with the trip down the Bright Angel Trail.

The Harvey Restaurants with all one could eat, Santa Fe, with a day among the Indians, cliff dwellings and all; the Lindbergh collection at St. Louis. Every trip planned was carried out, thanks to 30 days of pleasant weather. No baggage was lost and only one man missed the train. Special credit was due to the two railroad representatives who went on the trip: T. J. Glancy of the Rock Island, and John A. Foote of the Baltimore and Ohio, both untiring in their efforts.

“ARMY DAY” PROCLAIMED

Announcement to citizens of the State that April 6 is to be observed as Army Day was made by Gov. Gardner Thursday. “The Third National anniversary of Army Day will be observed this year on Sunday, April 6,” the governor said. “The object of this day is to grant the citizens of our state and nation an opportunity to honor our Army by displaying the flags on places of business and at the homes. To this end and for this purpose, sponsors of the movement express hope that citizens of Maine will take an active part in the day's observance and extend fitting tribute to the soldiers of our country.”

Powerful-yes!
because it has the biggest engine in any six of its price

The New Series Pontiac Big Six engine is the biggest in any six of Pontiac's price. That is why Pontiac can develop 60 horsepower and turn it into such high speed, fast acceleration and exceptional hill-climbing ability.

LARGE CARBURETOR. The power developed by Pontiac's large engine is due in part to a large 1 1/4-inch carburetor, equipped with an accelerating pump and an internal economizer.

OTHER FEATURES. In addition, the power plant has a positive gasoline pump, a large three-port intake manifold of improved design and a positive full pressure oiling system which assures ample lubrication at all engine speeds and results in long life.

Come in and arrange to take a New Series Pontiac Big Six for a trial ride. At the same time you can learn how much Pontiac has to offer in comfort, style and durability.

Prices are f. o. b. Pontiac, Mich., plus delivery charges. Shock absorbers standard equipment. Bumpers and spring covers at slight extra cost. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. Pontiac delivered prices include only authorized charges for freight and delivery and for any additional accessories or financing desired.

same as an ordinary plane. It is mounted on a sliding rod on a flat surface. An electric fan blows through tubes onto the plane and by manipulating the stick the prospective flyer can take the plane off but it is a hard job to keep it in the air. There were many crack-ups and forced landings with the ship but hundreds accomplished the difficult bank and three point landing.

REDONNET WON

Lincoln County Lad Adjudged Best In Rockland District Contest

Bradford Redonnet, Jr., of Wiscasset Academy, who takes after his distinguished daddy in the matter of oratory, won first prize at the district meeting of the National Oratorical Contest in this city Tuesday night, that distinction carrying with it \$25 in gold, a gold medal, and an opportunity to take part in the State finals at Portland, April 18. His subject was "The Constitution and the Duty of the Individual Toward It."

The other contestants were Miss Ernestine Moore of Crosby High School, Belfast, who spoke on "The Decline of Civic Morality Is a Menace To the Constitution," receiving second award—a silver medal; and Robert Dunton of Rockland High School, whose subject was "The Constitution and Law Enforcement," receiving third award—a bronze medal.

Senator Z. M. Dwinia who presided over the contest expressed the opinion that all three entrants were good enough to be in the finals. The judges were Oscar H. Emery of Camden, H. C. Clifford, superintendent of Boothbay Harbor schools; and F. L. S. Morse, superintendent of Owl's Head, South Thomaston, Friendship, Cushing and St. George schools.

District contests will be held tomorrow night at Bangor and Houlton.

NORTH WALDOBORO

Ernestine Howard of Rockland who has been passing a week's vacation with her grandparents Mr. and Mrs. E. D. Mank returned Saturday to her home.

Mabel Cargill of Washington is at work for Lizzie Jones.

Ernestine Rivers of Washington was at Perl Carroll's Sunday.

Maude Witham of Winslow's Mills was the guest Wednesday of her sister Ann Burnheimer.

The supper served by the ladies aid at Grange hall Thursday night was well patronized. These proceeds go towards paying church expenses.

Would you like to try this doctor's laxative free of charge?

Every family has occasional need of a laxative, but it should be a family laxative. One that can't form a habit, but can be taken as often as needed. When breath is bad or tongue coated. Or appetite fails. Only a doctor knows the right ingredients. Dr. Caldwell discovered the correct combination years ago. Dr. Caldwell's Syrup Pepsin combines harmless herbs and pure senna. It starts muscular action and soon corrects constipation. Gently, but surely, it relieves a bilious or sluggish condition. It is mild. Delicious. Effective. All druggists keep this famous prescription ready, in big bottles. Or write Dr. Caldwell's Syrup Pepsin, Monticello, Ill., for a free trial bottle postpaid.

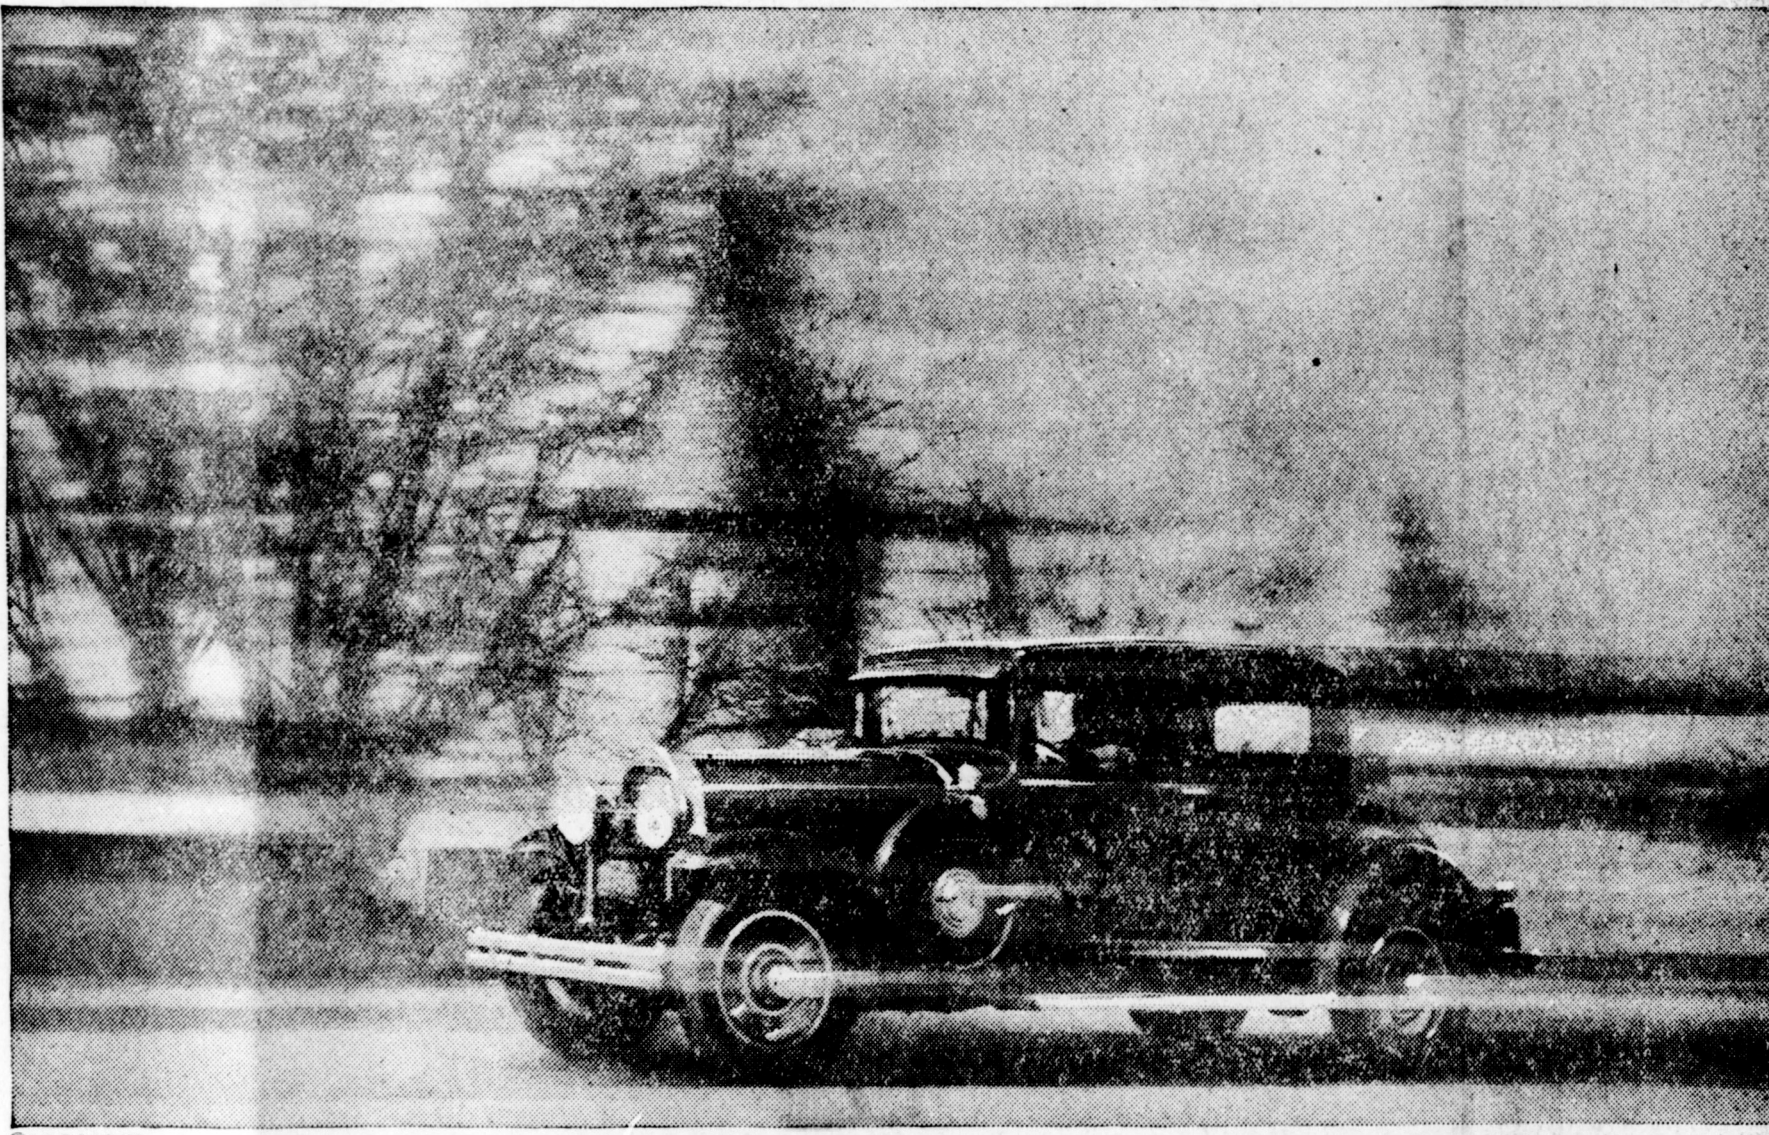

WHERE DO THEY ALL COME FROM?

You've noticed the Yellow and Red of SHELL appearing here, there and everywhere overnight. Where do all these stations come from? • • They don't come from anywhere. They've been right there all the while. SHELL hasn't simply bought thousands of new stations in one great sweeping gesture. • • The owners of these stations have changed to SHELL. • • Let that fact sink in. These stations have changed to SHELL because every day there are more thousands of car owners changing to SHELL. • • What makes a car owner change to SHELL? Because when he has tried it, he finds he likes it better. • • It's all as simple as that. More stations to serve the added motorists who become steady users of SHELL—every day—and more business for each dealer. • • We know why SHELL users stick to SHELL. So do the SHELL users. You'll find the answer when you, too, change to SHELL.
