Your finest silk waists—How would you like to use them to SIFT your flour? Sounds extravagant, doesn't it?—Yet we do practically the same thing with WILLIAM TELL FLOUR.

Every pound of William Tell Flour is sifted through finest sifter—will not, except in extreme cases, three times.

Expensive? Yes, but William Tell Flour is the finest and best flour that can be made, and will sift through finer and finer than any other material yet discovered. This is only one of many expensive processes which we employ, in order to make William Tell a perfect flour.

Next time you see your grocer—WILLIAM TELL—It tells you how to use the best.

HANDLING THE HOUSEHOLD INCOME

BY S. AGNES DONAHU

"How do they do it?" They seem to be doing all the work that we seem to be doing unaided. I have never been in a house in the country where I could not see them doing this or that, or make a note of what they are doing.

The remark is a common one. There are quite a number of them with which I am acquainted, and I think it is safe to say that there are not a dozen in the country that do not do their work as readily and efficiently as we do ours.

**MORGENTHAU PLEADS FOR HELPING HAND IN THE NEAR EAST**

**A Matter of Thousands**

By H. R. HAYLE

**THANKSGIVING DAY**

Thanksgiving Day is usually marvelously a day of joy and thankfulness. A day when we may reflect with pride on the vast religious, political, and economic progress which we as a people have made. We may think of the contributions we have made to our fellow man in the New World and the Old. We may reflect on the blessings that have come to us as a result of our efforts. But this year, on Thanksgiving Day, there is a new sense of crisis. The war in the Near East has taken a great toll of lives and property. It is a crisis that we must face and meet with courage and determination.

Mr. M. S.idlak had some Thanksgiving Day suggestions he wants to share with you. He says there are three things we should do:

1. **Give Thanks!**
   - Give thanks for the freedom we have.
   - Give thanks for the opportunities we have.
   - Give thanks for the blessings we have.

2. **Offer Help!**
   - Offer help to those in need.
   - Offer help to those who are suffering.
   - Offer help to those who are in distress.

3. **Serve Our Country!**
   - Serve our country by supporting the war effort.
   - Serve our country by volunteering for service.
   - Serve our country by contributing to the war fund.

Mr. M. Sidlak says, "We must remember that we are not only fighting for our own freedom, but for the freedom of all nations. We must remember that we are not only fighting for our own country, but for the country of others. We must remember that we are not only fighting for our own lives, but for the lives of others."

Mr. M. Sidlak concludes by saying, "Let us give thanks, offer help, and serve our country. Let us do our part to make the world a better place. Let us do our part to make the world a safer place. Let us do our part to make the world a more just place."
