wish. Whether you have a business account or a household account, this bank is
keen to have you take advantage of the exceptional facilities for handling
women's accounts and, as a member of the Federal Reserve System, it is
in a position to assure you of absolute security.

WHITCOMB, HAYNES & WHITNEY

The NERVOUS SYSTEM SHATTERED in five days:
"Flour-a-lives", or Flour Liver Tablets Daily Relief
By Dr. STUART REYNOLDS, N. Y.
if your liver does not respond to the white right size soon April 31st, return the cap to a person who wrote me, adding the name of "Practicals", I would not be without "Flour-a-lives" for anything: another strong attitude or mixer: no more boxed flours for me.

Let me say there is not a man on earth who will tell you that he is without this medicine, and it has brought many a man to a happy home.

This late in call-purchase it is the only thing I can imagine that makes me feel better, I find a great comfort.

I therefore say we were present at such a dinner and that I should have been called to invite you to a walk.

**Wrigley’s**

The largest electric sign in the world advertises

**Wrigley’s Spearmint Gum**

1 Times Square, New York City: it is 250 feet long, 70 feet high. Made up of 12,286 electric lamps.

The fountain plays, the trade mark changes, reading alternately Wrigley’s Spearmint, Doublemint, and Juicy Fruit, and the Smearmen “do a turn.”

This sign is seen nightly by about 500,000 people from all over the world.

**Equip Your Small Car With Goodyear Tires.**

If you own a Ford, Chevrolet, Dort, Maxwell or any other car using 30x3, 30x3 1/2, or 31x4-inch tires, you can well take advantage of the high relative value built into all Goodyear Tires.

You can well do so because you can secure in the small Goodyear Tires the results of such skill and care as have made Goodyear Tires the preferred equipment on the highest-priced automobiles of the day.

You can well do so because these small Goodyear Tires are easy to obtain, being produced at the rate of 20,000 a day, and because their first cost usually is as low or lower than that of other tires in the same types and sizes.

Go to the nearest Goodyear Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tires. He supplies many other local owners of small cars.

Chancing

That's what you're doing every time you take an unknown remedy. There's no reason to risk in questionable experiments, especially when you have always kept your health and mobility in hand. This worthwhile procedure also preserves the quality of your health. It's a technique that has been practiced for years by many health-conscious individuals.

At the first signs of stomach distress, headaches, or backache, you should immediately start a course of remedies. For example, if you have a backache, you might want to try a new remedy every day to see which one works best. This is especially true if you have been feeling under the weather for some time and are not sure what's causing your symptoms.

The remedy you choose should be based on your own personal experience. If you have tried a certain remedy in the past and found it effective, you might want to try it again. If you haven't tried it before, you might want to try it and see if it works for you.

The most important thing is to keep a record of the remedies you try. This will help you keep track of what you've tried and what worked for you. You can also use this information to make future decisions about which remedies to try.

In summary, chancing is a valuable technique for dealing with health issues. It allows you to experiment with different remedies and find what works best for you. It's a technique that you can use to improve your health and well-being.
SCIENCE TALKS

A celebrated scientist referring to cold-liver oil said that Nature had given the world "almost a ready-made food". SCOTT'S EMULSION is richest Norwegian cold-liver oil, elaborated in a scientific laboratory, under the supervision of Dr. F. L. Scott, and is a globule of butter-fat. Scott's is not unlike cream in consistence, but many doctors say it is better than other fats. Scott's Emulsion is a tonic rejuvenation that helps keep the body strong. Give it a tried.
