State of Maine

In Council June 22 1839

The Select Committee to which was referred the Account of Joseph T. Copeeland for services rendered and expenses incurred as a Major in the Eight Division of the Militia of Maine in pursuance of General Order under the Resolve of the 24th ^{February} ~~January~~ 1839 have examined the same and Report - That in the opinion of the Committee that the said Claim does not come within their jurisdiction for settlement, and although the charges may be just, yet the Legislature is the proper Tribunal for the adjudication of the same.

Which is respectfully submitted

W. C. Fletcher per Order

In Council June 22. 1839.

This Report on being read was accepted by the Council, and by the Governor approved.
