Kickapoo's Coming

Will Be Back On the Ice-Breaking Job the First of the Year

As ice threatened to clog New England rivers and harbors, word was received Tuesday that the ice-breaker Kickapoo would be returned to service along the Maine coast the first of the year. The Kickapoo many years based at Rockland was decommissioned last year as an economy measure and tied up at Baltimore.

Meanwhile the patrolboat Travis, a 125-footer, was sent to the Penobscot River to keep that waterway open to navigation.

Rigging and spars of fishing vessels arriving in Boston Tuesday were heavily coated with ice, the first time of the season.

The Courier-Gazette is sold out on Christmas cards but has a fine line of boxed stationery in folded or flat sheets, with name and address or monogram. Priced at only 75 cents, \$1, \$1.25 a box, while they last; 24-hour service guaranteed. These will make an ideal Christmas gift.—adv.

Winslow-Holbrook Post Furnishes 265 Families With Supplies From Food Show

The American Legion's 1937 food show at Strand Theatre has passed into history, to take its place among Winslow-Holbrook Post's highly meritorious achievements. The public reads about it carefully little reckoning the amount of work which it has meant for the comrades and totally unaware of the blessings which are conferred upon many homes through the proceeds of these food shows.

This year 265 families have benefited. Fifty percent of the beneficiaries called at the Masonic building for their baskets, and the remainder were distributed by Legion workers Tuesday.

This year the baskets were a little more plentifully supplied than in former times. Here is what they contained: Bread, coffee, milk, baked beans, corn, cereal, five pound bag of flour, miscellaneous canned goods, and bags of potatoes, apples and coal.

Donald L. Kelsey was chairman of the food show, schooled by long experience, and supplied with the requisite judgment and energy. He was ably supported by other members of Winslow-Holbrook Post.

Mr. Kelsey, and his associates, are not only entitled to the thanks of the community but they want the world to know how grateful they are to everybody who helped. It is obviously impossible to thank everybody, but the committee desires to especially mention Manager Joseph Dondis, who placed Strand Theatre at the Legion's disposal; the Auxiliary to Winslow-Holbrook Post, which furnished the Monday night supper for the workers; M. B. & C. O. Perry markets, Fred C. Black of Black & Gay Cannery, Inc.; John Bird Company, Rockland Wholesale Grocery Co.; Maine Fruit, Inc. Swift and Armour beef companies, Ramsdell Packing Co., Rodney E. Feyler, C. M. Rice & Co., Medomak Canning Co., A. & P., First National, Rockland Fuel Co., A. P. Blaisdell and Central Maine Power Company for use of the store in the Masonic building, local grocery stores and those who donated the use of their trucks in handling the supplies.

On Dual Control Car

R. H. S. Seniors Will Have Chance To Learn Expert Driving

Through the courtesy of the Maine Automobile Association and the Pontiac Motor Co. the Rockland High School is getting a 1938 dual control Pontiac car to be used in practical driver training for its seniors.

Seventy students have signified their desire to become accomplished motorists through instructions by a State Police officer who will be assigned to the job by Chief Towle.

The entire expense of the car is to be borne by the Maine Automobile Association providing they can secure enough memberships here to justify this expense. They figure that it will cost from \$350 to \$500 per student to provide this training, exclusive of the instruction, and it is their hope that enough memberships can be procured so that each membership will finance the training of one student.

Supt. of Schools Cumming in an interview said "I am wholeheartedly in favor of the splendid program for safety instruction that the Maine Automobile Association has made

available to the Rockland Schools and I feel that every motorist in the city should be willing to give the Association this financial support. I am more than pleased to head the membership roster that they presented to me and I wish to point out this fact: that the association is a civic non-profit organization and not in any way attempting to commercialize the school department of Rockland. In view of this fact, it has my hearty endorsement."

The Maine Automobile Association (A.A.A.) has served the State of Maine for 27 years as the voice of organized motoring and during that period has promoted legislation and safety to the best of its ability. Why not signify your approval of their present program by getting in touch with Mr. Cumming's office and leaving your name to be added to the fast-growing roster thereby making it possible for this course to start right after Jan. 1st. IMPORTANT LOCAL DEAL

Black Estate Sells To Rockland Amusement Co. Empire Theatre and Business Block

An agreement was signed yesterday whereby the Rockland Amusement Company will take over from the Black Estate the block on Main street,

Far-Seeing Joseph Dondis who manipulated the big deal

occupied on the ground floor by the Moor drug store and Hastings dry goods store, together with the building at the rear known as Empire Theatre.

The deal was negotiated on the part of the estate by Alfred S. Black, the acquisition of the property being the result of efforts made by Joseph Dondis, manager of the Rockland Amusement Company. The final details are receiving attention from Fred C. Black and Eugin Otis.

Mr. Dondis, moving factor in this important deal, was unable to say yesterday just what disposition will be made of the property, and hence could not deny or affirm the rumor that a new theatre might be erected on the site.

Empire Theatre was operated by the Black interests for many years as a motion picture theatre, and was the scene of many public entertainments. It has been idle for some years.

The transaction adds to the long list of important local deals made by Manager Dondis.

THE CONTRACT IS MADE

And Nothing Can Now Stop Construction Of the Deer Isle-Sedgwick Bridge

Preparations for immediate start of construction of the Deer Isle-Sedgwick Bridge, estimated to cost nearly a million dollars, were made last night following the signing of contracts with Merritt, Chapman & Scott, New York, for the sub-structure and the Phoenix Bridge Company, Phoenixville, Pa., for the super-structure.

The contracts were signed at a meeting in Augusta of the Deer Isle Bridge District, the Hancock County Commissioners, and the State Highway Commission.

Private sale of bonds, amounting to \$490,000 to insure construction of the project was completed recently by the bridge district.

The Federal Works Progress Administration made available \$315,000 to aid in building the bridge. Gov. Barrows and the Executive Council several weeks ago "guaranteed" \$145,000 from the state contingent fund.

The district trustees said the "finances of the bridge now show that \$970,000 is available."

Christmas Concert

School Children Won New Triumphs In Last Night's Operetta

Legions of youth paraded to glory last night in a musical extravaganza at Community Building where 700 live wire school children were marshalled into melodious unity by Mrs. Esther Rogers, music supervisor. Not alone in this stupendous undertaking however, Mrs. Rogers had a battalion of qualified lieutenants in the ranks of teachers all of whom gave in wholesale of their time and patience that their young charges might be well trained in public deportment. They were!

Entering from the rear of the hall the procession filed down the center aisle to the music of a Christmas carol played in march tempo by Miss Elizabeth Hagar, accompanist. Places were taken in the balcony with not a space to spare. Every floor seat was occupied long before the curtain call.

The younger pupils wore red and green crepe capes alternated in holiday scheme, while their elder schoolmates wore models of decorum in broad white Puritan-type collars and black ties. Carols and poems in the childish trebles of first-to-third graders were clapped in unfeigned pleasure, for the winsome tots were a joy to behold aside from their contribution to the program.

YOUR FAVORITE POEM

If I had my life to live again I would have made a rule to read some poetry and listen to some music at least once a week. The loss of these tastes is a loss of happiness.—Charles Darwin.

THE GARGOYLE IN THE SNOW
The gargoyle looked at the snowing town.
Bending lower—bending low—
His old stone elbow reaching high
To touch the early snow.
The gargoyle looked at the sleeping town.
Bending lower—bending down—
And he said, there's nothing new for the world to know.

Four hundred years I've watched the town.
Leaning farther—reaching down—
And there's never another way for a child to grow.
Four hundred years, four hundred years
Of love and laughter, blood and tears.
Of feast and famine, weal and woe—
And there's no new way for a man to And no new way to atone.

Spring and summer, winter, fall
The people cry and the swallows call.
And I am old beneath the empty snow.
Bending lower—bending—low—
—Kathleen Milay.

Also looking across Lermond's Cove recently I noted a new and striking feature of the eastern skyline, the stack which has been erected by the help of which is soon to begin operations on the Crockett's Point kiln privilege. If the entire waterfront was dotted with industrial smokestacks it might interfere with gorgeous sunrises like those we saw yesterday morning, but I am sure every citizen would approve of the "color scheme."

"The Black Cat"

By The Roving Reporter

Crows and seagulls are not only birds of different feather, but birds of different color. From her vantage point in the conning tower of Gonias store Mrs. Eliza Derry daily watches the maneuvers in Lermond's Cove and for two seasons has observed that two very black crows constantly fraternize with the white or gray winged gulls, partaking of the same menu, and apparently not at all disturbed by their presence. With the appearance of ice in the cove the feathered inhabitants thereof have new seating arrangements. And so far as I know not one has ever complained of the draft.

Now and then I hear a merchant say: "Yes, it's nice weather for winter, but a little snow would help out." Why? It's a well known fact that practically everybody comes to town nowadays by motor car, and no motorist would welcome a heavy snowfall. The day of the sleigh and the horsedied, as affecting Christmas business has passed into the discard. On the other side of the ledger, of course, lies the fact that snow helps the farmer in getting out his wood supply; it helps the trader who deals in rubbers, and overshoes, and it may help some others I have overlooked, but the fact remains that hundreds can come in motor cars who would not have been able to do so in snow vehicles for the radius is at least 40 miles broader. All of which reminds me that there are only seven more shopping days before Christmas.

Out on the Old County road lives a man whom I greatly like and esteem, Frank D. Alden. Mr. Alden is 90 years old and has lived in the same house 83 years. Some readers of this column may be a bit incredulous when I say that he has probably seen more motion picture performances than any other man in Rockland, but the fact is that he goes daily to Strand and Park Theatres, but when I say daily I do not mean Sunday, for he bars pictures on the Lord's Day. Mr. Alden has a discriminating taste which does not approve of "blood and thunder" pictures, but which furnishes him with great pleasure when he sees the high class offerings which are provided by Managers Dondis and Dandeneau.

I am informed that the Maine Central Railroad has ordered eight new buses—possibly to replace certain train schedules not now affected by motor invasion. I think you will find that a great many years elapse before the rails are torn up on the Knox & Lincoln Division, which, I am told, had the best season in its history last summer. Just now the road is hauling more cars than passengers, figuratively speaking.

I always like to sit in with my good friend, Dr. Franz Leyonberg, formerly of North Haven, and now a medical examiner in Waldo County, located in the town of Liberty. He tells the story at his own expense of how he once became unconsciously intoxicated, his first and last time. He had not been in this country long, when he obtained employment in a hayfield. The day was hot, the work was hard, and when the farmer appeared on the scene with a jug everybody drank thirstily from it. They didn't have cider in the country young Leyonberg came from, and he certainly didn't know the difference between the soft and hard brands. The refreshment in the hayfield was so hard you couldn't pound a nail into it. But it tasted good to the thirsty boy, and he partook not once, but several times. The effect was exhilarating, he says, but presently the barn, the hay-rack and the mowing machine began to rotate in an amazing manner, and for the rest of that afternoon Franz Leyonberg didn't know whether they were pitching the hay into the rack or the lake.

A Ski Instructor

Chance To Learn This Fascinating Sport At Camden Snow Bowl

Arrangements have been made for a ski instructor at the Snow Bowl this winter according to an announcement by the Outing Club. Thousands of people all over the United States are now learning to ski and it won't be long before a non skier will be an oddity. This clean exhilarating sport keeps people out on the snowclad slopes and develops a sound mind in a sound body.

The Club has been very fortunate in securing the services of Wallace Lovell, one of Maine's most enthusiastic skiers, for evenings and Saturdays and Sundays.

Mr. Lovell is a graduate of the University of New Hampshire, class of 1930. While an undergraduate he was elected vice president of the International Intercollegiate Ski Union, was eight years a competitor in events at Lake Placid, New York, a member of the Eastern Amateur Ski Association, has ridden almost all the big hills from coast to coast and has continuously followed Winter Sports as a competitor and instructor; a member of the University of New Hampshire Ski Team that held international intercollegiate Winter Sports championship in which he won numerous events, one of which was International speed skating; winner of the Gannett Trophy and the Gov. Baxter Trophy for ski jumping; State Championship 1926 at Rumford; qualified for 1928 Olympic ski team; instructed in skiing for three years at Bridgton Academy; worked with the White Mountain development in Winter Sports, specializing chiefly in Mountain Climbing and down hill proficiency skiing.

To start the ball rolling this year Mr. Lovell has consented to give class instruction at 50 cents per lesson. Most schools charge from \$1 to \$5 per lesson. The Club worked for this reasonable fee in order that instruction would be available for all. Classes will also be held for children and the Club hopes to develop some real future skiers from these classes. The classes will be held on the slopes at the Snow Bowl. It is the desire of the Club to get the names of all interested in ski instruction for Mr. Lovell would like to come some evening and explain what equipment is necessary. He would like to do this before Christmas for then the pupils might receive from their family as a Christmas present some necessary piece of equipment.

Those interested in instruction in Rockland and vicinity please call Mrs. Frank Tirrell, Rockland 1138. Those in Camden and vicinity, Allen's Insurance Agency, Camden 2296.

TURKEY BEANO

Parcel Post packages are already arriving in quantities from all over the country for the Outing Club Turkey Beano and Parcel Post sale to be held at Heald's Garage, Camden, Tuesday evening, Dec. 21 at 7 o'clock. These packages, many of them from wholesalers all over New England seem to hold articles worth many times the uniform sale price of 25c. The prizes for beano are the makings of a fine Christmas dinner, namely, turkeys, chickens and provision as well as a number of articles suitable for Christmas gifts. For ten cents one might win their Christmas dinner.

Open This Weekend

The Lodge House and Skate House of the Camden Outing Club will open this weekend for the season. The ice is excellent for skating and ice boating and the toboggan chute has been put in fine shape. The Hockey rink will be put up during the weekend and the Club will be open night and day till spring. It is hoped that a real Hockey League will be formed this winter. The area is illuminated at night and everyone is invited to visit the Club and see what a wonderful winter sports area we have in Knox County.

Grateful Citizens

Thank A. C. Hocking For Having the Clark Island Road Tarred

St. George, Dec. 15.
Editor of The Courier-Gazette:
Through the columns of your paper, we would like to extend our appreciation and thanks to our fellow townsman Alfred C. Hocking, for the interest he has shown in getting the Clark Island road tarred without expense to the town.

Due to his initiative, working with Senator Burkett, Rep. Elliot and Rep. Crockett, we are now having a Federal road constructed which, when completed, will have eliminated all the dangerous turns and hills and will be a credit to any town. This is being constructed at a cost of approximately \$70,000, a large part of this money finding its way into the pockets of our citizens.

The Wallston road, so called, has been completed, having been constructed with the State money and Special Resolve, given us through the efforts of Representative Crockett. Through Mr. Hocking's effort, a power shovel was used, thereby enabling the town to receive about three times as much road as we otherwise would have had.

We, here at Clark Island, have had the privilege of riding over tarred roads this year for the first time in our history, and this is due to the perseverance of Mr. Hocking and the kindness of the State Highway Commission through whom our road has been tarred and taken over by the State without any expense to our citizens for tar or sanding. This in itself, would have cost approximately \$2,000, and the town, therefore, has saved just that much and we have a good road.

Therefore, we wish to extend our thanks to these men who are willing at all times to spend time and money for the benefit of our citizens as a whole. We know the citizens in general appreciate their efforts. We also wish to state that Adin L. Hopkins, the State supervisor, has co-operated at all times in the course of his official duties and has done much to help forward St. George road problems.

A very successful Christmas program was given by the Girl Scouts of Blue Bonnet Troop, No. 3, Monday at the Universalist vestry. An imaginary radio hour, called the "Blue Bonnet Varieties" was presented, the members of the troop impersonating various radio and screen stars.

The act was planned and directed by the captain, Mrs. E. E. Trask, Jr., who also was studio announcer. Impersonations were—"Kate Smith," Miriam Dorman, the hostess of the hour who introduced the characters "Jeannette McDonald," Kathleen Chase; "Shelia Barrett," Ruth McMahon; "Orphan Annie," Esther Munro; "Annette Henshaw," Ruth Hatch; "Harriet Horton," Barbara Newbert; "Gene Autry," Dennis Trask; "The Singing Lady," Mildred Ferrin; "Sally Foster," Mary Perry; "Shirley Temple," Florence Knight; "Harriet Hilliard," Dorothy Trask; "Eashful Harmonica Joe," Arlene and "Jessica Dragonette," Ruth Thomas.

At intermission a Christmas pantomime was cleverly done. Kathleen Weed taking the part of Virgin Mary, Christmas carols were sung. The lamp given as a door prize was won by Madeline Payson. The remaining time was devoted to an old-fashioned sing by both members and

Much credit is due Ernest Johnson, for his ability and help as accompanist and his splendid choice of piano selections, and also Nancy Parker, scout pianist, who furnished much of the music and held individual rehearsals. Ruth Thomas gave valuable assistance in planning the affair. At the close of the program, the members enjoyed a gift laden Christmas tree, which is customary each year.

Dec. 18—City schools close for holiday recess.

THE WEATHER

Early rises this morning were greeted with the doleful song of the White Head fog signal, serving as an omen to the mid-northeast snowstorm which should not stop the Christmas shopper. Temperature above freezing. Seven more days for the unloading of the Christmas purse strings.

Because of the Christmas music and "THE MANSION" Dr. Van Dyke's Christmas story, to be given by Dr. Lowe, the services at the Universalist Church Sunday morning will begin at 10:30 instead of 10:45.

Arthur Flanagan has gone to Florida for the winter.

The Elks Home is wearing its customary Christmas garb, and looking very nice, thank you.

Charles M. Richardson former mayor, has taken over the Foley restaurant, and will have personal supervision of the business.

The First Baptist Guild will meet Friday in the chapel. All "bee-hives" must be in for completion of Christmas cheer. Important to have every member present.

Dr. Elmer W. Campbell, who was elected mayor of Hallowell for his fourth two-year term Monday is a son-in-law of Mrs. and Mrs. Alton W. Decrow of this city.

L. E. Quinn, Leroy A. Black and Irving Quinn hunted big game in Whiting, Washington County, yesterday. Returns from all the precincts were not in when this paper went to press.

The International situation, particularly at this time, is a very interesting subject for everybody. That's what Rev. Dr. John Smith Lowe will talk about at the Baptist Men's League meeting tonight.

Frank H. Ingraham, who has been confined to his home since Oct. 2, made his first public appearance (since his illness) in the Knox County Probate Court Wednesday, where he represented clients in a hearing.

Members of Miriam Rebekah Lodge are planning a gift tree in connection with their Tuesday night meeting. Those in doubt as to what to contribute may call Mrs. Addie Brown, noble grand or Mrs. Vera Bemis, vice grand for information.

John Davidson and "Jit" Ricker serve notice that they are coming down from Massachusetts after Christmas and want to sit in with the Twilight League baseball managers. Their recent statements in this paper were received with enthusiasm by fans in two counties, who hail it as a most favorable sign when men are willing to talk baseball in winter.

Mayor Thurston and the seven outgoing aldermen had a banquet on their own hook at The Thordike Hotel last night. In the course of the hour's session which followed a nicely served dinner, Mayor Thurston was presented a brief case, the presentation being made by Alderman Maurice P. Loveloy. The other aldermen present were Louis B. Gates, Capt. John Bernet, Raymond Perry, W. J. Sullivan, Marcellus Condon and Harry Levensaler.

The Central Maine Power Co. represented by Miss Ruth Cluff, of the Home Service Department, assisted by Miss Martha Baumann, conducted a cooking school, Tuesday afternoon at the Universalist vestry, featuring the preparation of a Christmas menu. The foods prepared were very decorative, bearing out the holiday colors of red and green in gay designs of decorated trees etc. and were most attractive when taken from the electric oven. The demonstration was very much enjoyed by the 155 women who attended. All foods on the menu were given away, the following cards being drawn: Spiced cider, Mrs. Anna Webster; stuffed pork, garnished with steamed rice and broccoli buds, Mrs. Warren Noyes; stuffed onions, Mrs. Harriet Ludwick; baked squash, Miss Helen Carver; the cinnamon apple salad, Mrs. Gordon; holiday pie, Mrs. Vina Varney ice cream, Mrs. Grace Fuller; cookies, Miss Abbie McDonald; sandwiches, Miss Nettie Clark, infant diet, Mrs. Sumner Perry. An interesting demonstration of modern ironing was given by Miss Vitrice Carini.

Rockland High Starts the Season With a Double Victory

The Rockland High quintet laced their first five for a 32 to 11 victory here Tuesday night in its first game. Rockland has a fine looking team this year, and only two letter men back. Rockport drew first blood when Duceit hung up two points for the first score of the game, during the early part of the first period. Winchenbach, right forward, was the outstanding and high scoring man for Rockland, with Billings, Bohn, and Rawley following close to his heels. Although Rockport scored first it didn't take Rockland long to overcome that score and double it many times. At the close of the half Rockland was leading by a margin of 8 points.

The Rockland girls got off to a good start at the opener by taking a 22 to 15 win over the Rockport lassies. It was a hard fought battle to the end. Hatch, the star forward for Rockland, was high scorer with 13 points, amounting to 13 points. Dimick and Brault did some fancy handling of the ball. Lane and Hall starred for Rockport. It was truly an exciting game.

Mr. and Mrs. Alden Allen and Mr. and Mrs. Everett Hobbs attended the meeting of Knox Pomona Grange held at South Warren on Dec. 4.

Schools in town will close Friday for the Christmas recess of two weeks.

The Early Riser

From diaries, Friday, 1926. Gov. Cobb speaker at Rotary Club meeting. Tuesday, 1935. S. S. Belfast, Capt. Wall, taking planks (gang) to Boston, nearing the end of the Bangor line of the Eastern Steamship Lines in this section. Thursday, 1936. "Tweedles" at the High School.

Diaries again, Saturday, 1915. Steamer Camden struck the Camden wharf, considerably damaging the wharf, not much damage to the vessel. Also Edward Amherst Ott, lecturer, "Will Your Dreams Come True?" Sunday, 1921. "To hear Rev. Osborne at Methodist Church in evening. Tuesday, 1934. 50 mattresses arrived from ERA factory at Lewiston for those in Rockland without mattresses, a part to replace old, ragged and worn out mattresses.

Sunday, Dec. 12, 1937, 16 above, partly cloudy. Quotes from diaries, Thursday, 1912. Chapman concert Giordano, Ott. Winchell—this may mean something to the older music lovers hereabouts. Wednesday, 1917. 1 degree below this morning. Friday 1919, "Country Fair" at the Arcade.

Monday, Dec. 13, 1937, 10 degrees above, clear, west wind. P.T.A. meeting in evening, report that Mrs. Kelsey has, with helpers, secured 1408 members in Rockland's fine Parent-Teacher Association. Almon Young gave a fine talk on First Aid in the Home—lots of good advice packed in 27 minutes. A hop, skip and jump down the years, Sunday, 1914. My brother, 17, puts on a white collar for the first time. If I remember, he did not think so much of it. Friday, 1918. Seaplane arrived 1:30 p.m., with War Savings Stamps literature. Monday, 1920. Payton Stock Company in "Fair and Warner." Friday, 1935. Reading an interesting book, "Selling by Telephone," loaned to me by Thomas C. Stone of the telephone company.

Tuesday, Dec. 14, 1937—Long Live "The Black Cat," the very newest of columns in The Courier-Gazette. Rove on P.A.W. we'll be watching! Wonder where W.O.F. is with his "Noticing" items?

Way back in 1928, Friday the 14th, in diary with index, ordinary book size, 6 by 9, find the following notes: "C. A. Rose & Co. to move about middle of January," also, "P. M. 'Lilac Time,' Colleen Moore."

KNOX LINCOLN FARM BUREAU

There will be a meeting in Burkettsville, Dec. 17, at Mrs. Nettie Grinnell's with the agent on planning the work for the year.

ROCKPORT

Fred A. Norwood W.R.C. will meet Friday night and rehearse for installation. In the afternoon members are requested to meet at the hall to pack a quilt, work to start at 1:30. Box lunch at 5:30. This will be the last meeting until after Christmas.

Miss Millicent Crozier, who has been visiting her grandmother Mrs. Minnie Crozier for four months, returns Friday to Prince Edward Island accompanied by Miss Barbara Richardson, who will visit relatives there for two weeks.

The Tritohelp Club met Monday night at the home of Mrs. Lena Tominski.

Mrs. Ada Libby will be hostess to the Twentieth Century Club Friday afternoon at her home on Amesbury hill. Miss Elsie Lane will give a paper on "North-West Passage." This will be followed by current events.

Schools will close Friday for a two weeks' vacation. Special exercises with Christmas tree will feature the closing day in all the grades.

Mrs. Minnie Crozier was at Deer Isle Tuesday on a business trip. Mrs. Ida Ingraham is at the home of Capt. and Mrs. Ernest M. Torrey for the winter.

In an exciting game at Camden gymnasium Tuesday night the Ballard Business School lost to the Camden High School girls' team with a score of 33 to 22. At times the losing team was in the lead but was finally overpowered by its opponent.

Hans Heistad, a well known official of the Camden Hills CCC Camp, is recuperating from his recent illness, which at one time was of a very severe nature.

Skating on the Lily Pond is now being enjoyed by old and young. The G. W. Bridge Club met Tuesday afternoon at the home of Mrs. Charles S. Gardner.

Playlet By Grade Pupils

A pageant "On Christmas Hill" is to be presented Friday night at Town hall by the grade pupils. This playlet is a story of four orphans who are lamenting that they have no toys to give babies for Christmas.

Two of the children fall asleep and in their dreams are taken to Christmas Hill where Star Glean and the Spirit of Christmas await them. Here also may be found children of all nations, each with a special wish for his country. Through the magic of Spirit of Christmas all wishes are granted and happiness reigns in the heart of every child on Christmas Hill.

Norma Hoyle will represent Spirit of Christmas; Beatrice Marston, Star Glean; Eleanor Gregory, Mary Hawkins, Margaret Ames and Dwight Noyes, children of the orphanage; and a chorus of nearly 100 pupils singing Christmas carols.

There will also be instrumental selections by the clarinet and saxophone sections of the school band.

Refreshments were served by the hostesses Mrs. Fannie Brooks, Mrs. Hattie Creamer, Mrs. Lovell and Mrs. Girthner.

SPECIAL TOWN MEETING

Waldoboro To Act Next Monday In Regard To State Aid Roads

A special town meeting in Waldoboro is called for Monday at 2 o'clock for the purpose of determining if the town will vote to instruct their selectmen to use the next year's appropriation for State Aid Roads this winter in connection with W.P.A. funds for all labor on the Union road, the State Aid money to be expended for material, culverts, etc.

The selectmen have reason to believe that the number of men on this relief work can be raised to 25 and have considered from every angle the best method of caring for this relief work.

If the town will not furnish funds to match W.P.A. funds the project will be closed. It would then be necessary to carry relief in the poor account. If the town uses the State Aid Appropriation now there will be no additional taxation as all hand labor will be paid for out of Federal funds. In event there is no action until next summer to use this money, all of it must come from State and town funds. Many towns in the State are taking advantage of this proposition, some using their funds two and three years in advance in order to get Federal aid.

The selectmen will not overdraw any account to retain this W.P.A. project. They will close it if the town does not act to furnish funds. The W.P.A. administration in Portland will allow about two weeks more and then if town funds are not available the Federal money will be withdrawn and used elsewhere.

E. K. Gould has removed his law office from 375 Main street to 400 Main street (over Woolworth's).

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get those two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills. Name. Stubbornly refuse anything else. Size.

led in the closing hymn "Don't Turn Him Away." The evening message was taken from the 18th Chapter of First Samuel. Following the prayer service tonight there will be a pastor's recall meeting which every member of the church is requested to attend; also the monthly meeting of the Sunday School Cabinet which each officer and teacher is expected to attend. At the morning service Sunday Mrs. J. W. Ames will give a brief message to the children preceding the sermon. Bert Larcomb will play accordion selections at the close of the Sunday School hour.

YOU CAN MAKE YOUR HOME SAY:

"Merry Christmas"

Let colored lights give your home the Christmas spirit...inside and out. Decorate trees and shrubbery with strings of colored lights to make a fairy pattern against the velvet black of holiday nights. Light up the Christmas tree with strings of colored lights and watch the youngsters gaze enraptured...thrilled to the core at the play of rainbow hued brilliance. Twine colored lights in holly and mistletoe. Festoon them over mantels and trail them to every corner of the room.

Many new ideas for Christmas lighting—indoors and out—have been developed. There are new type Christmas tree lamps that eliminate hunting for burned-out bulbs—others that look like old-fashioned candles—and many other novelties to make your Christmas more joyous. See them at your dealer's. And be sure to get your Christmas lights early, so that no one, especially the youngsters, will be disappointed.

Grimes' Gold Mine

Vinal Haven Bowler Strikes Pay Dirt In Cascade Alley Match

Word spread rapidly around the street Monday night that Frank Grimes had discovered a gold mine and that he was proving it to excited people over in the Cascade Bowling Alleys. Rumor had it that he had given up his job, had bought a new car, and was going to take a trip to Florida for the rest of the winter. Investigation revealed that while the rumor had a basis of fact the story was a trifle imaginative. It all started when Frank began collecting on all the bets he had out among the Skippers as they squared off at their traditional enemies the Ganders, before the weekly roll fest.

First off, by correctly manipulating a coin so that it showed a head at the proper time, and again showed a tail at another propitious occasion, he managed to wrangle cigars out of Messrs. Sanborn, Peterson and Drew. Then he won the toss for choice of alleys. During the match he won more cigars from Peterson and Drew, a cone of ice cream from the Goose, and wound up by being head man on the score sheet. Altogether it was a perfect evening for the little red-head and he made the most of it. But he had better look out, for those guys who had to pay are sore as bolts and are determined that no fellow the size of Grimes is going to get away with that kind of luck forever.

If Frankie had a lot of luck the Skippers as a team seemed to be without a vestige, and fell easy marks to the giggling Ganders, who copped every string and won easily by 62 pins. There were times when the Skippers all held their noses as the pins teetered and tottered, but always fell, for Cap'n Grimes and his cohorts, but after a pin falls down there isn't much to be said but "Boom." Barney Erickson, the eccentric Scandinavian, made a big hit with his now bowling costume. It looked like a home made design but what with low shoes (size 11) the heavy gray woolen stockings, the blue velvet knickers encasing snugly Barney's bow legs, topped off by a white sweater and a red necktie, surmounted by that handsome open face of the young man, it was an ensemble striking to say the least.

Gene Hall said it looked to him like a cross between a jockey's costume and a masquerade rig. But at that Barney was riding the pins in good shape and led his team, while Gene was in the cellar again peeking out a rat hole.

After the tinsel and the gilt has worn off the gold of Grimes, the Skippers are coming back with a little steel in their hearts and some rubber in their muscles, to take the measure of the grave they intend to dump the Ganders into. Hostilities will be called off during Christmas week but after that there should be some Ganders' feathers and Skippers' whiskers floating in the wintry winds of Vinal Haven. The score:

When everything is lovely
I purr so soft and sweet
But step upon my bobbed tail
And you'll hear the birdies tweet.

Heigh-ho everybody, this is Buckys Bearcats broadcasting the fact that they polished off Dutchy's Dodgers in grand style at the Cascade Alleys last Friday night, and are now looking for revenge on the Fish skinning Fishwharf Scrappers, full of pep and applesauce.

It was not that the Bearcats were extra good but rather that the Dodgers were good and decayed, that accounted for the 80 pins difference in the score, and as we predicted in some past column, "the last shall be first and the first shall be last."

Captain Buckey Warren started off like a professional, with 118, but his spurt did not last and he fell weakly by the wayside in the next two strings. George Geary, the old war horse from Poole's Hill, was sour enough to curdle his own milk when he looked at his 216, while Fred Swanson who had flashed a 128 to win the last match the two teams rolled, was trailing Clint Smith his opponent by 35 pins, and could have busted a gut (on his fiddle) in chagrin.

The Bearcats are now nosing around to feel out some of the stronger teams and if they believe they have something on the ball, one of these night when the moon is just right they are going to cat call a challenge to some of the bowling class of Vinal Haven and try and knock the chip off a shoulder that has become calloused from carrying chips around. The score:

Buckys Bearcats					
Warren	118	80	81	279	
G. Swanson	91	79	87	257	
Chandler	89	82	87	258	
W. Guilford	84	87	79	250	
Smith	88	104	105	297	
Dutchy's Dodgers		470	432	439	1341
A. Geary	91	79	78	248

TWO NEW FORD V-8 CARS FOR 1938

THE DE LUXE

85 HORSEPOWER

DE LUXE FORD V-8... 112" wheelbase; 85-horsepower engine; Improved Easy-Action Safety Brakes; Center-Poise Ride; All-steel body; Mohair or Broadcloth upholstery; Walnut-finished trim; Twin horns, tail lights, sun visor; Clock; 6.00" black tires, white side-walls are extra; 8 body types; 6 colors.

THE STANDARD

60 OR 85 HORSEPOWER

STANDARD FORD V-8... 112" wheelbase; 85 or 60 horsepower engine; Improved Easy-Action Safety Brakes; Center-Poise Ride; All-steel body; Broadcloth or Mohair upholstery; Mohair extra in '60'; Mahogany-finished trim; One tail light, sun visor; Twin horns; 3 body types; 3 colors.

FORD offers two new cars for 1938—the Standard Ford V-8 and the De Luxe Ford V-8. They are different in appearance—but built to the same high standard of mechanical excellence—on the same chassis.

Because people liked our 1937 car so well, they bought more than of any other make. They liked its looks, its smooth performance, and the way it handled. We have improved on that car in the newly styled Standard Ford V-8.

But some folks wanted still more size and style, with the same Ford advantages. For them, we designed a new De Luxe line.

The De Luxe Ford V-8 Sedans are longer with more room, larger luggage space, and finer appointments all around.

De Luxe cars are equipped with the 85-horsepower engine only.

The Standard is even lower priced than the De Luxe. It has graceful new lines and well-tailored interiors—with a choice of engine sizes—85 or 60 horsepower.

Before Ford made V-type 8-cylinder engines available to every one, they were used only in expensive cars. Since then, four million Ford owners have learned the genuine enjoyment of driving an eight-cylinder car with all-around economy.

The thrifty "60" engine, especially, makes possible in Standard models a very low first cost and equally low operating cost. With two distinct designs, two engine sizes and two price ranges, you'll find a 1938 Ford car to fit your needs exactly.

PRICES FOR CARS DELIVERED IN DETROIT—TAXES EXTRA

Standard Ford V-8 (60 hp.)—Coupe, \$599; Tudor, \$644; Fordor, \$689. Standard Ford V-8 (85 hp.)—Coupe, \$629; Tudor, \$669; Fordor, \$714. De Luxe Ford V-8 (85 hp. only)—Coupe, \$689; Tudor, \$729; Fordor, \$774; Convertible Coupe, \$774; Club Coupe, \$749; Convertible Club Coupe, \$801; Phaeton, \$824; Convertible Sedan, \$901.

Standard and De Luxe cars equipped with bumpers, bumper guards, spare wheel, tire tube, tire lock and band, cigar lighter, twin horns, and headlight beam indicator on instrument panel, at no extra charge.

In addition, De Luxe cars are equipped with extra tail light, windshield wiper, sun visor; also de Luxe steering wheel, glove compartment lock, clock, and chrome wheel bands, at no extra charge.

VINAL HAVEN

Schools close Friday for two weeks' recess.

The Lions Club is to sponsor the movie "Born to Dance" featuring Eleanor Powell to be shown Dec. 19 at the Gem Theatre. This is a benefit performance and the proceeds will be used to fill Christmas baskets. Canned goods, vegetables, or money will be accepted for admission.

A GENUINE TOASTMASTER Hospitality Tray SET

\$19.95

Including the 2-Slice Fully Automatic Toaster

The toaster alone sells for \$16. And look what you get for the slight additional cost: a hand-somely grained, modern styled walnut tray, 2 sparkling relish dishes of Duncan Glass to hold sandwich spreads, olives, chesons and the like—and a trim little tray that can serve as a lap tray or to pass cocktails. Best of all, perhaps, the Toastmaster Toaster that needs no watching—pops up the toast and shuts off the current when it's ready—never burns—and toasts the fiftieth slice just the same shade as the first because of the flexible-timer. It's a perfect gift. And it will give you more fun at your parties.

Mr. Carter, a graduate of Sedgwick High School, is the son of Mr. and Mrs. Roland Carter, and is employed on an oil tanker out of New York.

FARM BILL AMENDMENT

White and Lodge Will Offer One Which Recognizes Fish

Senators White of Maine and Lodge of Massachusetts are preparing to offer to the farm bill an amendment which would permit fish to participate in the benefits of the diversion fund given to the Department of Agriculture. Similar amendment was offered in the House last week when the farm bill was there, by Representative MacCormack of Massachusetts. Objection was made by Representative Coffey of Nebraska that the money was hardly enough for agriculture and could not stretch over fish. Underneath, the enemies of the various House blocs in the farm bill fight, operated against the amendment, which may not be the case in the Senate.

THOMASTON

Surplus fish was bought by the Surplus Commodity Corporation last spring, but that was due to passage of a special act and special appropriation, and not to participation of "farmers of the sea" in the regular surplus.

A THOUGHTFUL ACT

State House "Family" Awarded Extra Day's Vacation By the Governor

The State House official "family" has received their Christmas gift early from Gov. Barrows.

The gift was in the form of an extra day's vacation during the holiday period, as the result of the Governor ordering all Capitol offices closed Friday, Dec. 24, as well as Saturday, Christmas Day.

"I shall be thinking of all of you from Tucson, Arizona, and wishing each of you a Merry Christmas," Barrows said in his notice to the "family."

Governor and Mrs. Barrows planned to leave today for Tucson to visit during the Christmas holidays with their youngest son, Wallace H. who is attending the Evans school. They expect to return soon after the holiday.
