

To the Hon Governor and Council of
the State of Maine

Gentlemen enclosed is my
bill for services as one of the inspectors of
of the state Prisons from Sept 15th 1837
to May 25th inclusive. It will be seen
that the annual meeting of the inspectors
is embraced within this time which necessarily
takes about twelve days to complete the yearly
settlement - I name this circumstance for
the purpose of explaining the number of
days which I have been obliged to attend
at the Prisons
