Samuel Holbrook, Prison Keeper.

The above Convicts were kept in compliance of a law passed March 8th, 1832. I have charged the same as is allowed me by the County Commissioners for Criminals & no more. A Bill of the above charges was sent by our County Treasurer last winter & presented, & what has become of it I know not, as I have sent to the State Treasurer's office & find no credit there, for me.
