

Friendship Dec 11th 1835

Sir the number of Schools Districts is 5

School houses 5 Value \$650,00

the average amount of Stationary & books furnished
each Scholar annually \$1,00; the number pupils
male & female admissible to Schools 243; the amount
of public & private donations to public Schools \$450,00
the School Books in general use are the
National Reader, Introduction to National Reader,
Young Reader, Testaments, Waltons & Vinnes Arithmetick
Murrays Grammar, Morses Geography, and the
National Spelling Book.

This is as near as I can calculate; the other Committee
are gone from home therefore I have to make
this out according to my judgement alone.

Respectfully Yours

Obadiah Morse } Committee

Hon^r

Warren Rice Esq.

Wiscasset
