The Board of Trustees met at the Res. of Geo. Brooks. Members present Geo. Brooks, and C.S. Nichols

On Motion voted: That we take under consideration the action of the Quarterly Conference held June 1st, whereby the matter of what disposition shall be of the North Port Camp Meeting Cottage.

As referred to the Board of Trustees, it was thought that as keeping and maintaining of our Cottage there would involve an expense of between thirty and forty dollars the first year and later a considerable expense annually. and in view of the hard work we have to meet, our necessary church expenses and also of the slight interest our members have taken in late in Camp meetings, that the Cottage had better be sold.

On Motion voted that W.B. Brooks be a committee to procure offers for the said Cottage and that we take such further action as may be found necessary to effect the sale of all the right of the Church in the North Port Camp Meeting Cottage.
