Genealogical Resources for Eastern Canada

The Maine State Library welcomes you! Bienvenue! We are pleased to offer a variety of resources that will be helpful in tracing family origins to the Maritimes or French Canada. We have taken care to acquire materials representing the history and genealogy of Quebec, New Brunswick and Nova Scotia, in particular.

The list below is a brief introduction to our Canadian genealogy collection. You will find much more using our online catalog, URSUS, at: http://ursus.maine.edu. Be sure to check with a Reference Librarian for assistance.

Please note: most genealogical materials are LIBRARY USE ONLY and cannot be checked out of the library.
