Maine’s Deaf Community Celebrates 11th Annual Deaf Culture Tea at the Blaine House
By Alice Crandall Johnson

The 2002 Blaine House Tea was the largest ever, 96 members of Maine’s Deaf Community, professionals and friends gathered to celebrate the kickoff of Deaf Culture Week 2002, September 22 through 28. The keynote speaker was Brenda Schertz, member of the Baxter Compensation Authority Board and instructor at the University of Southern Maine.

The title of her talk was “Deaf Culture; Why We Celebrate.” Brenda’s presentation was exciting and full of stories about the pride Deaf people have in their unique culture. She gave many examples of things Deaf Culture has given to the American culture. Did you know the football huddle and baseball signals were invented by Deaf people?

The Tea includes an awards ceremony. This year six individuals or agencies were honored by the Deaf Community and the Advisory Council to the Division of Deafness.

The Media Award is given to a person or agency that expands the knowledge of ASL, Deaf Culture and Deaf People to the public. This year’s recipient, Nick Bloom, former director of the Maine Festival, has exposed thousands of people to ASL by conscientiously hiring qualified sign language interpreters for all events for the Maine Festival and L.L. Bean’s Summer Concert series. One of the individuals nominating Nick said “I go to the Maine Arts Festival annually and I see many performances and plays with interpreters. I feel like a regular person.”
Two awards were given for Outstanding Advocate for the Needs of the Deaf Community. First, Community Counseling Center of Portland. Six years ago the Center hired Jana Harbaugh to counsel Deaf individuals with mental health issues in their native language, ASL. Since then, three more counselors skilled in ASL have been hired: Jennifer McCann, Shana Cohen, and Mike Dorsey. They go out of their way to ensure that barriers are removed and strive to help the Deaf Community.

An Advocate Award was also given to Peter Martineau of Freeport, a founding member of Safer Place. Peter was the first survivor of the abuse at Baxter School to stand up and say “I’ve had enough...something needs to be done.” He is a leader in the Deaf Community because he is willing to speak with the media on many issues concerning the Deaf Community.

The second Special Commendation went to Goodwill Industries of Northern New England, Deaf Services Programs, and was accepted by Kevin Bacck, Executive Director. Since 1985 Goodwill's, Deaf Services program has served Deaf people with additional disabilities. It started when the Caron St. home, an eight-bed residence for deaf people with mental health/mental retardation issues opened. Now, Goodwill has five programs serving more than 40 Deaf individuals and employs more Deaf staff than any other private, nonprofit agency or business in Maine. It has consistently modeled a language rich signing environment to other agencies.

**The Clifton F. Rodgers Award** is given by the Advisory Council of the Division of Deafness to an individual who deserves recognition for outstanding service in a professional or voluntary capacity to the Deaf and hard-of-hearing communities in Maine. This award is named for Clifton F. Rodgers, a life long resident of Maine and a member of the Advisory Council. His life work was to educate the people of Maine about the Deaf Community.

Tracey Frederick was this year’s recipient for over 20 years of dedication and hard work with Deaf individuals living with mental retardation. She is a strong advocate for the rights of Deaf individuals living with mental retardation.
She supports and helps to educate the staff and support personnel who work with Deaf consumers by working closely with them and teaching visual-gestural communication techniques. Tracey is also an interpreter in educational settings and community settings. The smiles from consumers' when she enters a room to visit or work with them really says it all.

**BAXTER COMPENSATION AUTHORITY CLAIMS CONSULTANTS HIRED!**

The Baxter Compensation Authority (BCA) is open and accepting claims from former students of the Maine School for the Deaf and The Governor Baxter School for the Deaf (GBSD) who were physically and/or sexually abused at the schools.

The claims consultants will be meeting with former students all over the state to document their attendance at the schools and their stories of the abuse. When each claim is finished, the consultants will give it to the Compensation Panel who will decide if a person is eligible and how much compensation they will receive.

The BCA hopes to have the three-member panel set up by the end of this month.

Let's welcome the two claims consultants.

**Echo Smith:**

Current: Live in Bath, ME with my fiancé, and two beautiful children.

Work history: Have worked in Mental Health since 1993 throughout the State of Maine. I have done crisis work, social work, and case management.

Involvement in the Deaf Community: Started taking American Sign Language classes in 1999 and “fell in love with” the community and language. In 2000 I was offered, and accepted, a job with Goodwill as a Program Manager for Community Support Deaf Services. This program assists people who are deaf and have a major mental illness. I also, in 2000, started to attend USM as a student of ASL interpreting. You can reach me at Tel: 287-6713 (V), 287-7165 (TTY). E-mail: Echo.Smith@state.me.us

There were many activities to do at camp this year. Swimming, boating, and making crafts daily. Karl Anderson was the person in charge of crafts this year, and he did a fantastic job. Campers enjoyed making necklaces, fingerpainting, cutting, gluing, and coloring. There was something for everyone.

Katrina Day was in charge of the life guard activities. It was great, campers were able to swim and go boating. There was a motor boat this year and campers who wanted a ride were taken out. Many campers enjoyed the canoes under the watchful, kind eyes of Katrina and her fellow lifeguards.

Tuesday brought the long time favorite of tye-dyeing T-shirts. Wendy Gilbert and Sarena Jarvis worked with campers to create their spectacular designs. That night campers danced to the rhythm of the music.
What would camp be like without a campfire? Well we don’t know because Camp Sign-A-Watha had theirs on Wednesday night. Sitting by the campfire enjoying everyone’s company, true friends are made around campfires.

A pie in the face for Jim Gardiner, staff person. Mmm that was good pie.

On Thursday a big Carnival came to camp. Campers enjoyed the “House of Bounce,” cotton candy, a pie-throwing contest with Jim Gardiner as the target, bowling, dunking tank with Jim Howsare being dunked several times, and picture taking of the campers with a palm tree background.

Jim Howsare and Julie Novack were directors of the camp this year and they did a wonderful job. Chris Tinsley and Peter Martineau were staff coordinators. They were the ones who made sure each camper had a staff person and that all staff got a break. All the volunteers and staff that gave their hearts and time were very much appreciated.

Now we can’t forget to talk about the food. It was great this year! The chocolate brownies on Monday night were out of this world. We had Alyssa Gagnon as Head Chef and Jim Gardiner right beside her. There were many others who worked in the kitchen; forgive me for not mentioning them all.

If you haven’t been to camp, remember it happens every year and it is worth the trip. Volunteers are needed immensely every year and the experience is unforgettable. A big thank you to all the staff personnel who worked so hard on making camp this year such a fantastic success. There’s nothing better than making other people smile.

Staff and camper having fun and smiles. Is that you Fred McKinley?

Deaf Community has an Award Winning Poet
Stephen A. Gagnon

Hello Everyone, you might already recognize me, my name is Stephen Gagnon. I am a member of the Deaf community.
I graduated from the Governor Baxter School for the Deaf in 1974; and from St. Paul Technical College in 1977. I then attended Southern Maine Technical College.

I am married and my wife's name is Susan. I have 3 daughters and 2 grandsons. I worked at the Maine Youth Center in South Portland for 20 years. I retired recently from the Maine Youth Center. I’m presently attending the University of Southern Maine studying communication, with the goals of providing social services for the Deaf as my future employment.

In my spare time I enjoy writing poetry and some of my poetry has been published in a book called “Bending Light.”

Below is my poem dedicated to September 11, 2001 and Deaf victims.

We Shall Remember
By: Stephen A. Gagnon

We shall remember those whom has perished during 9/11 for the innocence of heart is saddened,

America the beautiful was sung in the Capitol Hill with the grace of God from all faith by hand.

Oh! America still stands with the smoke and fire going out with songs of Patriotic flinging up the nerve. We will not forget you victims and loved ones but the tears that run down our faces. Put on an Patriotic heart and be bold for the battle is not finished and the terror is still at hand.

Oh! America what more can our prayers be referred to the Almighty God which all things are possible to see victory at hand.

Don't let the wrath of evil storm our freedom for our America flag still standing during battle with songs. We stand united together in hands that we shall remember our history.
