DIRECT BILLING FOR MAINEPERS GROUP LIFE INSURANCE IN 2010

GROUP LIFE INSURANCE AND LEAVES OF ABSENCE

When an employee with MainePERS group life insurance goes on an unpaid leave of absence, notify the Survivor Services unit at MainePERS of the leave using a "Transfer in" or Personnel Status Change Form (MM-0001) or Human Resource Profile (HRP) to MainePERS. This will alert the Survivor Services Unit to bill the employee for group life insurance premiums.

The employee is responsible for making timely premium payments while on leave even if part, or all, of their premiums are usually paid by the employer. If the employee chooses not to pay the premiums, coverage will cease. MainePERS cannot honor a claim if coverage is not in effect.

2009 MAINESTART CONTRIBUTION LIMITS

The Internal Revenue Service announced the cost-of-living adjustments applicable to contribution limits for retirement plans for the 2009 Tax Year. The maximum amount an individual may defer into a 401(a) or 457 Plan(s) for 2009 is increasing from $15,500 to $16,500. Individuals age 50 or over in the 2009 calendar year may contribute an additional $5500. For more information about this plan please contact a MaineSTART representative.

PARTICIPATING LOCAL DISTRICT UPDATE

The System extends a warm welcome to new and returning Participating Local District (PLD) employers and their employees. Bowdoinham Water District and the Thompson Free Library are the newest employers to join the PLD Consolidated Plan. Returning to MainePERS is the Town of Wilton. If you are an employer who participates in our MaineSTART Defined Contribution plan, or is considering enrolling, and would like an on-site presentation, please e-mail us at dcadmin@mainepers.org or contact a MaineSTART representative.
