Dear Genl.

I want only Field & Staff and I think Fsgy. will do, unless I might see your prospects before that time.

It is the organization known to us as "1<sup>st</sup> Maine Sharpshooters" which was afterwards consolidated with 2<sup>nd</sup> Me., which I want.

I happen to have a great deal on hand just now. I can send you a hasty scratch of my military career, already made; but desire to put it in proper form. Unless I hear from you, I will not forward this old paper; but by Thursday or Friday can send a better one. Just as you say.

Wm. H. Weston  
A. C. Maine.

Yours truly J. L. Chamberlain
