Dear Sir:

It has recently come to our attention that an error was made in reporting Election Results for the General Election, November 7, 1978 for United States Senator.

The total number of votes for Plato Truman should have been reported as 85 instead of 143.

I am sorry this was not picked up sooner, and hope that it doesn't cause any inconvenience to your office.

Yours truly,

Denise L. Lajoie  
Deputy City Clerk  
Lewiston, Maine
