LAWS PERTAINING TO ICE FISHING

Closed waters. All inland waters are closed to ice fishing except those which have been opened by rule.

Ten acre ponds. All ponds of ten acres or less formed on brooks, streams or rivers are governed by the same fishing rules which apply to the brook, stream or river on which the pond is situated, whether the pond is natural or artificial. (This does not apply to private ponds.)

Five line restriction. A person may fish through the ice with not more than 5 lines, all of which must be under the immediate supervision of the person who set them. (Able to visually observe and be not more than 500 yards from his lines.)

Illegal fishing. It is unlawful to fish other than by the use of the single baited hook and line, artificial flies, artificial lures and spinners, except that smelts may be taken in accordance with rules promulgated in regard to the taking of smelts. **Use of a gaff is unlawful.**

Night fishing. Ice fishing at night ($\frac{1}{2}$ hour after sunset until $\frac{1}{2}$ hour before sunrise) is prohibited except that it is lawful to fish for cusk at night in waters which are open to ice fishing and smelts may be taken at night from waters designated by the special rule as being open to smelt fishing at night.

Cusk lines. All lines set at night for cusk must be visited at least once every hour by the person who set them.

Sale of certain fish prohibited. It is unlawful to buy or sell, directly or indirectly, any landlocked salmon, trout, togue, black bass, white perch, or pickerel, except that pickerel may be sold in Washington County.

Advance baiting. It is unlawful to deposit any meat, bones, dead fish or other food material for the purpose of luring fish.

Use of helicopter to transport fishermen. It is unlawful to use a helicopter to transport a fisherman or game fish to or from any pond under 10 acres in size or any beaver flowage.

Failure to label fish. It is unlawful to keep black bass, salmon, togue or trout at any sporting camp, hotel or public lodging place without attaching to the fish the name and address of the person who caught them.

Ice fishing shacks. All ice fishing shacks while on the ice of any inland waters must be labeled on the outside in 2-inch letters with the name and address of the owner. Ice fishing shacks must be removed from the ice of inland waters within 3 days after those waters close to ice fishing.

FISHING DERBIES: A PERMIT (fee, \$10) must be obtained prior to conducting a FISHING DERBY or tournament. For further details, contact the IF&W Fisheries Division, 284 State St., Sta. #41, Augusta, ME 04333.
