Dear Sir

 visited the Residence of Bradford
 Marshall in Bradford, he being
 absent in Lincoln Brookston
 County, but will return in
 a few days, his mother says
 he has a discharge, was at Augusta
 about a month since and received
 his pay & papers, she also says
 his health is poor, I have agreed
 with a Man in Bradford to see
 him when he returns and find
 out what kind of papers he
 has (if any) and Report to me,
 if he has none, I shall attend
 to him and report to you soon

O'Brien says he
has a discharge and it is
with Langer Weiss in Prague,
has received it lately, I will look
to it when in the City and
report if necessary.

Collins has hid away
somewhere, I shall watch for
him and arrest him if he
proves to be a deserter, which
I think he is.
