

I think we shall soon catch C. C. Fair,
 I learn he has been arrested and taken
 to Augusta, but managed to escape
 again, I am no longer surprised
 that 250 000 of our soldiers can
 not be accounted for by their officers,
 Such perfect loss is not excusable,
 Your list is a great help, but I find
 very many absent soldiers not contained
 therein,

Respectfully yours C. C. Fair
