Dear Shirley Thayer-

This "Reader" is the first in a once-yearly series of readers centered on the Gulf of Maine—its coastal cultures and bio-cultures. I am having trouble reaching libraries and would be very pleased if some mention of it could be made in your column in DownEast Librarian. It is definitely a downeast book.

It is available from:

Gary Lawless / Blackberry
Box 186
Brunswick, Maine 04011

As I am a very small press, I offer a library discount of 10% and no mailly or handling charges (the book sells for $4.95).

I do hope that the book is of interest to you.

Respectfully,

Gary Lawless
